SBA Form 468 is to be completed only by small business investment companies (SBICs) licensed by the Small Business Administration. This form contains financial statements and supplementary information which SBA uses to evaluate an SBIC's financial condition and compliance with its business plan and SBIC program requirements. SBA also pools financial information provided by individual SBICs to analyze the SBIC program as a whole with respect to the risk of financial loss to the government and the impact of SBIC financings on the growth of small business.

Form 468 must be completed and filed electronically in the SBIC-Web system. Within the system, you may also upload supplemental documents as the form instructs.

SBIC-Web requires an SBA-approved user account. Submit your account request to sbicwebsupport@sba.gov.

Please Note: The estimated burden for completing this form is 35 hours per response if a wind-up plan is required and 25 hours per response if a wind-up plan is not required. You will not be required to respond to this information collection if a valid OMB approval number is not displayed. If you have questions or comments concerning this estimate or other aspects of this information collection, please contact the U.S. Small Business Administration, Chief Administrative Information Branch, Washington, D.C. 20416 and/or SBA Desk Officer, Office of Management and Budget, New Executive Office Building, Room 10202, Washington, D.C. 20503.
