Instructions for Outreach Training Program Trainer

The Occupational Safety and Health Administration (OSHA) Outreach Training Program is a voluntary orientation training program aimed at workers. It provides workers with information about OSHA and an overview of job hazards. Trainers authorized through the OSHA Outreach Training Program must conduct Outreach Training Program classes in accordance with the current Outreach Training Program Requirements and Procedures issued by the Directorate of Training and Education (DTE). The Outreach Training Program Requirements and Procedures can be found online at the OSHA.gov website under Training, OSHA Outreach Training Program.

Item 1 Trainer Name

List your full name. When completing student course completion cards, print or type the trainer's name on each card. Names must be legible.

Item 2 Trainer ID Number

This applies only to trainers who have already received student cards. New trainers do not have an ID number. ID numbers are issued to trainers after their initial course is documented. If this is your first class, or if you have updated your trainer status, include a copy of your trainer card.

Item 3 Most Recent Trainer Course

Indicate the most recent applicable course number the trainer has completed.

Item 4 Expiration Date

Enter the trainer authorization expiration date as listed on the bottom right of the Authorized Outreach Training Program Trainer card.

Item 5 Authorizing Training Organization

The trainer's Authorizing Training Organization is the OSHA Training Institute (OTI) Education Center that conducted the trainer's most recent trainer or update course. List the name of the Authorizing Training Organization.

Item 6 Online Training Provider Address

Provide a mailing address to send the course completion cards. The cards must be sent directly to the trainer.

Item 7 Course Emphasis (check all that apply)

Place an "x" next to all the information that applies to the majority of this course. If the course included a special emphasis such as Cal/OSHA, Road, etc., place an "x" next to "Other" and denote the specific area of emphasis on the line below "Other."

Item 8 Number of Students

Indicate the number of students who completed the course.

Item 9 Course Conducted

Place an "x" in the appropriate box. A separate report must be completed for each course completed.

Item 10 Course Duration

Enter the reporting period start date and end date for the course.

Item 11 Statement of Certification

The authorized trainer must sign the statement of certification to verify that the class was conducted in accordance with the OSHA Outreach Training Program Requirements and Procedures and attest to the accuracy of the documentation submitted. If requesting cards electronically, the trainer must place an "x" in the box or affix a signature.

Item 12 Student Names

List the first and last name of each student who completed the entire course. Ensure the names are legible.

Item 13 Date Training Completed

List the date the student completed the course.

Item 14 Number of Attempts to Pass Final Test

Indicate the number of attempts the student required to pass the final test for the course.

Item 15 Final Test Score Percentage

Indicate the student's final test score percentage.

Item 16 Time Spent Online

Indicate the total time the student spent online to complete the course.

Item 17 Topic Outline, Construction

Complete the applicable 10- or 30-hour topic outline. The trainer must complete this part of the form. Indicate the specific amount of time, in hours, the students spent on each of the required topics, the overall amount of time students spent on elective topics, the overall amount of time students spent on optional topics, and the combined total amount of time the students spent on program topics.

Item 18 Topic Outline, General Industry

Complete the applicable 10- or 30-hour topic outline. The trainer must complete this part of the form. Indicate the specific amount of time, in hours, the students spent on each of the required topics, the overall amount of time students spent on elective topics, the overall amount of time students spent on optional topics, and the combined total amount of time the students spent on program topics.
