

altitude from 0 to 5,000 ft. The radar altimeter measures the time (analogous to distance) required for a pulse of electromagnetic energy to travel from the aircraft to the ground and back to the aircraft. The output of the AN/APN-194 is fed into the autopilot of the aircraft to control the altitude of low-flying aircraft. The AN/APN-194 employs a narrow-pulse transmission in the C-band range with leading edge tracking of the echo pulse. Altitude range information is obtained by comparing the received echo pulse with a timed ramp voltage generated simultaneously with the transmitted pulse.

i. The AN/ASN-163 is a 5-channel Miniature Airborne GPS Receiver (MAGR) that provides Over-The-Horizon and secure navigation capabilities using satellite information.

j. The AN/AVS-9 is a dual tube night vision goggle. Third generation image intensifiers are standard for military night vision. The goggle offers high resolution, high gain, photo response to near infrared, and exceptional reliability. There are helmet mount configurations designed for fixed-wing and rotary-wing applications, adapting to most aviator helmets.

2. If a technologically advance adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures that might reduce weapon system effectiveness or be used in the development of a system with similar advanced capabilities.

3. A determination has been made that the GOI can provide substantially the same degree of protection for the sensitive technology being released as the U.S. Government. This sale is necessary in furtherance of the U.S. foreign policy and national security objectives as outlined in the Policy Justification.

4. All defense articles and services listed in this transmittal have been authorized for release and export to the Government of Israel.

DEPARTMENT OF EDUCATION

Application for New Awards; Indian Education Formula Grants to Local Educational Agencies

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice.

Overview Information

Indian Education Formula Grants to Local Educational Agencies Notice inviting applications for fiscal year (FY) 2014.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.060A.

Dates:

Part I of the Formula Grant Electronic Application System for Indian Education (EASIE) Applications Available: January 27, 2014.

Deadline for Transmittal of Part I Applications: February 28, 2014.

Part II of the Formula Grant EASIE Applications Available: March 31, 2014

Deadline for Transmittal of Part II Applications: May 30, 2014.

Note: Applicants must meet the deadlines for both EASIE Part I and Part II to receive a grant. Any application not meeting the Part I and Part II deadlines will not be considered for funding. Failure to submit the required supplemental documentation, described in section IV. 2 *Content and Form of Application Submission*, by the EASIE Parts I and II deadlines will result in an incomplete application that will not be considered for funding. The Office of Indian Education recommends uploading the documentation 20 days prior to each closing date to ensure that any potential submission issues are resolved prior to the deadlines.

I. Funding Opportunity Description

Purpose of Program: The Indian Education Formula Grants to Local Educational Agencies program provides grants to support local educational agencies (LEAs) and other eligible entities described in this notice in reforming and improving elementary and secondary school programs that serve Indian students. The Department funds comprehensive programs that are designed to help Indian students meet the same State academic content and student academic achievement

standards used for all students while addressing the language and cultural needs of Indian students. Such programs include supporting the professional development of teachers of Indian students.

In addition, under section 7116 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), the Secretary will, upon receipt of an acceptable plan for the integration of education and related services, and in cooperation with other relevant Federal agencies, authorize the entity receiving the funds under this program to consolidate all Federal formula funds that are to be used exclusively for Indian students. Instructions for submitting an integration of education and related services plan are included in the EASIE, which is described elsewhere in this notice under *Application Process and Submission Information*.

Note: Under the Indian Education Formula Grants to Local Educational Agencies program, applicants are required to develop the project for which an application is made: (a) In open consultation with parents and teachers of Indian students and, if appropriate, Indian students from secondary schools, including through public hearings held to provide a full opportunity to understand the program and to offer recommendations regarding the program (section 7114(c)(3)(C) of the ESEA); (b) with the participation of a parent committee selected in accordance with section 7114(c)(4) of the ESEA; and, (c) with the written approval of that parent committee (section 7114(c)(4) of the ESEA).

Program Authority: 20 U.S.C. 7421 *et seq.*
Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 84, 97, 98, and 99. (b) The Education Department suspension and debarment regulations in 2 CFR part 3485.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

II. Award Information

Type of Award: Indian Education Formula Grants to Local Educational Agencies.

Estimated Available Funds: The Administration has requested \$105,921,000 for this program for FY 2014. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$4,000 to \$2,823,022.

Estimated Average Size of Awards: \$78,057.

Estimated Number of Awards: 1,300.

Note: The Department is not bound by any estimates in this notice.

Project Period: 12 months.

III. Eligibility Information

1. *Eligible Applicants:* Certain LEAs, including charter schools authorized as LEAs under State law, as prescribed by section 7112(b) of the ESEA, certain schools funded by the Bureau of Indian Education of the U.S. Department of the Interior, as prescribed by section 7113(d) of the ESEA, and Indian tribes under certain conditions, as prescribed by section 7112(c) of the ESEA.

2. a. *Cost Sharing or Matching:* This program does not require cost sharing or matching.

b. *Supplement-Not-Supplant:* This program involves supplement-not-supplant funding requirements. Section 7114(c)(1) of ESEA states that the LEA will use these grant funds only to supplement the funds that, in the absence of these Federal funds, such agency would make available for the education of Indian children, and not to supplant such funds.

IV. Application Process and Submission Information

1. *How to Request an Application:* Applications for grants under this program must be submitted electronically using the Formula Grant EASIE, at <https://eden.ed.gov/Survey/>. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirements, please refer to section IV. 7. *Other Submission Requirements* of this notice.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the person or team listed under **FOR FURTHER INFORMATION CONTACT** in section VI of this notice.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together with the forms you must submit, are in the online application package for this program.

a. *Changes for FY 2014:* For all applicants, we have changed the previous practice of requiring applicants to choose project objectives each year. Applicants can now establish project objectives and corresponding activities/services for up to four years. This will enhance grantees' ability to collect data
