OUTREACH TRAINING PROGRAM REPORT

Instructions for Outreach Training Program Trainer

The Occupational Safety and Health Administration (OSHA) Outreach Training Program is a voluntary orientation training program aimed at workers. It provides workers with information about OSHA and an overview of job hazards. Trainers authorized through the OSHA Outreach Training Program must conduct Outreach Training Program classes in accordance with the current Outreach Training Program Requirements and Procedures issued by the Directorate of Training and Education (DTE). The Outreach Training Program Requirements and Procedures can be found online at the OSHA.gov Web site under Training, OSHA Outreach Training Program.

Item 1 Trainer Name

List the trainer's full name. When completing student course completion cards, print or type the trainer's name on each card. Names must be legible.

Item 2 ID Number

This applies only to trainers who have already received student cards. New trainers do not have an ID number. ID numbers are issued to trainers after their initial course is documented. If this is the trainer's first class, or if the trainer has an updated trainer status, include a copy of the trainer card.

Item 3 Most Recent Trainer Course

Indicate the most recent applicable course number you have completed.

Item 4 Expiration Date

Enter the trainer authorization expiration date as listed on the bottom right of the Authorized Outreach Training Program Trainer card.

Item 5 Authorizing Training Organization

The trainer's Authorizing Training Organization (ATO) is the OSHA Training Institute (OTI) or the OTI Education Center that conducted the trainer's most recent trainer or update course. List the name of the Authorizing Training Organization.

Item 6 Trainer Address

Provide an address where to send the cards. The cards must be sent directly to the trainer.

Item 7 Course Conducted

Place an "x" in the appropriate box. A separate report must be completed for each course completed.

Item 8 Course Emphasis (check all that apply)

Place an "x" next to all the information that applies to the majority of this course. If the course included a special emphasis such as Cal/OSHA, ET&D, etc., place an "x" next to "Other" and denote the specific area of emphasis on the line below "Other."

Item 9 Number of Students

Indicate the number of students who completed the course. Note: If the trainer held a class that contained more or fewer students than allowed by OSHA policy, include a copy of the prior approval received from the trainer's ATO.

Item 10 Training Site Address

Provide the address, city, state, and country where the course was conducted.

Item 11 Type of Training Site

Place an "x" next to the type of site where the training was held. If none of the choices apply, specify the type of training site.

Item 12 Course Duration

Enter the date, start time, and end time of each day the course was conducted. Trainers must attach a blank sheet of paper with the additional course dates, start times, and end times if further space is needed.

Item 13 Sponsoring Organization

Place an "x" in the box to indicate the sponsor of the training, if applicable. If the trainer had a sponsoring organization, but that category is not listed, check "Other" and specify the type of sponsoring organization.

Item 14 Statement of Certification

The authorized trainer must sign the statement of certification to verify that the class was conducted in accordance with the OSHA Outreach Training Program Requirements and Procedures and attest to the accuracy of the documentation submitted. If requesting cards electronically, the trainer must place an "x" in the box or affix a signature.

Item 15 Topic Outline

Complete the topic outline. The trainer must complete this part of the form.

Item 16 Student Names

List the first and last name of each student who completed the entire course. Ensure the names are legible. The course records must include sign-in sheets for each day, student contact information, topic outline, a copy of the distributed student course completion cards, and a list of guest trainers if applicable.
