SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Special Education—Personnel Preparation to Improve Services and Results for Children with Disabilities.

OMB Control Number: 1820–0622.

Type of Review: Extension without change of an existing collection of information.

Respondents/Affected Public: Individuals or households, private sector.

Total Estimated Number of Annual Responses: 2,520.

Total Estimated Number of Annual Burden Hours: 3,600.

Abstract: The data collection under this request are governed by 34 CFR 304.1–304.32 regulations that implement section 673(h) of the Individuals with Disabilities Education Act, which requires that individuals who receive a scholarship through the Personnel Preparation Program funded under the Act subsequently provide special education and related services to children with disabilities for a period of two years for every year for which assistance was received. Scholarship recipients who do not satisfy the requirements of the regulations must repay all or part of the cost of assistance in accordance with regulations issued by the Secretary. These regulations implement requirements governing among other things, the service obligation for scholars, oversight by grantees, and repayment of scholarship. In order for the Federal government to ensure the goals of the program are achieved; the collection of data, record keeping, and documentation are necessary.

Title of Collection: G5 System Post Award Budget Drawdown e-Form.

OMB Control Number: 1855–NEW.

Type of Review: A new information collection.

Respondents/Affected Public: Private Sector, State, Local, or Tribal Governments.

Total Estimated Number of Annual Responses: 30,496.

Total Estimated Number of Annual Burden Hours: 30,496.

Abstract: In response to grant monitors need for a better reporting mechanism for grantee budgets, the G5 team developed a new electronic budget form for grantees to complete. This new electronic form requires grantees to detail the budget categories from which they are expending funds in order for Department grant monitors to track more carefully the drawdowns and financial management systems of grantees. Although this form may be used by all grantees, at this time only grantees on cost reimbursement or route payment status will be required to use this form when reporting their budget, requesting funds, and accessing funds.

Current Department regulations sections 74.20–74.28 and 74.50–74.53 address the financial management and reporting requirements of grantees. The new form developed in G5 serves as the mechanism for grantees to report expenditures and track their spending in order to ensure compliance with Department regulations. The currently used budget form, the SF 524, is not comprehensive enough to meet the needs of grant monitors to efficiently and effectively monitor this sub-set of grantees. This new data collection will enhance the ability of grant monitors to track the budgeting of grantees and the management of their funds.
