

**Request for Approval under the “Generic Clearance for the Collection of
Routine Customer Feedback” (OMB Control Number: 1513-0132)**

TITLE OF INFORMATION COLLECTION:

TTB Satisfaction Survey (2016)

PURPOSE:

The results of this consumer satisfaction survey will provide the Alcohol and Tobacco Tax and Trade Bureau (TTB) with high-to mid-level indicators on how well the Bureau is doing in meeting its strategic objectives and in accomplishing its mission. This survey also will provide some specific information to TTB regarding where it needs to make adjustments in order to achieve its Balanced Scorecard strategic goals. The survey results will provide feedback to TTB management, which would otherwise have no other way to know if TTB’s customers believe the Bureau has been successful in meeting its customer satisfaction goals.

DESCRIPTION OF RESPONDENTS:

Respondents are current alcohol or tobacco permit or brewer’s notice holders who have provided TTB with an email address, as well as other parties that may be associated with permit or notice holders who have submitted an email address to TTB. All respondents are either in or associated with the industries regulated by TTB.

 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan). If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them.

We plan to compile a list of all email addresses submitted to TTB and held in the following systems: Permits Online, Integrated Revenue Information System (IRIS), COLAs Online, and Formulas Online. This list will predominantly contain email addresses of individuals who are alcohol or tobacco permit or brewer’s notice holders. However, this list may also contain email addresses of individuals who are otherwise associated with permit or notice holders, such as private consultants and attorneys. TTB will examine the overall list and any duplicate email addresses will be removed.

Once the list of email addresses is perfected, we plan to send an email survey invitation to all email addresses on the list. The invitation will contain a direct link to the survey, which will be

housed on SurveyMonkey, an external website. The survey will be open for one month. Halfway through that month, a second, follow up email will be sent reminding the invitees to take the survey. At the end of the one month time period or once we reach a total of 5,000 respondents, whichever comes first, we will stop administering the survey and compile the results.
