We may also use the information you provide in computer-matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. We use the information from these programs to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of incorrect payments or delinquent debts under these programs.

A complete list of routine uses of this information is available in our Privacy Act System of Records Notice 60-0089, entitled, Claims Folders Systems.
