INSTRUCTIONS FOR NON_NATIVE FORM

Tusks from each walrus should be tagged in pairs

- Record the date tusks are tagged.
- Village or town where tusks are tagged.
- Record tag number of plastic-headed wire tag used for left tusk. (Use non-Native blue tag)
- Record tag number of plastic-headed wire tag used for right tusk. (Use non-Native blue tag)
- Record the date found.
- Age of walrus. A = Adult, male with tusks 12 inches or longer; female with tusks 8 inches or longer. SA = Sub-Adult, male with tusks showing that are less than 12 inches; female with tusks showing that are less than 8 inches.
- Sex of walrus: M = male; F = female; U = unknown.
- Measure and record tusk circumference at gum line (see example above).
- Measure and record tusk length from gum line to tip along front side following the curve of the tusk (see example above).
- Record exact location of kill or find. For example – 3 miles east of Barrow or 6 miles S.W. of South Cape, St. Lawrence Island. Be specific.
- Record tag number for polar bear skull. (use black non-Native polar bear tag)
- Record tag number for sea otter skull. (use black non-Native sea otter tag)
- Record location and date collected of any polar bear, sea otter or (non-tusk) walrus hard part. (only use tags on walrus ivory or sea otter and polar bear skulls, describe other hard parts from these animals here)
- Record any information of interest about the beach found hard part collected.
- Print the name of the person that collected the hard part.
- Print the collector's address.
- Print the collector's phone number.
- Print the collector's date of birth.
- The collector signs here.
- Print the taggers name.
- The tagger signs here.

After completing certificate, give pink copy to hunter, return white copy to our office (address Below), and retain the yellow copy in book for your records.

NOTICE

Paperwork Reduction Act and Privacy Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised that:

1. The gathering of information on marine mammals harvested by Alaska Natives is authorized by :
 - (a) The Marine Mammal Protection Act of 1972 (16.S.C. 1379(i)); and
 - (b) Title 50, Part 18 of the Code of Federal Regulations.
2. Information requested on this form is required to obtain a benefit and comply with statutory and regulatory requirements. This information is being collected to monitor the subsistence harvest of marine mammals and will be used to obtain essential biological data necessary to manage the species. The collection of this information will also help control the illegal take, trade, and transport of specified raw marine mammal parts. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed.
3. Routine use disclosures may be made:
 - (a) To the U.S. Dept. of Justice when related to litigation or anticipated litigation;
 - (b) Of information indicating a violation or potential violation of a statute, regulation, rule, order or license to appropriate Federal, State, local or foreign agencies responsible for investigation or prosecuting the violation or for enforcing or implementing the statute, rule, regulation, order or license;
 - (c) From the record of an individual in response to an inquiry from a Congressional office made at the request of that individual (42 FR 1903; April 11, 1977)
4. All names will be removed when we compile results, and only summary information will be reported.
5. The relevant burden to report information required on this form and have the specified parts marked or tagged is 15 minutes. Direct comments regarding the burden estimate or any other aspect of the form to Service Information Clearance Officer, Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington, D.C. 20240.

Freedom of Information Act

For organization, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].

Application Processing Fee

There is no fee associated with this form.
