

Justification for Non-substantive change request to ICR 1235-0008

This information collection was submitted for renewal and approved in January 2012 with a current expiration date of January 2015. The collection is being submitted to correct two spelling errors on page two of the WH-347 form. The corrected form has been uploaded as an instrument and an additional version with notes highlighting the changes to the form has been added as a supplementary document for your review.
