Dear JOHN PUBLIC,

You have been selected to participate in this year's National Migratory Bird Harvest Survey. We only select a small percentage of the nation's hunters for this annual survey, so your response is important **EVEN IF YOU DO NOT HUNT MIGRATORY BIRDS THIS SEASON.**

We are asking you to tell us about your snipe hunting in Alaska during the 2012 hunting season. Please use the attached diary to record the details of your hunt each time you go snipe hunting in Alaska. Please read the instructions on the diary form, fill it out **completely**. After the season is over or when you are done hunting in Alaska, send the completed form back to us in the enclosed postage-paid envelope. **Please refer to the enclosed map of Alaska and write the number of the zone in which you hunted in the space marked "County of Hunt."** If you receive this survey too late for you to remember all of the details of your hunts, please fill out the lower portion of the form labeled **"SEASON TOTALS."**

Your response is very important, whether you bag any birds or not. If you don't hunt snipe at all this season, please mark the "Did not hunt" box at the upper right portion of the form and return it to us. If you do hunt snipe, please **ONLY REPORT YOUR OWN PERSONAL HUNTING** activity and harvest. We also ask that you please keep track throughout the season of birds that you knocked down, but could not retrieve. Record this total number on the lower portion of the form labeled "SEASON TOTALS."

To protect your privacy, we will not associate your name with your hunting records after the survey is completed. If you have any questions or need more information about this survey, please write us at the above address, call us toll-free at 1-800-419-2965 from 7:30am-4:00pm EST, or go to <http://hip.fws.gov>. You can request additional forms through this website: <http://migbirdapps.fws.gov/hipweb>. Thank you in advance for your time and your participation in this year's National Migratory Bird Harvest Survey.

Sincerely,

James B. Bortner, Chief
Division of Migratory Bird Management
