

ATTACHMENT 11: Respondent Universe plus Sample Size

CPS universe (119 million U.S. households).

CPS sample selected (72,000 households per month).

CPS eligible (60,000 households per month).

TUS-CPS eligible (54,000- 55,000 households per month). This is also equal to ~ 100,000 per month TUS-CPS eligible respondents (because more than 1 per household may respond).

85,000 TUS-CPS eligible respondents per month interviewed.
Interviews will occur in July 2014, Jan 2015, and May 2015.
