Quality of Family-Provider Relationships in Early Care and Education
Early Education/Care Provider Consent Form**

Child Trends is doing a research study with individuals who provide care or education for young children. This is information that we ask you to use in deciding whether or not you want to take part in the study. You will be given a copy of this form to keep for yourself.

1. Goal:

The goal of our study is to develop questions about relationships between parents and those that care for/teach their young children. The questions will be used in national surveys, research studies, and program evaluations.

2. What will you need to do:

If you agree to be part of the study, you will be interviewed for about two hours. During the interview, we will ask you about relationships between parents and those that care for/teach their children. We will ask you to:

- Give us your thoughts about the meanings and wording of questions;
- Talk about how clear the questions are;
- Ask about any problems you think child care providers/teachers may have understanding the questions;
- Give ideas about how to word questions; and
- Talk about aspects of relationships between parents and those who care for/teach their children.

3. Risks and Benefits to Participants:

We will not be talking about any sensitive topics so the risks are minimal. However, there is some risk of loss of privacy of the things you tell us. You do not have to answer any questions you do not want to.

There are no costs related to the study other than the time needed to be part of the interview. We cannot be sure that everyone will benefit from being a part of the interview, but talking about this topic with others can be a learning opportunity. And, the results will

help us improve questions about relationships that parents and teachers/caregivers have. To thank you for your time, you will receive \$50 at the end of the interview.

4. Privacy:

Everything you tell us will remain as private as possible. We will combine what you and other tell us. Before we get started, I want to tell you about the study and what we will be doing today.

INTERVIEWER: IF THE PARTICIPANT IS A FAMILY-BASED PROVIDER AND THE OWNER OF THE FAMILY-BASED PROGRAM AND THE PROVIDER INTERVIEW HAS ALREADY BEEN CONDUCTED AND THE RELEVANT INFORMATION COLLECTED, SKIP SECTIONS OF THE INTRODUCTION AND GO TO THE BOTTOM OF PAGE 3.

INTERVIEWER: Before we get started, I want to go over a few more things.

(As I mentioned earlier,) The goal of our study is to develop questions about the quality of relationships between providers of early care and education for children under the age of 6 and their families. We want to make sure that the questions we develop are easy to understand. In order to learn more about the interactions between parents and teachers/care providers, we would like to talk with [center directors/those who run family child care programs] about their [centers/family child care programs]. I will ask you to answer questions that have been developed by others and ask you for your feedback.

I will ask you to complete sections of the survey one-by-one. After you've completed each section, I will ask follow-up questions. Sometimes, I will ask you what your answer was to a question. Other times, I will ask you why you answered a question the way you did or what a certain term meant to you. Please remember there are no right or wrong answers.

So that we get the most from your help, it is very important that you tell me when something in a question does not make sense to you or seems weird to you in any way. Please tell me anytime if:

- a question seems hard to answer,
- the words in the question are hard to understand,
- you have a hard time coming up with an answer,
- the words in the question are not the ones that center directors/those running family child care programs would use,
- you think other center directors/those running family child care programs may not understand,
- you think the questions don't apply to you or make sense to ask of center directors/those running family child care programs, or
- you don't have the information to answer the question.

Any questions?

Okay, let get started.

So that we can better understand your answers, I'd like to ask you a few questions about your job.

There are a lot of terms that people use to describe child care and early education programs. What about you?

IF NEEDED: What terms do you use?

- Are there any others?

IF CENTER DIRECTOR: What terms do you use to refer to the people who work directly with the children and their families?

- Are there any others?
- Would you use the term "providers?"

Now let's talk about your position. Can you give me your job title? What do you call yourself?

Briefly, can you walk me through a typical work day?

IF NEEDED: For example, what does your day look like? What are your main roles and responsibilities?

IF NEEDED: Do you serve in other capacities? For example, do you provide care/teach or work with children?

IF HEAD START: Do you also serve as a Family Service Worker?

IF IN-PERSON INTERVIEW: GIVE R QUESTIONNAIRE PACKET

IF PHONE INTERVIEW: ENSURE R HAS QUESTIONNAIRE PACKET

I'd like you to open the package (as you would if you received it in the mail). Don't answer any questions, just do whatever you would do if you (just) received it in the mail and were opening it in your home or place of business.

IF OVER THE PHONE: As you are doing this, please describe to me what you are doing.
[INTERVIEWER: TAKE NOTES ON WHAT THEY LOOKED AT, READ, OR NOTICED AND THE ORDER IN WHICH THIS WAS DONE.]

IF R SELECTED TO PROVIDE FEEDBACK ON RECRUITMENT MATERIAL: At the end, I will ask you some follow-up questions about the letter and brochures I included in the envelope.

INTERVIEWER: I'd like to move to the questionnaire that is included in your packet. Let's start with page 1. Please read and answer the questions on page 1. Take as much time as you need and let me know when you are done.

In the following pages, we will ask questions about your early education and child care program. We will also ask about the physical environment, the parents and families of children enrolled in your program, and the providers you employ.

1. How many children are enrolled in your program?

Now I'd like to move to the [2nd/3rd] survey in your packet.

As you know, the goal of our study is to develop easy-to-understand questions about the quality of relationships between child care providers/teachers and the families of the children they serve. As a part of that, we are interested in learning more about the physical environment of the early care and education setting that you work in/your child participates in. We will also be asking about services that THE PROGRAM/CARE SETTING/YOU may offer.

(As in the previous surveys) I will ask you to complete sections one-by-one and after you've completed each section, I will ask follow-up questions.

READ ONLY IF NECESSARY: Some of the time, I will ask you what your answer was to a question. Other times, I will ask you why you answered a question the way you did or what a certain term meant to you. Please remember that there are no right or wrong answers.

So that we get the most from your help, it is very important that you tell me when something in a question does not make sense to you or seems weird to you in any way. Please tell me anytime if:

- a question seems hard to answer,
- the words in the question are hard to understand,
- you have a hard time coming up with an answer,
- you don't have the information to answer the question, or
- the words in the question are not the ones that PARENTS/PROVIDERS/TEACHERS would use.

Do you have any questions about this?

Okay, let get started.
