APPLICANT INSTRUCTIONS

- Read the relevant New Markets Tax Credit (NMTC) Program publications prior to completing the *Allocation Application*. For information on the combined calendar year (CY) [Year TBD] NMTC Program allocation round (this Round), read the *Notice of Allocation Availability (NOAA)* and the *Community Development Financial Institutions Fund's* (the CDFI Fund's) document titled "NMTC *Allocation Application Q&A Document*." For tax related information on the NMTC Program, read the final regulations issued by the Internal Revenue Service (26 CFR 1.45D-1) and related guidance. For information on *Community Development Entity (CDE)* certification, read the CDFI Fund's document titled "*CDE Certification Q&A Document*." All of these documents are available on the CDFI Fund's website at www.cdfifund.gov. The CDFI Fund's Q&A documents are periodically updated, so continue to check the website on a regular basis.
- Consult the Glossary of Terms when completing the *Allocation Application*. All terms and phrases that are in *Capitalized Italics* in the *Allocation Application* are defined in the Glossary of Terms.
- **A Subsidiary CDE cannot submit an Allocation Application.**
- If the *Applicant* has not been certified as a *CDE* by the CDFI Fund, it must submit its *CDE Certification Application* to the Bureau of Public Debt (BPD, the entity that handles intake of applications on behalf of the CDFI Fund) so that it is **Postmarked on or before [Date TBD]**. The *CDE Certification Application* is available on the CDFI Fund's website at www.cdfifund.gov. Organizations whose *CDE Certification Applications* are not received at BPD in a timely fashion will be considered ineligible for *NMTC Allocations* in this Round of the Program. An *Applicant* that is a *Community Development Financial Institution (CDFI)* or *Specialized Small Business Investment Company (SSBIC)* does not need to submit a *CDE Certification Application* to BPD, but **must register** as a *CDE* on the CDFI Fund's website by **5:00 pm, Eastern Time, on [Date TBD]**.

TIP: The CDFI Fund cannot process a *CDE Certification Application* unless each entity seeking certification as a *CDE*: (a) is a legal entity, and is a domestic corporation or partnership for federal tax purposes; and (b) has a valid and distinct Employer Identification Number (EIN). *Applicants* or *Subsidiary Applicants* that have applied for, but not yet received, an EIN as of the date of the *Authorized Representative's* signature on the *Allocation Application* will not be accepted. For more information on EINs and applying for an EIN, refer to the *CDE Certification Q&A Document* on the CDFI Fund's website at www.cdfifund.gov.

TIP: The term "*Postmarked*," as used throughout this document, is defined by 26 CFR 301. 7502-1. In general, the CDFI Fund will require a *Postmarked* date that is on or before the applicable deadline. The document must be in an envelope or other appropriate wrapper, properly addressed and deposited in the U.S. mail. The document may be delivered by the United States Postal Service or any other private delivery service designated by the Secretary of the Treasury. For more information on designated delivery services, please see IRS Notice 2002-62.

- Carefully read the *Allocation Application* and the *NOAA* to determine whether the *Applicant* has the requisite eligibility, capacity, experience, and skills to compete for and administer a *NMTC Allocation*. Be sure also to review carefully the Assurances and Certifications provided in this document. By signing this *Allocation Application*, the *Applicant* is certifying to the truth,

completeness, and correctness of this *Allocation Application*, including the items listed in the Assurances and Certifications.

- If the CDFI Fund determines that any portion of the *Allocation Application* is incorrect in any material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the *Allocation Application*.
- As the *Applicant* prepares the *Allocation Application*, assume that the CDFI Fund's *Allocation Application* reviewers are learning about the organization for the first time, even if the organization has previously submitted an application to the CDFI Fund under this or any of the other CDFI Fund programs.
- A start-up organization that does not have a track record of raising capital or offering products and services may reference the activities of its *Controlling Entity* in certain areas of the *Allocation Application*. However, a start-up may not reference the activities of individuals, including principals or board members, to demonstrate such track record. The activities and experiences of individuals may be addressed in the Management Capacity section.
- The term *Applicant* refers to the *CDE* applying for a *NMTC Allocation* as well as any other *Subsidiary* entities, whether already formed or in the process of formation, which may receive a transfer of all or a part of a *NMTC Allocation* from the *Applicant*. To the extent practicable, the *Applicant* may respond to each question in this *Allocation Application* collectively on behalf of all such entities. If responses vary for separate entities, be sure to clearly articulate which entity is being referenced in the narrative and tables.
- Be sure to keep each narrative brief: Please note that each narrative text response has a maximum character length, which, depending on font size, will range from about 1/3 of a page to about 2 pages). These character maximums include spaces, punctuation, and special characters. All text that exceeds the maximum set for a narrative text response (which is noted at the end of each question) will be truncated at the character limit.

DO NOT SUBMIT THIS ALLOCATION APPLICATION

- Use the online application: This version of the *Allocation Application* is a read-only version. Any organization interested in applying for a *NMTC Allocation* from the CDFI Fund is expected to submit an online *Allocation Application*. *Applicants* may access the online *Allocation Application* as soon as it is made available by logging in through myCDFIFund on the CDFI Fund's website at www.cdfifund.gov. *Applicants* who have not already done so are encouraged to register a user account through myCDFIFund as soon as possible. Please contact the CDFI Fund's IT Help Desk at (202) 653-0422 or ithelpdesk@cdfi.treas.gov if you are having problems registering under myCDFIFund. **The online *Allocation Application* must be received no later than 5:00 pm, Eastern Time, on [Date TBD]**. Complete instructions regarding the electronic submission requirements will be posted on the CDFI Fund's website at www.cdfifund.gov when the online *Allocation Application* is made available.
- Required Investor Letters: *Applicants* completing Table E1 are required to submit *Commitment* letters or letters of interest from investors per the TIPs for Exhibit E. Please upload these documents electronically through the *Applicant's* myCDFIFund account. In doing so, an *Applicant* is also validating the following information: name of investor, dollar amount of equity sought or obtained (or dollar amount of debt, in the case of an investor partnership using debt capital), status of the investment request (e.g., funds received, *Commitment* of funds, *Letter of*

Interest/Intent). If the documents do not contain such information and validate the information entered in Table E1 or are missing altogether, the *Applicant* could lose points under the Capitalization Strategy section. For examples of acceptable documentation for the required information, refer to the CDFI Fund's NMTC *Allocation Application* Q&A Document.

- Submitting Signature Pages and Required Documents: All *Applicants* will be required to upload signature pages and other documents (*Letters of Interest/Intent*, *Commitment* letters and organizational charts) electronically through their myCDFIFund accounts. An *Applicant* will be instructed on how to upload the aforementioned signature page and other documents (i.e., attachments) at the time the *Applicant* submits its *Allocation Application*. **All attachments must be uploaded by 11:59 pm, Eastern Time, on [Date TBD]**. If the attachments are not received by the applicable deadline, they will not be given consideration as part of the review process. **Only those attachments requested by the CDFI Fund will be considered as part of the review process. Furthermore, the CDFI Fund will not accept any revisions or amendments to an application or the attachments once they have been submitted for review.**
- Part V - Information Regarding Previous Awards: All *Applicants* are required to complete Part V of the *Allocation Application*. *Applicants* that have not received previous NMTC *Allocations* or that have not received other CDFI Fund Awards (i.e. FA-TA, CMF, BEA) will simply need to respond “No” to Questions 42 and 43 and not respond to Question 44. *Applicants* that have not made *QEI*s into previous *Allocatees* or assumed *Control* of previous *Allocatees* should respond “No” to Question 45. Please note that Part V is not specifically scored as part of the Phase I review process, and is only considered if the *Applicant* is ranked highly enough to proceed to Phase II of the application review process.
- Each *Applicant* should expect that if it receives a NMTC *Allocation*, information provided in this *Allocation Application* will be used to determine the terms of an *Allocation Agreement*.
- The contents of this *Allocation Application* are consistent with the Internal Revenue Code Section 45D (the Code) and the NMTC *Program Income Tax Regulations*. In the event of any inconsistency between the contents of this *Allocation Application* and the Code or the NMTC *Program Income Tax Regulations*, the provisions of the Code and the NMTC *Program Income Tax Regulations* shall govern.

TIP: If you have programmatic questions about the contents of this *Allocation Application*, you may contact the CDFI Fund by mail to Program Manager, NMTC Program, Department of the Treasury, Community Development Financial Institutions Fund, 1500 Pennsylvania Avenue, Washington, D.C. 20220, by e-mail at cdfihelp@cdfi.treas.gov, by telephone at (202) 653-0421, by facsimile at (202) 508-0084, or visit the CDFI Fund's website at www.cdfifund.gov. If the *Applicant* is attaching a written statement in response to items 12(c), 12(e), 13(c), 14(c) or 15(c), it should identify and summarize those litigation or regulatory matters typically disclosed in the applicable entity’s annual SEC filings for 2012 and 2013, and quarterly for 2014. Additionally, if the *Applicant* is unable to certify “Yes” to item 11, the *Applicant* must provide a copy of any regulatory enforcement orders that are currently in effect.

B. Certification Regarding Debarment, Suspension, and Other Responsibility Matters — Primary Covered Transactions

- This Certification is a material representation of fact upon which reliance is placed when the CDFI Fund enters into an *Allocation Agreement* with the *Applicant*. If it is later determined that the *Applicant* knowingly rendered an erroneous or false Certification, the CDFI Fund may terminate, in its sole discretion, the *Notice of Allocation* and the *Allocation Agreement* for cause or default.
- The *Applicant* must provide immediate written notice to the CDFI Fund if at any time the *Applicant* learns that this Certification was erroneous or false when submitted or has become erroneous or false by reason of changed circumstances.
- The terms “covered transactions,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this Certification, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The *Applicant* may contact the CDFI Fund for assistance in obtaining a copy of those regulations (31 CFR Part 19).
- The *Applicant* agrees that, by submitting this *Allocation Application*, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the CDFI Fund.
- The *Applicant* further agrees that, by submitting this *Allocation Application*, it will include the Certification titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transaction,” to be provided by the CDFI Fund, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions (see 31 CFR part 19, Appendix B).
- A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous or false. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs. See www.epls.gov for more information.
- Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the Certification hereby required. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- Except for transactions authorized under paragraph 4 above, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the CDFI Fund may terminate, in its sole discretion, the *Notice of Allocation* and the *Allocation Agreement* for cause or default.

- If the *Applicant* fails to furnish either the Certification or an explanation, the *Applicant* is not eligible to apply for an *NMTC Allocation*.

The prospective primary participant (the *Applicant*) certifies to the best of its knowledge and belief, that it and its principals (officer, director, majority owner, partner):

If separate applications are received from multiple *Affiliated* entities, the CDFI Fund reserves the right to reject all such applications. Likewise, *Subsidiary CDEs* are ineligible to submit an *Allocation Application*. For the purposes of this requirement, in addition to assessing whether *Applicants* meet the definition of the term “*Affiliate*” found in the *Allocation Application*, the CDFI Fund will consider: (i) whether the activities described in applications submitted by separate entities are, or will be, operated or managed as a common enterprise that, in fact or effect, could be viewed as a single entity; and (ii) whether the business strategies and/or activities described in applications submitted by separate entities are so closely related that, in fact or effect, they could be viewed as substantially identical applications. In such cases, the CDFI Fund reserves the right either to reject all applications received from all such entities or to select a single application as the only one that will be considered for an allocation. For more information regarding these requirements, please review the *NOAA* or *Allocation Application* Q&A Document on the CDFI Fund’s website at www.cdfifund.gov. If you have questions about whether two entities are *Affiliated*, you should contact the CDFI Fund well in advance of the *NMTC Allocation Application* due date.

Therefore, entities with more than one *Controlling Entity* will need to select one *Controlling Entity* to list in the application to assist in demonstrating a track record and in completing the related exhibits. An *Applicant* may identify the parent organization/company of its parent as its *Controlling Entity* to demonstrate an organizational track record, provided that the relationship between the “grandparent” and the *Applicant* conforms to the CDFI Fund’s definition of a *Controlling Entity*. Should the *Applicant* receive a *NMTC Allocation*, the entity that is designated as the *Controlling Entity* below will need to continue in that capacity throughout the term of the *Allocation Agreement* with the CDFI Fund.

TIP: The *Controlling Entity Representative* is required to affirm, through submission of a signature page, that it is indeed the *Controlling Entity* of the *Applicant* and supports the *Applicant’s Allocation Application*.

Subsidiary CDEs are ineligible to submit *Allocation Applications*.

(b) By the stated deadline in the *NOAA*, is the *Applicant* filing a service area amendment in connection with this application?

7. Identify the type of service area that the *Applicant* will serve (check one). The service area identified here must be identical to the service area identified by the *Applicant* in its *CDE Certification Application* approved by the CDFI Fund:

- National service area
- Multi-state service area
- Statewide (or territory-wide) service area
- Local service area (e.g., neighborhoods, cities, a county or contiguous counties, or metropolitan areas) within a state or territory

TIP: An *Applicant* serving a metropolitan area that crosses multiple states (e.g., the Washington, D.C. or Philadelphia metropolitan areas) should check "Multi-state service area."

TIP: If an *Applicant* would like to focus its investments in this *Allocation Application* on a subset of its certified service area, it may discuss this in the narrative response to Question #19. However, all *Applicants* must designate their entire certified service area (or if applicable, the entire service area for which certification or a service area amendment is pending) in response to Questions #7 and #8.

8. Identify the particular geographical areas that the *Applicant* will serve. An *Applicant* that is serving a national service area must identify at least one state and may identify up to six additional states with the largest amount of projected activities:

State(s):

- A brief summary of the types of projects and/or borrowers the *Applicant* will target and address why NMTCs are important for the identified projects and/or borrowers.

- A brief summary of the products that the *Applicant* will offer, including both financial products and technical assistance.
- A brief summary of how the NMTCs will enhance the *Applicant's* product offerings.

TIP: Note that Question #11(a) is meant to be a brief summary of the *Applicant's* overall business strategy, thus it is not necessary to provide a detailed discussion of items that will be specifically covered in detail in other parts of the Business Strategy section.

(b) Provide a one or two sentence description of the types of investments the *Applicant* intends to make with the requested *NMTC Allocation*. *Applicants* will not be scored on this response. The information provided will be used as part of the CDFI Fund's public award announcement. [\(Maximum Response Length: 500 Characters\)](#)

Sample:

XYZ CDE (XYZ) will use its NMTC Allocation to invest in commercial real estate and operating businesses that revitalize vacant properties and create living wage jobs in Low-Income Communities that have experienced persistently high unemployment. The CDE intends to offer equity equivalent terms and conditions and senior debt.

NOTE:

The CDFI Fund will supplement the information from Question #11(b) with responses to certain questions contained in the *Allocation Application*. For more on what information will be contained in this profile, please see the Application Q&A document.

12. Estimate how long this *Allocation Application* form took to complete: _____ hours

TIP: For the purpose of estimating hours, *Applicants* should focus only on the amount of time it took to complete the questions asked in this application. Other activities that are carried out in the normal course of business and are only indirectly related to the completion of this application (e.g., securing investor *Commitments*; developing a business strategy or marketing plan; etc.) should not be included in this estimation. **In the electronic on-line application form, you will not be able to answer this question until all other application questions are complete.**

PART I: BUSINESS STRATEGY

Total Maximum Points for Part I: 25 points, plus up to 10 additional “priority points” available under sub-sections B and E.

TIP: An *Applicant* will score well in this section to the extent it can articulate, with specificity, its strategy to use a *NMTC Allocation* and can describe a strong, relevant track record, including a track record of serving *Low-Income Communities*. Included in this section is the ability to earn “priority points” for meeting the statutory priorities of: 1) investing in *Unrelated* entities; and/or 2) demonstrating a track record of serving *Disadvantaged Businesses or Communities*. Refer to the *NOAA* for further information on the statutory priorities.

A. Products, Services, and Investment Criteria

TIP: For the purposes of completing the Business Strategy section and all relevant exhibits, *Real Estate Activities* refers to the development (including construction of new facilities and rehabilitation/enhancement of existing facilities), acquisition, management, or leasing of real estate. Non-real estate activities refer to all other types of business activities.

TIP: An *Applicant* will score well under the Products, Services, and Investment Criteria sub-section to the extent that it clearly describes its financial products and will deploy debt or equity capital, or offer products and services that feature more favorable rates, terms, structuring and non-traditional features when compared with market offerings. Please note, these criteria do not apply for an *Applicant* who intends to use its *NMTC Allocation* to pursue *Financial Counseling and Other Services (FCOS)* as their sole line of business.

13. Eligible Activities

Please indicate the types of *Qualified Low-Income Community Investments (QLICs)* in which the *Applicant* intends to engage (check all that apply), and what percentage of allocations (by dollar amount) will be used for each activity. (Percentages for (a)-(e) should add up to 100 percent):

(a) ___ % Investments in, or loans to, *QALICBs*.

Loans/investments will be used to support: (these three percentages should add up to 100 percent by dollar amount)

___% Non-real estate activities

___% *Real Estate Activities* where the real estate will be owned (either directly or through an Affiliate) and principally occupied by an *Operating Business*.

___% *Real Estate Activities* where the real estate will be principally leased to third party tenants or sold to a third party.

(b) ___ % Investments in, or loans to, other CDEs.

Please indicate the percentage of each activity (by dollar amount) in which the final recipient CDEs intend to engage, using the proceeds of the NMTC investments provided by the Applicant. Percentages should add up to 100 percent.

___ % Origination of loans, investment of capital, or equity to QALICBs

___ % Financial Counseling and Other Services

(c) ___ % Purchases of loans from other CDEs.

(d) ___ % Financial Counseling and Other Services.

___ In conjunction with financing (check, if applicable)

___ As a discrete line of business (check, if applicable)

14. Products, rates and terms that the Applicant intends to offer:

TIP: If an Applicant intends to utilize its requested NMTC Allocation to engage solely in either the purchase of loans from other CDEs or in the provision of Financial Counseling and Other Services, and not in the origination of loans or equity, it should skip Questions #14 and #15.

(a) Select the products the Applicant intends to offer (check all that apply):

I. ___ Equity Investments

II. ___ Equity Equivalent terms and conditions, including debt with equity features (e.g., debt with royalties; debt with warrants; convertible debt)

III. ___ Senior debt

IV. ___ Subordinated debt

TIP: For each item checked in Question #14(a), the Applicant should provide a distinct and unique narrative description. Applicants that use the same narrative text for each item checked will not be scored as favorably. To the extent the Applicant indicates a range of offerings within an item listed above (e.g., interest rates from 100 bps to 500 bps below market), it should describe what

circumstances would dictate the specific rates or terms, and how often the best rates and terms would be offered.

TIP: The number of products selected by the *Applicant* in Q. 14(a) has no effect on the evaluation of the *Allocation Application*.

(b) For each major product line checked above, describe which of the following flexible or non-traditional features the *Applicant* intends to offer. Include a brief description of the rates and/or terms that will be offered and explain how these rates and terms compare with what is typically offered by the *Applicant* and typically offered in the marketplace. Also, provide an example of how the product will be used (alone or in conjunction with non-NMTC sources of financing) for each product line checked in Question #14(a) above. (Maximum Response Length: 5,000 characters):

- Below market interest rates (or rate of return in the case of equity investments)
- Lower than standard origination fees
- Longer than standard period of interest-only loan payments
- Higher than standard loan-to-value ratio
- Longer than standard amortization period
- More flexible borrower credit standards
- Non-traditional forms of collateral
- Lower than standard debt service coverage ratio
- Subordination

(c) For an *Applicant* that indicated under Question #13(c) that it intends to finance other CDEs, describe the strategy by which the *Applicant* will ensure that those CDEs will pass along the NMTC benefits to their QALICB borrowers in the form of more favorable rates or terms. (Maximum Response Length: 2,000 characters)

15. Choose one of the following options. (check only one)

The *Applicant* will commit that 100 percent of its QLICs will:

- ___ (a) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 50 percent below market; or debt that otherwise satisfies at least 5 indicia of flexible or non-traditional rates and terms, as listed in Question 14.

- (b) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 33 percent below market; or debt that otherwise satisfies at least 4 indicia of flexible or non-traditional rates and terms, as listed in Question 14.
- (c) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 25 percent below market; or debt that otherwise satisfies at least 3 indicia of flexible or non-traditional rates and terms, as listed in Question 14.
- (d) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 15 percent below market; or debt that otherwise satisfies at least 2 indicia of flexible or non-traditional rates and terms, as listed in Question 14.
- (e) None of the above.

TIP: *Applicants* will score better to the extent they commit to provide equity or equity-equivalent financing; greater interest rate reductions on their debt; and/or a higher number of flexible/non-traditional rates and terms. **An Applicant that checks one of the options a-d in Question #15 above should be aware that this Commitment will be a condition of its Allocation Agreement with the CDFI Fund.**

Please refer to the Application Q&A document for guidance on how to calculate below market interest rates.

16. For an *Applicant* that indicated under Question #13(d) above that it plans to purchase qualifying loans from other *CDEs*:

- (a) Will the *Applicant* require the *CDE* from which it purchases loans to reinvest all or a portion of the proceeds from the loan sales in *QLICIs*?

Yes No

If yes, identify the percentage: _____%; and briefly describe the *Applicant's* mechanisms for enforcing this requirement:

(Maximum Response Length: 2,000 characters)

TIP: An *Applicant* purchasing loans from other *CDEs* generally will not score favorably in the Business Strategy section unless it indicates, in Question #16(a), that it will require the *CDE* from which it purchases loans to reinvest at least 85 percent of the proceeds from the loan sales in *QLICIs*. The

higher the percentage identified in Question #16(a), the better the *Applicant* will score under the Business Strategy section. **However, if the *Applicant* receives a *NMTC Allocation*, it will be required to meet the percentage identified above, and such requirement will be a term of its *Allocation Agreement*.**

- (a) Describe the extent to which the *Applicant* intends to purchase loans that include rates, terms and/or with conditions that would not be possible without the benefit of a *NMTC Allocation*. (Maximum Response Length: 2,000 characters)

B. Prior Performance

TIP: An *Applicant* that can demonstrate (either on its own or through a *Controlling Entity*) a strong, successful track record of providing products, services, or *FCOS* similar to those that it intends to deploy with *Qualified Equity Investment (QEI)* proceeds will score well under this sub-section. Only the organizational track record of the *Applicant* or the *Controlling Entity* may be referenced. The track record of the *Controlling Entity* may include the activities of any subsidiaries of the *Controlling Entity*, including the *Applicant*. The track records of principals, board members and other management individuals are not relevant for this sub-section. There will be an opportunity to discuss individual qualifications in the Management Capacity section of this application.

17. Does the *Applicant*, or its *Controlling Entity*, have a track record of financing or otherwise facilitating the types of *QLICI* activities checked in Question #13?

Yes (complete Questions #17(a) and (b)) No

TIP: The *NMTC* Program authorizing statute requires the *CDFI Fund* to give priority in the selection of *Applicants* to any *Applicant* that has a track record of successfully providing capital or technical assistance to *Disadvantaged Businesses or Communities*. An *Applicant* may receive up to five “priority points” for demonstrating such a track record. An *Applicant*’s responses to Questions #17 and #18 will be the determining factor in this rating. Only the organizational track record of the *Applicant* or the *Controlling Entity* may be referenced. Do not refer to the track record of individuals (e.g., staff, principals, consultants) associated with the *Applicant* or its *Controlling Entity*.

TIP: The *Applicant* may reference, in the Tables in Exhibit A and in the narrative in Question #17(b), loans or *Equity Investments* that the *Applicant* (or its *Controlling Entity*) has itself originated and for

which it has capital at risk (direct financing). The track record of the *Applicant* can be included in the track record of the *Controlling Entity* if the *Applicant* is a *Subsidiary* of the *Controlling Entity*.

TIP: An *Applicant* that has a longer track record of providing similar direct financing or *FCOS* will generally score higher in this section than an *Applicant* that has a shorter track record of direct financing or *FCOS* and/or a track record of primarily or exclusively providing indirect financing.

TIP: If an *Applicant* intends to utilize its *NMTC Allocation* to engage in the provision of *FCOS* as a discrete line of business (as indicated in Question #13), it must include the following in its narrative response to Question #17(b): (1) the number of businesses/entrepreneurs to which the *Applicant* has provided counseling or other services in the last five years and (2) the percentage of those businesses/entrepreneurs that were located in *Low-Income Communities*. This information will be used to evaluate the *Applicant's* eligibility to receive "priority points" for demonstrating a track record of successfully providing capital or technical assistance to *Disadvantaged Businesses or Communities*. Please note that if an *Applicant* intends to use its *NMTC Allocation* to engage in the provision of *FCOS* as its sole line of business, and not in the purchase or origination of loans or *Equity Investments*, it need not complete Tables A1-A4.

- (a) Complete Tables A1-A3, as applicable for the types of *QLICI* activities in which the *Applicant* or its *Controlling Entity* has engaged.

- (b) Provide a narrative discussion of the organization's track record for each type of *QLICI* activity identified (including *FCOS*), referencing data included in Tables A1-A4, as appropriate. Focus the discussion specifically on the *Applicant's* or its *Controlling Entity's* experience targeting *Disadvantaged Businesses and Communities*. (Maximum Response Length: 10,000 characters)
 - Be as specific as possible with respect to which activities were undertaken by the *Applicant*, as opposed to its *Controlling Entity* (including any *Subsidiaries*).
 - Be sure to discuss whether the data in Exhibit A refers to the *Applicant's* or *Controlling Entity's* (including any *Subsidiaries*) direct financing (i.e., its own capital at risk) versus indirect financing (e.g., loan packaging, project development, etc.).
 - Be sure to indicate how long the *Applicant* or its *Controlling Entity* has been serving *Disadvantaged Businesses and Communities*.

18. Track Record of Direct Financing Activities that would not qualify as *QLICI* Activities

- (a) Complete Table A4, if applicable. Does the *Applicant*, or *Controlling Entity*, have a track record of successfully providing financial products and services that would not qualify as

QLICI activities (e.g., financing residential rental housing) but are similar to the proposed NMTC activities?

____ Yes ____ No

- (b) Referencing Table A4 as appropriate, describe the *Applicant's*, or *Controlling Entity's*, track record, over the past five years of successfully providing financial products and services that would not qualify as *QLICI* activities and how these activities relate to the proposed NMTC activities:

(Maximum Response Length: 5,000 characters)

C. Projected Business Activities

TIP: Projected activities should be consistent with an *Applicant's* request for a *NMTC Allocation*. An *Applicant* that has a readily identifiable set of business activities in which it will engage in the near term will score well under this sub-section, as will an *Applicant* that can demonstrate an effective strategy for locating qualifying activities.

TIP: *Applicants* that plan to finance a single or discrete number of investments are expected to provide a greater level of detail about their planned transactions in order to score well in comparison to those *Applicants* intending to fund a general pipeline.

TIP: An *Applicant* that indicates that its application is in support of a single activity or a discrete list of *QLICIs* as listed in Question #19 will likely be required to close such transactions, as a condition of receipt of a *NMTC Allocation*, and such requirement will be a term of the *Allocation Agreement*.

19. Projected NMTC Investments

- (a) Complete Tables B1-B4, as applicable, according to the types of *QLICI* activities in which the *Applicant* intends to engage.

- (b) Please indicate if the *Applicant* plans to finance:

____ A single or discrete number of investments

____ A general pipeline of activities

- (c) Please write a narrative describing the *Applicant's* planned investments:

Single or discrete number of investments: If the *Applicant* intends to invest in one or a few discrete projects only, provide a narrative below to describe:

- The feasibility and current status of each transaction (e.g., fully negotiated and committed, in preliminary discussions, etc.);
- The location of the project(s);
- The anticipated dates for project financing (including total project cost and NMTC financing) and completion;
- The risks that may preclude the project(s) from being completed within the timeframes identified.

General pipeline of activities: If the *Applicant* intends to support a general pipeline of activities that may or may not yet be identified, provide a narrative below to describe:

- The number and dollar amount of transactions that have already been identified, for which underwriting is completed or underway;
- Transactions that represent the type(s) of NMTC investments that the *Applicant* intends to make. Be sure to indicate the total project cost and provide an estimate of the amount of *QLICI* investment for each transaction;
- The *Applicant's* strategy for identifying potential borrowers, investees, or other customers in *Low-Income Communities*;
- The extent to which the *Applicant* intends to invest interest, dividends or other profits received from *QLICIs* into additional *QLICIs*, and the timeline for doing so.

(Maximum Response Length: 10,000 characters)

- (d) Explain how income and expense considerations of the *CDE* factor into the *Applicant's* business strategy and project selection (e.g., number and size of transactions, location, business type, industry, etc.).

(Maximum Response Length: 3,000 characters)

20. Value Added and Innovative Investments

Indicate whether and explain how the *Applicant* intends to use the requested *NMTC Allocation* to make value added investments that might not otherwise occur or represent an innovative use of a *NMTC Allocation*. Check any option that applies and provide a narrative for each item checked:

TIP: The *Applicant* will be scored more favorably in this section to the extent it effectively demonstrates that an *NMTC Allocation* will enable it to increase the volume of the *Applicant's* (or *Controlling Entity's*) *LIC* investments, undertake activities of greater financial risk in *LICs*, and/or undertake *QLICI* activities that represent an innovative use of an *NMTC Allocation*.

TIP: *Applicants* must select at least one option in Q. 20, but do not need to select multiple options, in order to score well in this section. No one activity - increase in volume, activities of greater risk, or innovative investments - is preferred over any other for scoring purposes. *Applicants* will not be disadvantaged in the Application scoring process for declining to select any one option.

____(a) **Increase the volume of its activities.** Demonstrate how the requested *NMTC Allocation* will enable the *Applicant* to achieve a greater dollar volume of investment in *LICs*. Be sure to quantify the increase in *LIC* activities that the *Applicant* (or its *Controlling Entity*) proposes to invest over the next five years with a *NMTC Allocation* and compare with its five-year track record shown in Exhibit A.
(Maximum Response Length: 5,000 characters)

____(b) **Undertake activities of greater financial risk.** Describe how the requested *NMTC Allocation* will enable the *Applicant* to make investments in *LICs* involving greater financial risk than would be possible without *NMTCs* (e.g., financing projects in unproven markets, financing businesses that do not have access financial markets, etc.). Be sure to identify risk metrics and quantify the additional financial risk associated with the proposed investments to be undertaken with a *NMTC Allocation*. Also compare the risk of the *Applicant's* proposed *NMTC* investments to investments made by financial institutions using typical market risk analysis criteria. Consider providing examples to illustrate investments that would be approved using the requested *NMTC Allocation* versus the levels of risk that would be acceptable without an *NMTC Allocation*.
(Maximum Response Length: 5,000 characters)

TIP: If selecting the innovation option, note that no particular innovation is preferred over another for

scoring purposes. Any proposed innovative investments should be quantified as a percentage of the *Applicant's* total *QLICs*. If the *Applicant* receives a *NMTC Allocation*, it may be required to meet the percentage identified in Q.20(c), and such requirement may be a term of its *Allocation Agreement*. If the *Applicant* proposes to pursue innovative *QLICs* by investing in states that have historically received fewer dollars of *QLICs*, the *Applicant* should refer to the Application Q&A to find a list of 10 states (plus Puerto Rico) that have received the least *QLICI* investments through 2012, based on CIIS reporting data.

- ___(c) **Pursue Innovative QLICs.** Demonstrate how the requested *NMTC Allocation* will enable the *Applicant* to engage in innovative uses of a *NMTC Allocation*: (1) investing in *Unrelated CDEs* that do not have *NMTC Allocations*; (2) targeting states identified by the CDFI Fund as having received fewer dollars of *QLICs* historically; (3) providing *QLICs* in amounts of \$2 million or less; (4) revolving *QLICs* to serve more *QALICBs*; and (5) providing *QLICs* for non-Real Estate Activities, such as working capital, inventory or equipment purchase.

(Maximum Response Length: 5,000 characters)

D. Non-Metropolitan Counties

TIP: As provided for in Section 102(b)(6) of the Tax Relief and Health Care Act of 2006 (Pub. L. 109-432), and described further in the *NOAA* and the Q&A document that accompanies this application, the CDFI Fund has established the goal that: (i) 20 percent of all *QLICs* made by *Allocatees* under the this Round are invested in *Non-Metropolitan Counties*; and (ii) a proportionate number of *Rural CDEs* (as defined in the *NOAA*) receive allocation awards.

Applicants are therefore required to provide two target estimates below: a minimum percentage of *QLICs* the *Applicant* is willing to commit to provide to *Non-Metropolitan Counties*; and the maximum percentage of *QLICs* that the *Applicant* is willing to commit to providing to *Non-Metropolitan Counties*. At the discretion of the CDFI Fund, the *Applicant* may be required to deploy a percentage of its allocation at or above the minimum indicated in Question #21(b), but not more than the percentage indicated in Question #21(c); and such requirement shall become a condition of its *Allocation Agreement* with the CDFI Fund.

An *Applicant* that presents a minimum of a three-year track record of direct financing in Exhibit A, responds “Yes” to Question #21(a) (including an appropriate supporting narrative), commits to a figure of 50 percent or greater in response to Question #21(c) may be deemed to be a *Rural CDE*, and may

be eligible to receive special consideration for a *NMTC Allocation* in accordance with the process outlined in the *NOAA*. See the Application Q&A.

An *Applicant* may receive a larger *NMTC Allocation* than would otherwise be the case, regardless of designation as a *Rural CDE*, if the CDE: (i) makes a minimum commitment of 20 percent or greater in response to Question #21(b); (ii) has a track record of providing direct financing in *Non-Metropolitan Counties* and a strong strategy for deploying NMTC investments in these communities; (iii) and is ranked highly enough to be considered for an allocation.

In accordance with the *NOAA for this Round*, in the event the CDFI Fund adds additional *Rural CDEs* to the *Allocatee* pool in order to achieve the targeted percentage of investment in *Non-Metropolitan Counties*, *Applicants* that commit to providing at least 20 percent of their *QLICs* in *Non-Metropolitan Counties* will not be subjected to award reductions, and therefore may receive a larger NMTC allocation award than may have otherwise been the case.

21. Non-Metropolitan Counties

- (a) Have at least 50 percent of the *Applicant's* (or *Controlling Entity's*) total direct financing dollars over the past five years, as shown in Exhibit A, been directed to *Non-Metropolitan Counties*?

_____ Yes _____ No

- (a) Does the *Applicant* intend to secure investments from partnership entities that will leverage non-*Equity Investments* (e.g., debt, grant dollars) from outside of the partnership to increase the tax credit yield for members of the partnership?

_____ Yes _____ No

- (b) If Yes, provide the percentage of equity versus non-equity investments for all such investor partnerships based on the Applicant's requested NMTC Allocation.

_____ % *Equity Investments*

_____ % *Non-Equity Investments*

37. Investment Strategy

- (a) Has the *Applicant* (either directly or through a subsidiary CDE) received QEI(s) from investor(s) between January 1, 2009 and the due date for the 2014 NMTC Allocation Application?

_____ Yes _____ No

If "Yes," complete Table E2.

TIP: *Applicants* who have issued at least one QEI to investors between January 1, 2009 and the due date for the 2014 NMTC Allocation Application are required to complete Table E2, but are not required to complete Table E3 or submit investor letters.

TIP: All *Applicants* completing Table E3 are required to submit, along with their applications, documentation demonstrating proof of investor interest (e.g., *Commitment* letters; *Letters of Interest/Intent*). Investor letters should identify whether the investor will make a direct investment in the CDE or into a partnership. *Applicants* that answer Yes to Question #36(a) and complete Table E2 are required to submit, along with their applications, documentation demonstrating proof of the interest of the equity investors and debt providers (e.g., letter indicating intent of equity or debt investor to provide capital to the partnership entity that will provide the *QEI* to the *Applicant*). Be sure to follow the directions in the *Applicant* Instructions section for information regarding the submission of these documents.

If the *Applicant* answered "Yes" to Question #36(a) and plans to source *non-Equity Investments* from sources that are specific to particular *QALICBs*, the *Applicant* should discuss this strategy in the response to Q. 37(b) to the extent that it may invest in *QALICBs* that have not yet been identified at the time of the *Allocation Application*.

- (b) If "No" to Question #37(a) above, has the *Applicant* provided investor *Commitments* or *Letters of Intent/Interest* for investors listed in Table E3?

_____ Yes _____ No

If "Yes" to Question #37(b) above, discuss the *Applicant's* strategy for securing investments from alternative investors in the event that the investors listed in Table E3 are unable or unwilling to make the anticipated investments. If the *Applicant* intends to secure investments from partnership entities that will leverage *non-Equity* investments (e.g., debt, grant dollars) be sure to address the strategy for identifying and securing both *Equity* investments and *non-Equity* investments.

(Maximum Response Length: 5,000 characters)

(c) If “No” to Question #37(b) above, discuss the *Applicant’s* strategy for securing NMTC investor *Commitments*:

- The *Applicant’s* strategy for identifying additional equity investors or non-equity providers (if utilizing a partnership model), including the extent to which the *Applicant* will be utilizing community alliances or strategic partners to raise investment capital.
- The *Applicant’s* timeline for securing investments from equity investors and/or partnerships if the *Applicant* answered yes to Question #36(a) and, any risks that may preclude the *Applicant* from closing such investments, and how the *Applicant* is mitigating such risks.
- If the *Applicant* is using a third-party investment banker to raise capital, describe whether a contract is in place, the terms (actual or proposed) of the contract, and the progress to date that the banker has made in securing *Commitments* from investors. Do **NOT** list these investment bankers in Table E2.

(Maximum Response Length: 8,000 characters)

38. Please respond to the following questions:

(a) Will one or more of the *Applicant’s* current or prospective investor(s) originate or otherwise identify transactions in which the *Applicant* will invest?

_____ Yes _____ No

(b) Will the *Applicant* receive any *QEI*s from *Affiliates*?

_____ Yes _____ No

(c) If the answer to (a) or (b) is yes, provide narrative detailing:

- The name of each such equity investor or non-equity provider;
- The role of each equity investor or non-equity provider with respect to locating, underwriting, and approving each investment;
- Whether each equity investor or non-equity provider offers similar products or services already; and

- If applicable, the extent to which the *Applicant* will offer products with more favorable rates or terms than those currently offered by the equity investor or non-equity provider and/or will target its activities to areas of greater economic distress than those currently targeted by the equity investor or non-equity provider. (Maximum Response Length: 2,000 characters)

TIP: If the *Applicant* has obtained or plans to obtain investments from organizations that also will identify or originate transactions for the *Applicant* or organizations that are *Affiliated* with the *Applicant*, it will score well if: a) the *Applicant's* transactions are more targeted in some way to areas of greater economic distress than those areas that investors are already reaching with their investments or loan originations; or b) the *Applicant's* products and services are offered with more favorable rates or terms than those offered by the investor.

39. Distribution of Benefits:

TIP: The CDFI Fund expects *Applicants* to quantify this information and to be able to demonstrate that there is appropriate sharing between the investor, *CDE*, and borrowers/investees.

- (a) Quantify as best you can, for each anticipated investment type, how economic benefits of the *QEI* will be apportioned amongst:
- (i) the investors (equity and debt), through economic returns (e.g. interest income, investor IRR);
 - (ii) the *Applicant* (or its *Subsidiaries/Affiliates*), through economic returns (including fees).
 - (iii) the *QALICB* investees/borrowers, through lower costs of capital;
 - (iv) if applicable, the unaffiliated end-users through lower costs (e.g., lower tenant lease rates).

(Maximum Response Length: 5,000 characters)

- (b) To the extent there may be any tax credit equity remaining at the end of the seven-year credit period, be sure to address how the residual value will be apportioned amongst investors, *QALICBs*, the *Applicant* and/or its *Affiliates*. Address any terms or conditions the *QALICB* must meet as a term of the distribution.

(Maximum Response Length: 3,000 characters)

- (c) If the *Applicant* generates a profit from its overall NMTC activities, discuss how this profit will be used. (e.g., dollar amount or percentage of profit that will be distributed to investors or shareholders, support additional NMTC or non-NMTC *Low-Income Community* investments, support other activities of the *Applicant* or *Affiliates*, etc.). (Maximum Response Length: 2,000 characters)

B. Sources and Uses of Capital

TIP: In this sub-section, the CDFI Fund seeks to understand both how efficiently the *Applicant* will use *QEI* proceeds and how well it is leveraging other sources of financing in conjunction with the activities undertaken with its *QEI* proceeds. An *Applicant* that intends to invest/re-invest more than 85 percent of its *QEI* proceeds in *QLICs* will be evaluated more favorably, provided that the *Applicant* can reasonably demonstrate that it has other mechanisms in place to support its costs of operations.

40. Will more than 85 percent of the *QEI* proceeds be invested/re-invested in *QLICs*?

___ Yes ___ No If yes, what percentage: ____%.

TIP: An *Applicant* that indicates in Question #40 “yes” and provides a percentage greater than 85 percent will be required to meet the percentage identified above, and such requirement will be a term of its *Allocation Agreement*.

41. Minimum Request Amounts

Is there an absolute minimum amount below which the *Applicant* would be unwilling to accept a *NMTC Allocation*?

_____ Yes _____ No

If Yes, provide the amount \$_____. Describe how this amount was determined. Be sure to address why the *Applicant* could not administer a smaller award:

(Maximum Response Length: 1,000 characters)

TIP: At the conclusion of the CDFI Fund's review process, if the *Applicant* is recommended to receive less than the minimum amount of allocation authority identified in Question #41, the CDFI Fund **will not** provide a *NMTC Allocation* to the *Applicant*. An *Applicant* with a high minimum allocation request will need to demonstrate that it can raise and deploy the *NMTC Allocation* requested in a timely manner; that it will likely achieve significant community impacts or production innovations; and that it could not successfully implement its business strategy without this minimum allocation amount.

PART V: INFORMATION REGARDING PREVIOUS AWARDS

Information in Part V is not scored during the Phase I stage of the Application review. Information provided in this section will be evaluated during the Phase II stage of the Application review. For more information on the NMTC Application review process, please consult the NOAA.

42. CDFI Fund Award Status:

Has the *Applicant* and/or any of its *Affiliates* previously received a financial award (not including a *NMTC Allocation*) from the CDFI Fund?

___ Yes ___ No

If Yes, please list the award(s) in the table. The *Applicant* may use additional space as necessary:

Name of *Awardee*:

Award control number:

Total award amount:

Name of *Awardee*:

Award control number:

Total award amount:

43. *NMTC Allocation* Status:

Has the *Applicant* and/or any of its *Affiliates* received a *NMTC Allocation* from the CDFI Fund in a prior allocation round?

___ Yes ___ No

If No, please skip Question #44. If Yes, please list the allocation(s) in the table. The *Applicant* may use additional space as necessary:

Name of *Allocatee*:

Award control number:

Total allocation amount:

Name of *Allocatee*:

Award control number:

Total allocation amount:

TIP: *Applicants* should only list *NMTC Allocations* that have been directly awarded to the *Applicant* and/or any of its *Affiliates*. Do include information on *NMTC Allocations* awarded to *CDEs* if the *Applicant's* only relationship to that *CDE* is through a *QEI* made into the *CDE* by the *Applicant* or an *Affiliate* of the *Applicant*.

44. If the *Applicant* answered Yes to Question #43, briefly explain the status of its previous allocation award(s). Be sure to address:

- (a) The number and dollar amount of *QEIs* issued on each award and the number and dollar amount of *QLICIs* made with each award.

(Maximum Response Length: 2,000 characters)

- (b) If the *Applicant* has made *QLICIs*, describe the types of transactions that have been financed to date. The *Applicant* must discuss the projects that received the largest *QLICIs* in each of *Applicant's* three most recent *Allocations*. (If a single project received the *QLICIs* from more than one of the past three awards, substitute the second largest project from the more recent award). If the *Applicant* has received less than three *Allocations*, it should discuss the three projects that received the largest investments in the last five years.

For each project identified, describe how *NMTC* proceeds were used to finance transactions that would not have otherwise occurred.

- Any community outcomes or benefits that were generated as a result of the transaction.
- The source(s) and amount(s) of leveraged debt (including the percentage of leverage sources derived from project sponsor equity), if any.
- Any investment-related fees and third-party expenses paid by the *QALICB* or the *QALICB's* affiliates that were paid either to the *Applicant*, its *Affiliates*, *QEI* investors or directly to any other parties in connection with consideration or receipt of the *QLICI*

investment(s) (e.g., fees and expenses associated with leverage debt, accounting, legal, etc.).

(Maximum Response Length: 10,000 characters)

- (c) If the *Applicant* co-invested in a project(s) with other *CDEs*, explain what actions the *CDE* took to control expenses paid by *QALICBs* and investors. (e.g., *CDE* used one set of documents, shared professional expenses, etc.).

(Maximum Response Length: 3,000 characters)

(d)

Discuss whether the activities undertaken with the NMTC dollars were consistent (with respect to product offerings; markets served; rates and terms; etc.) with the business strategy presented in the relevant *Allocation Application*. If the activities were not consistent with the relevant *Allocation Application*, describe the inconsistencies.

(Maximum Response Length: 3,000 characters)

TIP: Receipt of a prior award or allocation through any of the CDFI Fund's programs will not affect the likelihood of an *Applicant* receiving a *NMTC Allocation* in this round. The CDFI Fund will examine the compliance status of *Applicants* (or their *Affiliates*) that have previously received CDFI Fund awards or allocations.

TIP: An *Applicant* that has received (or whose *Affiliates* have received) a *NMTC Allocation* under a previous allocation round is NOT eligible to receive allocations under this allocation round unless the prior-year *Allocatee* has met certain minimum threshold requirements regarding the issuance of its *QELs*. Be sure to review the *NOAA* for this Round for additional information regarding this and other requirements pertaining to *Applicant* eligibility under this Round.

TIP: The CDFI Fund will review transaction-level data submitted by *Applicants* that are prior year *Allocatees* through the *Community Investment Impact System (CIIS)* and may seek additional information from *Applicants*, to determine whether activities and the *QLICs* made were consistent with the transactions and activities proposed in the relevant prior-year *Allocation Application(s)*.

- (e) To the extent the *Applicant's* past transactions have been structured to allow *QALICBs* to acquire a portion of *QLICs* through a put/call option at the end of the seven-year compliance period, please quantify the value of the investment acquired by the *QALICBs* at the end of the seven-year compliance period both as a dollar amount and as a percentage of total *QLICs*.

(Maximum Response Length: 2,000 characters)

TIP: Applicants and/or any Affiliates that have shared Control of a CDE (or subsidiary of a CDE) that is a prior round Allocatee should answer “Yes” to Question #45 and provide requested responses.

TIP: Applicants providing responses to Question #45 need only make one entry per Allocatee, per award for which the Applicant has provided QEIs regardless of the number of individual QEIs made to that Allocatee under a single award. For example, if an Applicant has made 10 QEIs in Allocatee X under its second round allocation, then the Applicant would provide the aggregate amount of those 10 QEIs in its response to Question #45.

45. Other than those activities already identified and discussed under Question #44, has the Applicant and/or any of its Affiliates: i) made a QEI into a CDE (or subsidiary of a CDE) that received a NMTC Allocation in a prior round; or ii) assumed Control of a CDE that received a NMTC Allocation in a prior round?

_____ Yes _____ No

If Yes, please provide responses to the following:

(a) List the allocation(s) and total QEIs invested per allocation in the table. The Applicant may use additional space as necessary.

Name of Allocatee:

Award control number:

Total QEI amount invested:

Name of Allocatee:

Award control number:

Total QEI amount invested:

(b) Discuss the types of transactions that have been financed to date with QEI proceeds, with particular emphasis on how QEI proceeds were used to finance transactions that would not likely otherwise have occurred, and any community outcomes or benefits that were generated as a result of the transactions:

(Maximum Response Length: 5,000 characters).

EXHIBIT A: TRACK RECORD OF ACTIVITIES

Instructions for Exhibit A: Applicants must complete the Tables A1-A3 in Exhibit A for any QLICI-like activities for which the Applicant has a track record (excluding investment in *Unqualified NMTC Business Activities*). Applicants must complete Table A4 for any *Unqualified NMTC Business Activities*. An Applicant must provide information for the past five years or for as many years as the Applicant has been in operation if it has been in operation for fewer than five years. An Applicant, at its discretion, may choose to rely upon the track record of its *Controlling Entity*. **In order to list the track record of the Controlling Entity in Exhibit A, the Applicant must designate a Controlling Entity in Question 3. If the Applicant chooses to complete one table with information from the Controlling Entity, it must also use the Controlling Entity for Table D1 and Table E2.**

TIPS for Exhibit A, Tables 1-4:

- 1) Where indicated in Table A1, enter the dollar amount of debt financing provided by the Applicant (or Controlling Entity) in row 2a. In row 2b, enter the dollar amount of equity financing provided by the Applicant (or Controlling Entity). Enter all financing from other sources in row 3. Rows 2 and 4 will automatically calculate based on your entries in rows 2a, 2b and 3. The Applicant may discuss in Question #17 any role the Applicant (or Controlling Entity) played in leveraging or facilitating financing it did not originate.
- 2) For the purpose of completing Tables A1-A4, the Applicant must choose to either include its own track record or that of its Controlling Entity's. If the Applicant chooses to use its own track record it may not include its Controlling Entity's activities. However, if the information reflects the activities of the Controlling Entity, it may include, in the aggregate, the track record of all and any Subsidiaries of the Controlling Entity, including the Applicant. The Applicant may discuss track records of both the Applicant and Controlling Entity in the narrative to Questions #17 or #18 (as applicable). The narrative should clearly distinguish between the track records of each entity.
- 3) The Applicant must distinguish between direct financing completed by the Applicant or its Controlling Entity, as indicated in Table A1, row 2 and Table A4, row 1 and financing provided by third party sources, entered in Table A1, row 3 and Table A4, row 2. Applicants should not enter the same data in more than one row.
- 4) Tables A1-A4 should be mutually exclusive. Applicants should not enter the same data in more than one Table in Exhibit A.
- 5) Refer to the TIP before Question #13 and Glossary of Terms regarding how to classify Real Estate QALICBs vs. Non-Real Estate QALICBs. An Applicant that has received prior NMTC Allocations should report track record activities using the definitions provided in this Round's Allocation Application, not definitions from previous Allocation Applications.

The Tables in Exhibit A reflect the activities of (check one): *Applicant* *Controlling Entity*

EXHIBIT B: PROJECTED ACTIVITIES

Instructions for Exhibit B: All *Applicants* must complete the tables in Exhibit B based on the *QLICI* activities checked in Question #13.

TIPs for Exhibit B:

- 1) If the *Applicant* intends to transfer all or part of its *NMTC Allocation* to its *Subsidiaries*, combine the activities of the *Applicant* and its *Subsidiaries*. Only include those activities to be carried out by the *Applicant* and its *Subsidiaries* relating to equity raised with *NMTCs*.
- 2) Only include amounts the *Applicant* (or its *Subsidiaries*) will itself originate (e.g., do not include participation amounts that will be originated by third-parties). The *Applicant* may separately discuss amounts it will leverage or facilitate in the narrative to Question #19, but should clearly distinguish these amounts and should not include them in the tables in Exhibit B.
- 3) The data included in the tables in Exhibit B, in the aggregate, should not exceed the *Applicant's* total allocation request unless the *Applicant* intends to invest interest, dividends, or other profits received from *QEI* proceeds into additional *QLICIs*. If the *Applicant* is pursuing such a strategy of reinvestment, it should be further described in the narrative to Question #19, and listed separately in lines 5-8 of Tables B1, B2, and B3; lines 5-6 of Table B4; and line 4 of Table B5. **Do not consolidate reinvestment data into lines 1-4, where the *Applicant* should only discuss original *QLICIs*.**
- 4) Refer to the TIP in Question #13 and Glossary of Terms regarding how to classify *Real Estate QLICBs* vs. *Non-Real Estate QALICBs*.

TIP: Tables B1-B4 should be consistent with the information provided in Question #13.

EXHIBIT C: STAFF AND BOARD QUALIFICATIONS

Instructions for Tables C1 and C2: The *Applicant* should complete Table C1 and Table C2 in their entirety. Please note that Table C1 allows the *Applicant* to identify key personnel that have experience in multiple management areas. *Applicants* are to list no more than 15 individuals in Table C1. *Application* reviewers will be instructed to evaluate only the initial 15 individuals listed in Table C1 for scoring purposes. For each narrative response in Questions #29-31 and their corresponding sub-sections, reference and discuss the combined management experience of all individuals listed in Table C1 as it relates to the *Applicant's* management capacity in that given area. An *Applicant* must also identify any consultant(s) contracted to write either portions or the entirety of their *Allocation Application*.

EXHIBIT D: ASSET MANAGEMENT AND INCOME & OPERATING EXPENSES

Instructions for Table D1: For each of the past three fiscal years, indicate the total number and dollar amount of loans and equity investments outstanding to both non-real estate and real estate businesses. For each fiscal year end, report in rows 4 and 9 the percentage of loans and mandatory dividend payments, on a dollar basis, that were 90 days past due (e.g., the combined dollar amount of principal, mandatory dividend, and interest payments 90 days or more past due / the total dollar amount of loans and equity investments outstanding at fiscal year-end). In rows 5 and 10, enter the total dollar amount of capital from loans and equity investments written off during the fiscal year (e.g., total dollar value of loans and/or equity investments written off less capital recovered). If the *Applicant* (or *Controlling Entity*) has not made loans to either non-real estate or real estate businesses, check the corresponding “N/A” box. If the *Applicant* (or *Controlling Entity*) has no delinquencies at the end of a particular fiscal year, indicate “0” in lines 4 and 9, as appropriate. If the *Applicant* (or *Controlling Entity*) has had no write offs of loans and/or equity during a particular fiscal year, indicate “0” in lines 5 and 10, as appropriate. **If the Applicant chooses to complete one table with information from the Controlling Entity, it must do so for all Tables where Controlling Entity is an option.**

The information in Table D1 reflects the activities of (check one): *Applicant* *Controlling Entity*
