Certification of Accuracy of Information Provided

I certify that the information given in this application is true, complete, and accurate to the best of my knowledge and does not omit any material fact that would render the statement false, fictitious, or fraudulent as a result of the omission. I understand that the information given may be investigated and that any false representation is sufficient cause for rejection of the application, or, if awarded loan repayment, that I am liable for return of all awarded funds and, further, that any false statement may be punished as a felony under U.S Code, Title 18, Section 1001. I am aware that any false, fraudulent, or fictitious statement may, in addition to other remedies available to the Government, subject me to civil penalties under the Program Fraud Civil Remedies Act of 1986.

I authorize any program to which I owe a service obligation to release information about that obligation to administrators of the NIH Loan Repayment Program and to other authorized Government officials

Section 4 - Release and Waiver

Release to Contact Recommenders

I certify that I am requesting recommendation(s) from individual(s) of my choosing that will be included in my NIH Loan Repayment Program (LRP) application. My application, including the completed recommendation forms submitted by my recommenders, will be used by NIH officials to determine my eligibility for participation in an LRP. I understand that the recommendation I am requesting shall be held in confidence and protected from disclosure by officials of the NIH Loan Repayment Programs according to Privacy Act System of Records #09-25-0165 ([see Confidentiality and Privacy Act Notice](#)). I authorize administrators of the NIH Loan Repayment Program and other authorized Government officials to contact the individual(s) I have identified to request any additional information that may be needed in determining my eligibility for participation in an LRP.

Voluntary Waiver of Future Rights to Access Confidential Recommendations

By checking this box, I understand that I will not have access to the recommendations based on the promise of confidentiality made to my recommenders in Section 3.

Public reporting for this collection of information is estimated to average 25 minutes, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a currently valid OMB control number. LRP Tracking Code:

Important: The completion of this form requires accurate and comprehensive information. We recommend that you gather your educational loan information before starting this form. For information on qualifying loans see the [Applicant Information Bulletin](#).

If you have multiple educational loans you will need to complete a separate form for each loan type or lender. For example: if you have 5 loans under the same lender that are the same loan type, then you will need to complete one form for all 5 loans. If all of your loans have been consolidated into one loan account, you need only submit one Loan Information form. [Click here for more information on completing this form](#). The information you provide in this form will be sent to the lending institution for the purposes of verifying the loan type, balance, payment amount, principal and interest, loan purpose, and repayment status, including deferment, grace, and forbearance status.

If your application is approved you will be asked to fax us both the Promissory Note/Disclosure Document AND a current Account Statement (dated within 30 days) for each loan. [Click here for information on faxing financial documents](#).

Instructions: To verify institutional support for your research, please provide contact information for the official at the institution where you are conducting your research who can provide verification of compensation amounts and availability of time and resources to conduct your proposed research. Institutional Officials identified in this form will be contacted by email as soon as you press the SUBMIT button and will be asked to complete an online form on your behalf that will include the option to provide an assurance of one or two years of continuing support and a minimum 50% commitment (20 hours per week) of research effort. Please ensure that all email addresses are entered accurately as once you press SUBMIT you cannot return to this form to make changes.

Important: The official providing this information should be someone authorized to reply for the organization. Common titles for this individual are dean, associate dean, provost or chancellor of research & sponsored programs, or vice president of research administration. If you are not certain whom to name, please consult with your research supervisor or principal investigator.

Note: Several Institutions have provided us with the proper contact for this certification. You may use the list below to check for your institution. If you select one of the organizations from the list, the system will automatically update the contact information for you. You will be allowed to change the information, if needed. If you do not see your institution listed, please enter the Name and Email address of your contact.

Disadvantaged Background

NIH 2674-11

LRP Tracking Code:

An individual from a disadvantaged background (42 CFR pt. 57.1804(c)) is one who comes from a family with an annual income below low-income thresholds according to family size as published by the U.S. Bureau of the Census, adjusted annually for changes in the Consumer Price Index, and adjusted by the Secretary for use in all health professions programs. The Secretary periodically publishes these income levels in the [Federal Register](#). Note that the published levels represent the low-income levels for the period from the year of publication to the present. If you are establishing your eligibility based on a prior year, the published levels for that year will apply. Current financial need alone is NOT sufficient to classify an individual as being from a disadvantaged background.

Instructions for Applicant

Please indicate how you qualify for the Clinical Research LRP for Individuals from Disadvantaged Backgrounds (Intramural or Extramural). Do not complete this form if you are not applying for the Clinical Research LRP for Individuals from Disadvantaged Backgrounds.

- (1) I have received a loan from the Health Professions Student Loans (HPSL) or Loans for Disadvantaged Student Program.
- (2) I have received a scholarship from the U.S. Department of Health and Human Services under the Scholarship for Individuals with Exceptional Financial Need.
- (3) I have a written statement from my former health professions school(s) that I qualified for Federal disadvantaged assistance during attendance at the school.

Important: You must submit this documentation to the NIH Division of Loan Repayment Programs for your application to be complete. You may either upload the documentation using the upload feature on the Application Status page or you may fax it. Your application cannot be considered without this documentation.

U.S. Department of Health and Human Services
National Institutes of Health
NIH Loan Repayment Program Contract

Sections 487A, 487B, 487C, 487E, and 487F of the Public Health Service Act ("Act") authorize the Secretary of the Department of Health and Human Services ("Secretary"), and Section 485G authorizes the Director, National Institute on Minority Health and Health Disparities (NIMHD), to enter into contracts with qualified health professionals under which such professionals agree to conduct research in consideration of the Federal government agreeing to repay, for each year of such service, not more than \$35,000 of the principal and interest of the educational loans of such professionals. In return for these loan repayments, applicants must agree to participate in qualifying research, for an initial period of obligated service of not less than two years (or a minimum of three years for General Research Loan Repayment Program participants), as one of the following: an NIH employee or a health professional engaged in qualifying research at an institution determined by NIH to be eligible to sponsor individuals who engage in qualifying research.

Applicants are required to submit a signed contract which includes the Terms and Conditions of participation in the LRP with their applications. The Secretary/NIMHD Director shall execute only those contracts submitted by applicants who are selected for participation.

The Terms and Conditions for participating in the LRP follow:

Section A - Obligations of the Secretary or NIMHD Director

Subject to the availability of funds appropriated by the U.S. Congress for the NIH and/or the LRP, the Secretary/NIMHD Director agrees to:

1. Pay, in the amount provided in Paragraph 2 of this section, the undersigned applicant's qualifying educational loans. Qualifying health professionals' loans consist of the principal, interest, and related expenses (such as the required interest premium on the unpaid balances of some loans) of qualified Government (Federal, State, and local) and commercial loans obtained by the applicant for the following expenses:

- a. undergraduate, graduate, and health professional school tuition expenses;
- b. other reasonable educational expenses required by the school(s) attended, including fees, books, supplies, educational equipment and materials, and laboratory expenses; and
- c. the cost of room and board, and other reasonable living expenses as determined by the Secretary/NIMHD Director.

2. An applicant must have qualifying educational loans equal to or in excess of 20% of his or her annual NIH base salary (Intramural) or institutional base salary (Extramural) on his or her program eligibility date. This amount is the "debt threshold." Annual income or compensation refers to "institutional base salary," which is the annual amount the institution pays for the applicant's appointment, whether the time is spent in research, teaching, patient care, or other activities. Institutional base salary excludes any income that an applicant may earn unrelated to the duties for the institution. The "program eligibility date" is the date on which his or her contract is executed by the Secretary/NIMHD Director and he or she is engaged in qualifying research.

NIH will repay the educational debt ("repayable debt") as follows:

- a. at the rate of one-fourth of the repayable debt for each year of qualified service up to a \$35,000 annual maximum;

- b. for the first, second, and third year of qualified service, otherwise qualified applicants for the Intramural General Research LRP, who are participating in ACGME accredited clinical training programs, payment of repayable debt will be no more than \$20,000 per year;
- c. one- or two-year continuation renewal contracts, beyond the second year (or third year, for contracts under the General Research LRP), may be competitively offered;
- d. if the applicant's contract is renewed, the NIH will repay at the rate of 50% of the remaining repayable debt for each year of contract renewal, up to the \$35,000 annual maximum (the repayable debt amount is calculated annually); or 100% of the repayable debt if the annual disbursement is \$10,000 or less; and
- e. payments are to be made on a delayed quarterly schedule after completion of qualified research, unless otherwise agreed to by the Secretary/NIMHD Director and the participant.

3. Provide reimbursement for increased Federal tax liability resulting from payments made pursuant to Paragraph 1 of this section in an amount equal to 39% of the total amount of loan repayments made for each tax year in which such payments were made.

4. Payment of qualifying educational loans will be made directly to the lender(s). If there is more than one outstanding qualifying educational loan, the Secretary/NIMHD Director will repay the loans in the following order, unless the Secretary/NIMHD Director determines significant savings would result from paying loans in a different order of priority: (a) HEAL; (b) Other loans issued or guaranteed by the Federal Government; and (c) Other loans.

5. Once a loan repayment contract has been signed by both parties, the Secretary/NIMHD Director shall obligate such funds as will be necessary to ensure that sufficient funds will be available to make loan repayments and tax reimbursements to cover the repayable debt, as defined in Paragraph 2 of this section.

Section B - Obligations of the Participant

The participant agrees to:

1. Provide a description of each of his or her outstanding qualified educational loans and supporting documents, in a form and manner as defined by the Secretary/NIMHD Director;
2. Serve his or her 2- or 3-year minimum period of research service, which commences on the program eligibility date, by conducting qualifying research, as one of the following: an NIH employee or a health professional engaged in qualifying research at an institution determined by NIH to be eligible to sponsor individuals who engage in qualifying research;
3. Provide written verification of the lender's crediting of all LRP payments and resulting account balances within a reasonable time after such payments are credited;
4. Repay the NIH for any sums paid erroneously to his or her lender(s), repay the NIH for any sums advanced to his or her lenders prior to satisfying his or her research service, and assist the NIH in obtaining a refund from his or her lender(s) for such sums;
5. Make payments to lenders on their own behalf for periods of Leave Without Pay (LWOP); and
6. Comply with the provisions of Title 42, U.S. Code of Federal Regulations, Part 68a, Part 68c, and other policies or regulations governing the NIH Loan Repayment Programs, as applicable.

Section C – Breach of Written Loan Repayment Contract

1. In accordance with 42 USC 254o, which addresses enforcement of the National Health Service Corps LRP and will be regarded as equally applicable to the NIH's LRP, any participant who fails to complete the minimum 2- year (or 3-year for General Research LRP) research service obligation required under the initial contract will be considered to have breached the contract and will be subject to assessment of monetary damages and penalties as specified in Paragraph 3 below.

a. Loan Repayment Program participants who are serving as NIH employees, and who are terminated for cause or for the convenience of the Government will not be considered to have committed a breach of contract, and monetary damages and penalties will not be assessed.

b. Occasionally, a participant's assignment may evolve and change so that a determination is reached that he/she is no longer engaged in qualified research. Similarly, the research needs and priorities of the NIH or the sponsoring institution may change, so that a determination is made that the researcher's skills may be better utilized in a research assignment which does not qualify for the LRP. Under these circumstances, the following will apply:

1) Since no authority exists for the Secretary/NIMHD Director to make repayments on behalf of health professionals who are not engaged in qualified research, loan repayments will cease as of the date such determination is made.

2) Normally, job changes of this nature will not be considered a breach of contract on the part of either the Secretary/NIMHD Director or the Loan Repayment Program participant. Based upon the recommendation of the Secretary/NIMHD Director, the Loan Repayment Program participant will be released from the remainder of his/her service obligation without assessment of damages or monetary penalties. Loan Repayment Program participants will be permitted to retain the benefit of all loan repayments made or owed by the NIH on their behalf up to the date of the contract release, except any payments advanced beyond the period of service rendered. Any payments advanced prior to research service must be repaid to the Government.

2. Loan Repayment Program participants who sign a continuation contract for a third, fourth, or subsequent year, and who fail to complete the period specified, will not be subject to monetary damages or penalties. However, any payments advanced beyond the period of research service rendered must be repaid to the Government, pursuant to Section B, Paragraph 4.

3. *Penalties for Failing to Complete the Service Obligation* - In accordance with the statute, the Secretary/NIMHD Director will recover the following from participants who fail to complete the minimum service obligation:

a. If the applicant, for any reason, fails to complete the two-year period of obligated service (three-year period for General Research LRP), he or she shall be liable to the United States for an amount equal to the sum of:

- 1) the total of the amounts paid by the United States to, or on behalf of, the applicant under Paragraphs 1, 2 and 3 of Section A of this Contract for any period of obligated service not served;
- 2) an amount equal to the product of the number of months of obligated service not completed by the applicant, multiplied by \$7,500; and
- 3) interest on the amounts described in (1) and (2) of this paragraph at the maximum prevailing rate, as determined by the Treasurer of the United States, from the date of the breach; except that the amount the United States is entitled to recover shall not be less than \$31,000.

b. Any amount the United States is entitled to recover shall be paid within 1 year of the date the Secretary/NIMHD Director determines that the applicant is in breach of this written Contract.

c. Any obligation of the participant for payment of damages may be released by a discharge in bankruptcy under Title 11 of the United States Code only if such discharge is granted after the expiration of the 7-year period beginning on the first date that payment of such damages is required, and only if the bankruptcy court finds that non discharge of the obligation would be unconscionable.

Section D – Cancellation, Suspension, and Waiver of Obligation

1. Any service or payment obligation incurred by the participant under this contract will be canceled upon the participant's death.

2. The Secretary/NIMHD Director may waive or suspend the participant's service or payment obligation incurred under this contract if:

- a. compliance by the participant with the Terms and Conditions of this contract is impossible or would involve extreme hardship,
- b. and enforcement of such obligation would be unconscionable.

Section E – Contract Termination

1. The Secretary/NIMHD Director may terminate this Contract if, not later than 45 days before the end of the fiscal year in which the Contract was entered into, the individual:

- a. submits a written request for such termination; and
- b. repays all amounts paid on behalf of the individual under Paragraphs 1, 2 and 3 of Section A of this Contract.

The Secretary/NIMHD Director or his/her authorized representative must sign this contract before it becomes effective.

Section 2 - Certification by Applicant

I certify that the information given in this application is true, complete, and accurate to the best of my knowledge and does not omit any material fact that would render the statement false, fictitious, or fraudulent as a result of the omission. I understand that the information given may be investigated and that any false representation is sufficient cause for rejection of the LRP application, or, if awarded loan repayment, that I am liable for return of all awarded funds and, further, that any false statement may be punished as a felony under 18 USC § 1001. I am aware that any false, fraudulent, or fictitious statement may, in addition to other remedies available to the Government, subject me to civil penalties under the Program Fraud Civil Remedies Act of 1986.

Funding Information

NIH 2674-19

LRP Tracking Code:

Instructions: Indicate below the **non-profit** source(s) of the funding that will support your research activities over the term of the LRP contract. If your research is supported by grants it is not necessary for you to be named on the grant to include the grant information. If listing grants, please include the total value of the grant not just your portion.

This is not intended to provide information on what source is supporting you directly (i.e. your salary). Salary is only appropriate if you have no other source of funding. For example: if your non-profit employer is the sole source of your research funding, then list your non-profit employer in Section 1 and select "salary" or "Institutional Start Up funds" for the funding category.

At least one non-profit or NIH funding source must be identified. Funding information will be used for NIH program evaluation only. The source of your funding will not be used in the review of your application.

This form will lock only when you submit the complete application.

Section 1 - Non-Profit or Government Research Funding Sources - Not From NIH

Instructions: Complete this section if your research will be supported entirely, or in part, by **non-profit** or government funding sources (non-NIH grant). List up to three non-profit or government funding sources in descending order of funding amount. Only include your non-profit employer if your non-profit employer is your only non-profit funding source. If funding will start in the future list the anticipated date of funding as the start date. Only list grant support from the NIH in **Section 3** and National Research Service Awards (NRSA) Fellowships support in **Section 2**.
