Dear Applicant:

Thank you for your interest in applying for a grant under the fiscal year (FY) 2014 competition for new awards under the Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) Program. The purposes of the PPOHA program are to provide grants to: (1) expand postbaccalaureate educational opportunities for, and improve the academic attainment of, Hispanic students; and (2) expand the postbaccalaureate academic offerings as well as enhance the program quality in the institutions of higher education that are educating the majority of Hispanic college students and helping large numbers of Hispanic and low-income students complete postsecondary degrees.

Please note that Sections 511-514 of Title V, Part B, of the Higher Education Act (HEA) of 1965, as amended, apply to this competition. This letter highlights a few items in the application package that will be important to you in applying for grants under this program and additional information you may be required to provide. Please review the entire application package carefully before preparing and submitting your application.

In order to receive a grant under the PPOHA program, an institution of higher education must offer a postbaccalaureate certificate or postbaccalaureate degree program and have applied for and been designated as an eligible institution in accordance with eligibility requirements under Title V of the HEA. To be an eligible HSI for the PPOHA program, an IHE must:

(1) Be accredited or pre-accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(2) Be legally authorized by the State in which it is located to provide an educational program for which it awards a bachelor's degree;

(3) Be designated as an "eligible institution" by demonstrating that it: a) has an enrollment of needy students as described in 34 CFR 606.3; and b) has low average educational and general expenditures per full-time equivalent (FTE) undergraduate student as described in 34 CFR 606.4; and

(4) Have an enrollment of undergraduate FTE students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application.

In order to receive a grant under the Developing Hispanic-Serving Institutions Title V program, an institution of higher education must have applied to be and been designated as an eligible institution. The Notice Inviting Applications for the Designation as an Eligible Institution was published in the Federal Register on January 13, 2014, and the deadline for applications was March 7, 2014. A second Notice Inviting Applications for the Designation as an Eligible Institution was published in the Federal Register on (insert date), 2014 and the deadline for applications was (insert date), 2014. In addition to basic eligibility requirements, an institution must have at least 25 percent enrollment of undergraduate full-time equivalent (FTE) Hispanic students at the end of the award year immediately preceding the date of application.

The Department will cross-reference, for verification, documentation reported to the Department's Integrated Postsecondary Education Data System (IPEDS), the institution's state reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution's undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the

IPEDS data are inaccurate. Please note that a replication or copy of the instructions is not evidence that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.

Applications for FY 2014 grants under the PPOHA Program must be submitted electronically using Grants.gov. An applicant who is unable to submit through Grants.gov must submit a written waiver of the electronic submission requirement at least two weeks before the deadline date. Additional information about Grants.gov submission requirements can be found in this application package. We urge you to consider these important factors regarding electronic submission:

1. **Register early in SAM- the System for Award Management (formerly Central Contractor Registry or CCR).** Go to <https://www.sam.gov>. The process can take three to five business days or up to two weeks.
2. **Register early in Grants.gov.** Go to [www.grants.gov](http://www.grants.gov). The process can take three to five business days or up to two weeks. **Please Note:** Use the same DUNS number that was used when registering with SAM or you will not be able to register successfully.
3. **Submit your application 2-3 days prior to the closing date.** The time it takes to upload an application will vary depending on your application and the speed of your Internet connection. The application submission process must be completed prior to the deadline for transmittal of application.

Finally, we would like to share with you the importance of ensuring that your application includes a strong evaluation plan. The peer reviewers will be instructed to look closely at the potential of PPOHA program applicants to successfully reach their individual project goals, which are driven by the performance indicators for the PPOHA program. In addition to including formative and summative measures, the evaluation plan should also address the use of appropriate controls and techniques that provide for independent evaluation. The evaluation plan should shape the development of the project from the beginning of the grant period and provide benchmarks for the monitoring of progress and measurement of that progress throughout the grant award period. You should pay close attention to the information provided in the Instructions for Project Narrative section of this application regarding the development of your evaluation activity. Technical Assistance workshops will be held to help grantees design and implement strong evaluations. These workshops will also emphasize the need for developing strong project-level performance measures that capture the impact of the activities grantees pursue. The Department is committed to helping grantees use data to achieve their goals and, in turn, help the Department improve our own technical assistance activities.

The Notice Inviting Applications for New Awards under the PPOHA program published in the Federal Register is the official document describing the requirements for submitting a PPOHA grant application. You should not rely upon any information that is inconsistent with the guidance contained in the official document. If you have any questions or require additional information, please contact Dr. Maria E. Carrington at [Maria.Carrington@ed.gov](mailto:Maria.Carrington@ed.gov) or by phone at (202) 502-7548. We encourage applicants to review the “Competition Highlights” found in the application package for an overview of important items.

I appreciate your interest in the Promoting Postbaccalaureate Opportunities for Hispanic Americans Program and look forward to receiving your application.

Sincerely,

Dr. Leonard R. Haynes  
Senior Director  
For Institutional Service

## Competition Highlights

1. PPOHA applications submitted for FY 2014 must be submitted electronically using Grants.gov. You are urged to acquaint yourself with the requirements of Grants.gov early as the registration procedures may require up to 2 weeks to complete. A more thorough discussion is included later in this application package. Grants.gov is accessible through its portal page at: <http://www.grants.gov>. **You must provide the SAME DUNS number that was used when your organization registered with the System for Award Management (SAM). SAM replaced the Central Contractor Registry (CCR) used in years past.**
2. It is important to know that Grants.gov does not allow applicants to “un-submit” applications. Therefore, if you discover that changes or additions are needed once your application has been accepted and validated by the Department, you must “re-submit” the entire application. You should know that if the Department receives duplicate applications, we will accept and process the application with the latest “date/time received” validation.
3. Under the Promoting Postbaccalaureate Opportunities for Hispanic Americans Program, \$10.672 million has been designated for awards to Hispanic-Serving Institutions who offer a postbaccalaureate certificate or postbaccalaureate degree program for authorized activities described in section 513 of the Higher Education Act, as amended. These authorized activities are described in detail in this application package on page 44, and one or more of the listed activities should be used in preparing your application. You are urged to fully review the Notice Inviting Applications for New Awards under the PPOHA program and Application Package carefully before preparing your application.
4. Applicants are required to submit a Project Abstract. The Project Abstract is limited to a one page single-spaced document. The abstract must include the name of the institution, city, and purpose. The abstract must be uploaded to the “ED Abstract Form” in the Grants.gov system as a .pdf document.
5. Applicants must complete the PPOHA Program Profile Form. Applicants are required to copy and paste the form into a separate document or recreate the form exactly as it appears. Applicants are asked to read and check the box for question #5 indicating that their institution is an eligible Hispanic-Serving Institution (HSI) offering either a postbaccalaureate certificate or a postbaccalaureate degree. In addition, applicants should carefully read question #11 on the PPOHA Program Profile Form and check the box certifying that they will comply with the statutory requirements and program assurances cited in the HSI program regulations, 34 CFR 606.2 (a) and (b). NOTE: 606.2 (a) (5) An eligible HSI applying for the PPOHA program is not a junior college or community college. Upon completion of the PPOHA Program Profile Form, upload it to the “Other Attachments Form” in Grants.gov as a .pdf document.
6. Applicants will also be required to complete a PPOHA Project Activity Budget Detail Form. Applicants are required to copy and paste the PPOHA Project Activity Budget

Detail Form into a separate document or recreate the form exactly as it appears and upload it to the “Other Attachments Form” in Grants.gov as a .pdf document.

7. The Department will cross-reference, for verification, documentation reported to the Department’s Integrated Postsecondary Education Data System (IPEDS), the institution’s state reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution’s undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. Please note that a replication or copy of the instructions is not evidence that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.
8. New PPOHA Individual Development Grants will be awarded on a competitive basis. An applicant may apply for only one PPOHA grant. Cooperative Arrangement Development Grants are not allowed.
9. All applicants are required to adhere to the page limit for the Project Narrative portion of the application. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages for the Individual Development Grant application.
10. Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to log on to Grants.gov to upload and submit the application.
11. The application must be received on or before the deadline date and time. Late applications will not be accepted. **We suggest that you submit your application several days before the deadline.** The Department is required to enforce the established deadline to ensure fairness to all applicants. No changes or additions to an application will be accepted after the deadline date.
12. Included in this application package is a document containing submission procedures to ensure your application is received in a timely and acceptable manner. Consult and follow the Notice Inviting Applications for New Awards in the Federal Register to ensure proper guidance for application submission. Exceptions to the electronic submission requirement are also outlined in the Federal Register notice.

Please go <http://www.grants.gov/web/grants/applicants.html> for help with Grants.gov. Also, refer to “Submission Procedures and Tips for Applicants” found on pages 6-8 of this application booklet.

You are reminded that the document published in the Federal Register is the official document and that you should not rely upon any information that is inconsistent with the guidance contained within the official document.

### Grants.gov Submission Procedures and Tips for Applicants

To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

#### **ATTENTION – Adobe Forms and PDF Files Required**

Applications submitted to Grants.gov for the Department of Education will be posted using Adobe forms. Therefore, applicants will need to download the latest version of Adobe reader (at least Adobe Reader 10.1.14). (Please note that in early 2013, Grants.gov discovered an issue with the newest version of Adobe Reader XI but it was subsequently resolved.) Information on computer and operating system compatibility with Adobe and links to download the latest version is available on Grants.gov at this link: [compatibility table](#). We strongly recommend that you review these details on [www.Grants.gov](http://www.Grants.gov) before completing and submitting your application. In addition, applicants should submit their application a day or two in advance of the closing date as detailed below. Also, applicants are required to upload their attachments in .pdf format only. (See details below under “Attaching Files – Additional Tips.”) If you have any questions regarding this matter please email the Grants.gov Contact Center at [support@grants.gov](mailto:support@grants.gov) or call 1-800-518-4726.

- 1) **REGISTER EARLY** – Grants.gov registration involves many steps including registration on SAM ([www.sam.gov](http://www.sam.gov)) which may take approximately one week to complete, but could take upwards of several weeks to complete, depending upon the completeness and accuracy of the data entered into the SAM database by an applicant. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the Registration steps are complete. Please note that once your SAM registration is active, it will take 24-48 hours for the information to be available in Grants.gov, and before you can submit an application through Grants.gov. For detailed information on the Registration Steps, please go to: <http://www.grants.gov/web/grants/register.html> [Note: Your organization will need to update its SAM registration annually (formerly Central Contractor Registry (CCR)\*.)]

Primary information about SAM is available at [www.sam.gov](http://www.sam.gov). However, to further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, the Department of Education has prepared a SAM.gov Tip Sheet which you can find at : <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>

- 2) **SUBMIT EARLY** – We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded. The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully to Grants.gov before 4:30:00 p.m. Washington, DC time on the deadline date.

**Note: To submit successfully, you must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This DUNS number is typically the same number used when your organization registered with the SAM (formerly CCR -Central Contractor Registry). If you do not enter the same DUNS number on your application as the DUNS you registered with, Grants.gov will reject your application.**

- 3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov received your application submission on time and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 4:30:00 p.m. Washington, DC time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned. Once the Department of Education receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing on Grants.gov’s Track My Application link.

If the date/time received is later than 4:30:00 p.m. Washington, D.C. time, on the deadline date, your application is late. If your application has a status of “Received” it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to “Validated” or “Rejected with Errors.” If the status is “Rejected with Errors,” your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: <http://www.grants.gov/web/grants/applicants/applicant-faqs/tracking-an-application.html>. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Error Messages document at <http://www.grants.gov/web/grants/support/technical-support/troubleshooting/encountering-error-messages.html>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

### **Submission Problems – What should you do?**

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or <http://www.grants.gov/web/grants/about/contact-us.html>, or access the Grants.gov Self-Service web portal at: <https://grants-portal.psc.gov/Welcome.aspx?pt=Grants>

If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

### **Helpful Hints When Working with Grants.gov**

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application. **You must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov.**

Please go to <http://www.grants.gov/web/grants/about/contact-us.html> for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Submit Application FAQs found on the Grants.gov <http://www.grants.gov/web/grants/applicants/applicant-resources.html>.

### **Dial-Up Internet Connections**

When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. **If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

### **MAC Users**

For MAC compatibility information, review the Operating System Platform Compatibility Table at the following Grants.gov link: <http://www.grants.gov/web/grants/support/technical-support/recommended-software.html>. **If electronic submission is required and you are concerned about your ability to submit electronically as a non-windows user, please follow instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

### **Attaching Files – Additional Tips**

Please note the following tips related to attaching files to your application, especially the requirement that applicants **only include read-only, non-modifiable .PDF files** in their application:

1. Ensure that you attach **.PDF files only** for any attachments to your application, and they must be in a **read-only, non-modifiable format**. PDF files are the only Education approved file type accepted as

detailed in the Federal Register application notice. Applicants must submit individual .PDF files only when attaching files to their application. Specifically, the Department will not accept any attachments that contain files within a file, such as PDF Portfolio files, or an interactive or fillable .PDF file. Any attachments uploaded that are not .PDF files or are password protected files will not be read. If you need assistance converting your files to a .pdf format, please refer to the following Grants.gov webpage with links to conversion programs under the heading of additional resources:

<http://www.grants.gov/web/grants/support/technical-support/software/pdf-conversion-software.html>

2. Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
3. When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded files must be less than 50 characters in the file name, contain no spaces, no special characters (example: -, &, \*, %, /, #, \) including periods (.), blank spaces and accent marks. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.
4. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the total size of your package before submission.

\*Please note that the Central Contractor Registry (CCR) was replaced by the System for Award Management (SAM) effective July 30, 2012. For more information on the migration of CCR data to SAM, grant applicants should read this information located on Grants.gov:

<http://grants-gov.blogspot.com/2012/07/information-about-pending-migration.html#!/2012/07/information-about-pending-migration.html>

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) Program provides grants to: (1) expand postbaccalaureate educational opportunities for, and improve the academic attainment of, Hispanic students; and (2) expand the postbaccalaureate academic offerings as well as enhance the program quality in the institutions of higher education that are educating the majority of Hispanic college students and helping large numbers of Hispanic and low-income students complete postsecondary degrees.

#### PPOHA Program Requirements

Background: The PPOHA Program is a new program established under sections 511 through 514 of the Higher Education Act of 1965, as amended (HEA). The PPOHA Program supports Hispanic-serving institutions that offer a postbaccalaureate certificate or degree granting program. To define the term "Hispanic-serving institution" for purposes of the PPOHA Program, Congress adopted the definition of that term in the existing Hispanic-Serving Institutions (HSI) Program authorized by sections 501 to 504 of the HEA. In addition, the PPOHA Program provides development grants like the HSI Program. Moreover, Congress also applied the general provisions of the HSI Program to the PPOHA Program. See Title V, Part C, sections 521-528, of the HEA. In light of the overlap of these definitions and requirements, the Secretary has determined that it is appropriate to adopt some of the regulatory requirements relating to eligibility criteria and tie-breaking

factors from the HSI Program for use for the first grant competition in the PPOHA Program.

Eligibility Criteria (Use of 34 CFR §§606.2(a) and (b), 606.3 through 606.5). For purposes of the PPOHA Program, an eligible institution is an institution of higher education that: (1) is an Hispanic-serving institution as defined in section 502 of the HEA; and (2) offers a postbaccalaureate certificate or degree granting program. As noted earlier in this notice, the term “Hispanic-serving institution” under section 502 of the HEA has already been defined in the regulations for the HSI Program. For the competition announced in this notice, the Secretary has decided to use the specific eligibility criteria for Hispanic-serving institution in 34 CFR §§606.2(a) and (b) and 606.3, 606.4 and 606.5 of those regulations. The use of these regulations will enable applicants to determine whether they meet the definitional requirements of an Hispanic-serving institution under this program.

Tie-breaker for Development Grants (Use of 34 CFR 606.23(b)(1) and (b)(2)). The PPOHA Program will be providing Development Grants like those currently awarded under the HSI Program. In light of the similar eligibility criteria for these two programs, the Secretary has decided to adopt for this first PPOHA Program competition the regulations for tie-breakers used in the HSI Program. These tie-breaker regulations are set forth in the

Review and Selection Process section of this notice (section v.2.b.).

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed program requirements. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under section 511 through 514 of the Higher Education Act of 1965, as amended (HEA), and therefore qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forego public comment on using the eligibility criteria from 34 CFR 606.2(a)(except (a)(2)) and (b) and 606.3 through 606.5 and the tie-breaker for development grants regulations from 34 CFR 606.23(b)(1) and (b)(2) for the PPOHA Program. These eligibility criteria and regulations will apply to the PPOHA Program FY 2014 grant competition only.

Program Authority: 20 U.S.C. 1102-1102c.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 82, 84, 85, 86, 97, 98, and 99. (b) 34 CFR 606.2(a)(except (a)(2)) and (b), 606.3, 606.4, 606.5, and 606.23(b)(1) and (b)(2).

The Assistant Secretary for Postsecondary Education may change the maximum amount through a notice published in the Federal Register.

### III. Eligibility Information

1. Eligible Applicants: Institutions of higher education (IHEs) that offer a postbaccalaureate certificate or postbaccalaureate degree program and qualify as eligible Hispanic-serving institutions (HSIs) under section 502 of the HEA. To qualify as an eligible HSI for the PPOHA Program under section 502 of the HEA, an IHE must--

(a) Have an enrollment of needy students, as required by section 502(b) of the HEA (20 U.S.C. 1101a(a)(2)(A)(i));

(b) Have, except as provided in section 522(b) of the HEA, average educational and general expenditures that are low, per full-time equivalent (FTE) undergraduate student, in comparison with the average educational and general expenditures per full-time equivalent undergraduate student of institutions that offer similar instruction (20 U.S.C. 1101a(a)(2)(A)(ii));

Note: To demonstrate an enrollment of needy students (paragraph (a) of this section) and low average educational and general expenditures per FTE undergraduate student (paragraph (b) of this section), an IHE must be designated as an "eligible institution" in accordance with 34 CFR 606.3 through 606.5 and the notice inviting applications for Designation as Eligible Institutions for FY 2014 (74 FR 3579).

(c) Be accredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered, or is making reasonable progress toward accreditation, according to such an agency or association (20 U.S.C. 1101a(a)(2)(A)(iv));

(d) Be legally authorized to provide, and provides within the State, an educational program for which the institution awards a bachelor's degree (20 U.S.C. 1101a(a)(2)(A)(iii)); and

(e) Have an enrollment of undergraduate FTE students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application (20 U.S.C. 1101a(a)(5)(B)).

Note 1: Funds for the PPOHA Program will be awarded each fiscal year; thus, for this program, the “end of the award year immediately preceding the date of application” refers to the end of the fiscal year prior to the application due date. The end of the fiscal year occurs on September 30 for any given year. Therefore, for purposes of making the determination described in paragraph (e) of this section, IHEs must report their undergraduate Hispanic FTE percent based on the student enrollment count closest to, but not after, September 30, 2008.

Note 2: In considering applications for grants under this program, the Department will compare the data and documentation the institution relied on in its application with data reported to the Department’s Integrated Postsecondary Education Data System (IPEDS), the IHE’s State-reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution’s undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. If the IPEDS data indicate

that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.

Note 3: As noted elsewhere in this notice, to be eligible for a grant under the PPOHA Program, an institution must be designated as an eligible institution under 34 CFR 606.5. For this competition, the Notice Inviting Applications for Designation as Eligible Institutions for FY 2014 was published in the Federal Register on January 13, 2014 (74 FR 3579), and the deadline for applications was March 7, 2014. Only institutions that submitted the required application and received designation through that process are eligible to submit an application for this competition.

2. Cost Sharing or Matching: This program does not require cost sharing or matching.

3. Other: An eligible HSI will not be awarded more than one Individual Development Grant under the PPOHA Program (20 U.S.C. 1101c(c)).

#### IV. Application and Submission Information

1. Address to Request Application Package: Dr. Maria E. Carrington, U.S. Department of Education, 1990 K Street, NW., room 6033, Washington, DC 20006-8513. Telephone: (202) 502-7548 or by e-mail: Maria.Carrington@ed.gov.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section.

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program. Page Limit: The application narrative is where the applicant addresses the selection criteria that reviewers use to evaluate your application. We have established mandatory page limits for the PPOHA Program--Individual Development Grant application. You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, captions, and all text in charts, tables, figures, and graphs, which may be single-spaced.
- Use a font that is either 12 point or larger; or, no

smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

The page limit does not apply to the cover sheet; the budget section, including the budget narrative justification; the assurances and certifications, or the one-page abstract.

We will reject your application if you exceed the page limit.

### 3. Submission Dates and Times:

Applications for grants under this program must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact one of the persons listed under For Further Information Contact in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the

individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: [INSERT DATE 90 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. Funding Restrictions: We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.

6. Data Universal Numbering System Number, Taxpayer Identification Number, Central Contractor Registry, and System for Award Management: To do business with the Department of Education, you must--

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the Central Contractor Registry (CCR)--and, after July 24, 2012, with the System for Award Management (SAM)--the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active CCR or SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to become active.

The CCR or SAM registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days to complete. Information about SAM is available at [SAM.gov](http://SAM.gov).

In addition, if you are submitting your application via [Grants.gov](http://Grants.gov), you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with [Grants.gov](http://Grants.gov) as an AOR. Details on these steps are outlined at the following [Grants.gov](http://Grants.gov) Web page: [www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp).

7. Other Submission Requirements: Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications:

Applications for grants under the PPOHA Program, CFDA Number 84.031M, must be submitted electronically using the Government wide Grants.gov Apply site at [www.Grants.gov](http://www.Grants.gov). Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for Developing Hispanic-Serving Institutions at [www.Grants.gov](http://www.Grants.gov). You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's

alpha suffix in your search (e.g., search for 84.031, not 84.031M).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received--that is, date and time stamped by the Grants.gov system--after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at <http://www.G5.gov>.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues

with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application

electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under For Further Information Contact in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Dr. Maria E. Carrington, U.S. Department of Education, 1990 K Street, NW., room 6033, Washington, DC 20006-8513. FAX: (202) 502-7861.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must

mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following address:

(1) You must indicate on the envelope and--if not provided by the Department--in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

(2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this grant notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from section 75.210 of the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.210) and are as follows. Applicants must address each of the selection criteria (separately for each proposed activity). The total weight of the selection criteria is 100 points; the weight of each criterion is noted in parentheses.

(a) Need for project. (Maximum 20 points) In determining the need for the proposed project, the Secretary considers:

(i) The magnitude of the need for the services to be provided or the activities to be carried out by the proposed project. (10 points)

(ii) The extent to which the proposed project will focus on serving or otherwise addressing the needs of disadvantaged individuals. (5 points)

(iii) The extent to which specific gaps or weaknesses in services, infrastructure, or opportunities have been identified and will be addressed by the proposed project, including the nature and magnitude of those gaps or weaknesses. (5 points)

(b) Quality of the project design. (Maximum 15 points) In determining the quality of the design of the proposed project, the Secretary considers:

(ii) The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs. (5 points)

(c) Quality of project services. (Maximum 15 points) In determining the quality of the services to be provided by the proposed project, the Secretary considers the quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. In addition, the Secretary considers:

(i) The extent to which the services to be provided by the proposed project are appropriate to the needs of the intended recipients or beneficiaries of those services. (10 points)

(ii) The extent to which the services to be provided by the proposed project reflect up-to-date knowledge from research and effective practice. (5 points)

(d) Quality of project personnel. (Maximum 10 points) In determining the quality of project personnel, the Secretary considers the extent to which the applicant encourages applications for employment from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. In addition, the Secretary considers:

(i) The qualifications, including relevant training and experience, of the project director or principal investigator. (5 points)

(ii) The qualifications, including relevant training and experience, of key project personnel. (5 points)

(e) Adequacy of resources. (Maximum 5 points) In determining the adequacy of resources for the proposed project, the Secretary considers:

(i) The extent to which the budget is adequate to support the proposed project. (3 points)

(ii) The extent to which the costs are reasonable in relation to the objectives, design, and potential significance of the proposed project. (2 points)

(f) Quality of the management plan. (Maximum 20 points) In determining the quality of the management plan for the proposed project, the Secretary considers:

(ii) The adequacy of procedures for ensuring feedback and continuous improvement in the operation of the proposed project. (5 points)

(iii) The adequacy of mechanisms for ensuring high-quality products and services from the proposed project. (5 points)

(g) Quality of the project evaluation. (Maximum 15 points)

In determining the quality of the evaluation, the Secretary considers:

(i) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project. (5 points)

(ii) The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project and will produce quantitative and qualitative data to the extent possible. (5 points)

(iii) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes. (5 points)

2. Review and Selection Process: We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those

applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

Additional factors we consider in selecting an application for an award are as follows:

(a) Applicants must provide, as an attachment to the application, the documentation the institution relied upon in determining that at least 25 percent of the institution's undergraduate FTE students are Hispanic.

Note: The 25 percent requirement applies only to undergraduate Hispanic students and is calculated based upon FTE students. Instructions for formatting and submitting the verification documentation to Grants.gov are in the application package for this competition.

(b) Tie-breaker for Development Grants. In tie-breaking situations for development grants, the Department will award one additional point to an application from an IHE that has an endowment fund for which the market value per FTE student is less than the comparable average per FTE student at a similar type IHE. We will also award one additional point to an application from an IHE that had expenditures for library materials per FTE student that are less than the comparable average per FTE student at a similar type IHE. (34 CFR 606.23(b)(1) and (b)(2))

For the purpose of these funding considerations, we will use 2011-2012 data.

If a tie remains after applying the tie-breaker mechanism above, priority will be given for Individual Development Grants to applicants that have the lowest endowment values per FTE student. (34 CFR §606.23(b)(1))

3. Special Conditions: Under 34 CFR 74.14 and 80.12, the Secretary may impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

#### VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to [www.ed.gov/fund/grant/apply/appforms.html](http://www.ed.gov/fund/grant/apply/appforms.html).

4. Performance Measures: The Secretary has established the following key performance measures for assessing the effectiveness of the PPOHA Program:

(a) The percentage change, over the five-year grant period, of the number of full-time degree-seeking graduate and

professional students enrolled at HSIs currently receiving an award under this program.

(b) The percentage change, over the five-year grant period, of the number of master's, doctoral and first-professional degrees, and postbaccalaureate certificates awarded at HSIs currently receiving an award under this program.

(c) Cost per successful outcome: Federal cost per master's degree, doctoral and first-professional degree, and post baccalaureate certificate at HSIs currently receiving an award under this program.

(d) Continuation Awards: In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

## **Executive Order 12372 (Intergovernmental Review of Federal Programs)**

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at:

<http://www.whitehouse.gov/omb/grants/spoc.pdf>

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (eastern time) on the closing date indicated in this notice.

**Important note:** The above address is not the same address as the one to which the applicant submits its completed applications. **Do not send applications to the above address.**

## General Education Provisions Act (GEPA) Section 427

Section 427 requires each applicant to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted program for students, teachers, and other program beneficiaries with special needs.

This section allows applicants discretion in developing the required description. The statute highlights six barriers that can impede equitable access or participation that you may address: *gender, race, national origin, color disability, or age.*

A general statement of an applicant's nondiscriminatory hiring policy is not sufficient to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

### **\*Notes:**

- Applicants are required to address this provision by uploading a statement to the ED GEPA 427 Form that must be downloaded from Grants.gov.
- All applicants must include information in their applications to address this provision in order to receive funding under this program.

# Government Performance and Results Act (GPRA)

## What is GPRA?

The Government Performance and Results Act of 1993 (GPRA) is a straightforward statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In so doing, it is expected that the GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

## How has the Department of Education Responded to the GPRA Requirements?

As required by GPRA, the Department of Education has prepared a strategic plan for 2007-2012. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the U.S. The Department's goals, as listed in the plan, are:

*Goal 1: Increase student achievement, reward qualified teachers, and renew troubled schools so that every student can read and do math at grade level by 2014, as called for by the No Child Left Behind Act.*

*Goal 2: Encourage more rigorous and advanced coursework to improve the academic performance of our middle and high school students.*

*Goal 3: Work with colleges and universities to improve access, affordability, and accountability, so that our higher education system remains the world's finest.*

The performance indicators for the Developing Hispanic-Serving Institutions Program are part of the Department's plan for meeting Goal 3. The Department's specific goal for this program is "to strengthen Hispanic-Serving Institutions."

## What are the Performance Indicators for the PPOHA Program?

The Developing Hispanic-Serving Institutions Program's overarching goal is: To improve the capacity of minority-serving institutions, which traditionally have limited resources and serve large numbers of low-income and minority students, to improve student success and to provide high-quality educational opportunities for their students.

The specific performance indicators for the Promoting Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) Program are as follows:

The Secretary has established the following key performance measures for assessing the effectiveness of the PPOHA program: 1) The percentage change, over the five-year grant period, of the number of full-time degree-seeking graduate and professional students enrolled at HSIs. 2) The percentage change, over the five-year grant period, of the number of master's, doctoral and first-professional degrees and post baccalaureate certificates awarded at HSIs. 3) Cost per

successful outcome: federal cost per master's, doctoral and first-professional degree and post baccalaureate certificate in the PPOHA program.

**How does the Department of Education determine whether performance goals have been met?**

An applicant that receives a grant award will be required to submit annual progress reports and a final report as a condition of the award. The reports will document the extent to which project goals and objectives are met.

# Instructions for Completing the Application

**THE FOLLOWING GUIDANCE MAY ASSIST YOU IN ADDRESSING EACH OF THE  
WEIGHTED SELECTION CRITERIA:**

**Need for the Project:** When addressing this criterion, applicants should provide detailed information that not only identifies a need for their proposed project but they should also provide data that supports their claim for a need for the proposed project. Supporting documentation may consist of recent statistics from State, local and Federal sources; mission statement; comparison data from similar institutions, etc.

**Quality of the Project Design:** When addressing this criterion, applicants should clearly and succinctly identify the goals, objectives, and outcomes to be achieved. A mere listing of the goals, objectives, and outcomes is not sufficient. The identified goals, objectives and outcomes should not only address the identified need for the project but should also be measurable and support the purpose of the HSI program.

**Quality of Project Services:** When addressing this criterion, applicants should clearly spell out the activities and services it is proposing and the intended recipients or beneficiaries of each service or activity. A mere listing of the services and beneficiaries is not enough. Provide details as to the types of activities and services to be provided and the extent to which the activities and services reflect up-to-date knowledge from research and effective practice. In other words, will the proposed activities and services meet the need of the project?

**Quality of Project Personnel:** The minimum qualifications must be identified for all project personnel positions. The minimum educational qualifications should include the type of degree required and the acceptable field(s) of study. The type and minimum amount of work-related experience should also be described for each position.

**Adequacy of Resources:** This section should provide information that shows that the proposed budget will provide adequate resources necessary to successfully carry out the proposed project. Applicants should demonstrate here how the proposed costs would enable them to carry out the project and that the proposed costs are reasonable in relation to the objectives, design and significance of the proposed project.

**Quality of Management Plan:** Describe the plan of management. Who will be responsible for which tasks? What are the expected timelines and proposed budgets for each activity or service? What are the expected milestones for accomplishing the proposed activities or services? Have you included procedures that will ensure feedback and the opportunity for continuous improvement in the operation of the proposed project? Be sure that the management plans are clearly and concisely defined.

**Quality of the Project Evaluation:** A strong evaluation plan should be included and should be used, as appropriate, to shape the development of the project from the beginning of the grant period. The evaluation plan should include process and outcome performance measures and benchmarks to monitor progress toward meeting specific project objectives and goals. Specifically, the plan should identify the individual or organization that has agreed to serve as evaluator for the project and describe the qualifications of the evaluator. The plan should describe the evaluation design, indicating: (1) what types of data will be collected; (2) when various types of data will be collected; (3) what methods will be used; (4) what instruments will be developed

and when; (5) how the data will be analyzed; (6) when reports and outcomes will be available; and (7) how the applicant will use the information collected through evaluation to monitor progress of the funded project. Applicants are encouraged to devote an appropriate level of resources to project evaluation and should explain the measures and strategies that will be used to ensure that the evaluation is appropriately rigorous and independent.

**INSTRUCTIONS FOR  
DEPARTMENT OF EDUCATION SUPPLEMENTAL INFORMATION FOR SF 424**

**a. Project Director .** Name, address, telephone and fax numbers, and e-mail address of the person to be contacted on matters involving this application.

**2. Novice Applicant.** Check “**Yes**” or “**No**” only if assistance is being requested under a program that gives special consideration to novice applicants. Otherwise, **leave blank**.

Check “**Yes**” if you meet the requirements for novice applicants specified in the regulations in 34 CFR 75.225 and included on the attached page entitled “Definitions for Department of Education Supplemental Information for SF 424.” By checking “**Yes**” the applicant certifies that it meets these novice applicant requirements. Check “**No**” if you do not meet the requirements for novice applicants.

**3. Human Subjects Research.** (See I. A. “Definitions” in attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”)

**If Not Human Subjects Research.** Check “**No**” if research activities involving human subjects are not planned at any time during the proposed project period. The remaining parts of Item 3 are then not applicable.

**If Human Subjects Research.** Check “**Yes**” if research activities involving human subjects are planned at any time during the proposed project period, either at the applicant organization or at any other performance site or collaborating institution. Check “**Yes**” even if the research is exempt from the regulations for the protection of human subjects. (See I. B. “Exemptions” in attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”)

**3a . If Human Subjects Research is Exempt from the Human Subjects Regulations .** Check “**Yes**” if all the research activities

proposed are designated to be exempt from the regulations. Insert the exemption number(s) corresponding to one or more of the six exemption categories listed in I. B. “Exemptions.” In addition, follow the instructions in II. A. “Exempt Research Narrative” in the attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”

**3a . If Human Subjects Research is Not Exempt from Human Subjects Regulations.** Check “**No**” if some or all of the planned research activities are covered (not exempt). In addition, follow the instructions in II. B. “Nonexempt Research Narrative” in the page entitled “Definitions for Department of Education Supplemental Information For SF 424

**3a . Human Subjects Assurance Number .** If the applicant has an approved Federal Wide (FWA) on file with the Office for Human Research Protections (OHRP), U.S. Department of Health and Human Services, that covers the specific activity, insert the number in the space provided. If the applicant does not have an approved assurance on file with OHRP, enter “None.” In this case, the applicant, by signature on the SF-424, is declaring that it will comply with 34 CFR 97 and proceed to obtain the human subjects assurance upon request by the designated ED official. If the application is recommended/selected for funding, the designated ED official will request that the applicant obtain the assurance within 30 days after the specific formal request.

**Note about Institutional Review Board Approval.** ED does not require certification of Institutional Review Board approval with the application. However, if an application that involves non-exempt human subjects research is recommended/selected for funding, the designated ED official will request that the applicant obtain and send the certification to ED within 30 days after the formal request.

**DEFINITIONS FOR  
DEPARTMENT OF EDUCATION SUPPLEMENTAL INFORMATION FOR SF 424  
(Attachment to Instructions for Supplemental Information for SF 424)**

**Definitions:**

**Novice Applicant (See 34 CFR 75.225).** For discretionary grant programs under which the Secretary gives special consideration to novice applications, a novice applicant means any applicant for a grant from ED that—

- Has never received a grant or sub-grant under the program from which it seeks funding;
- Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and
- Has not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the program. For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group includes only parties that meet the requirements listed above.

**PROTECTION OF HUMAN SUBJECTS IN RESEARCH**

**I. Definitions and Exemptions**

**A. Definitions.**

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

**—Research**

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as "a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge." *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

**—Human Subject**

The regulations define human subject as "a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information." (1) *If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met.* (2) *If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

**B. Exemptions.**

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed. Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.*** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

## **II . Instructions for Exempt and Nonexempt Human Subjects Research Narratives**

If the applicant marked “Yes” for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects “exempt research” or “nonexempt research” narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

### **A . Exempt Research Narrative.**

If you marked “Yes” for item 3 a. and designated exemption numbers(s), provide the “exempt research” narrative . The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate . The narrative must be succinct.

### **B . Nonexempt Research Narrative.**

If you marked “No” for item 3 a. you must provide the “nonexempt research” narrative . The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

(1) **Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status.

Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable

(2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

(3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent . State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

(4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

(5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.

(6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

(7) **Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

***Copies of the Department of Education’s Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Grants Policy and Oversight Staff, Office of the Chief Financial Officer, U.S. Department of Education, Washington, DC 20202-4250, telephone: (202) 245-6120, and on the U.S. Department of Education’s Protection of Human Subjects in Research Web Site: <http://www.ed.gov/about/offices/list/OCFO/humansub.html>***

(2): If you checked "yes" in (1), indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In addition, indicate whether ED or another federal agency (Other) issued the approved agreement. If you check "Other," specify the name of the federal agency that issued the approved agreement. (3): If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement or whether you are using a restricted indirect cost rate that complies with 34 CFR

## Section C - Budget Narrative [Attach separate sheet(s)] Pay attention to applicable program specific instructions, if attached.

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
3. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must

multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at:

<http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

You may also contact (202) 377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.

4. Provide other explanations or comments you deem necessary.

## **Budget Summary Form (ED 524) and Budget Narrative Instructions:**

**NOTE:** Applicants must submit (1) a budget information form to categorize requested funds (ED 524); **AND** (2) a budget narrative, as part of the project narrative (Adequacy of Resources), is to be uploaded to the “Project Narrative Attachment Form” in the Application Package downloaded from Grants.gov;

For this competition, applicants may receive funding for five years. The Department is requesting that you complete the Budget Summary Form (ED Form 524) and budget narrative for the five year period.

### **Summary Budget**

Using the Summary Budget Form (ED 524), prepare a summary budget for the entire project that totals all the costs by category for each year of the grant. Check for accuracy for all budget totals within an activity budget and between the activity budget(s) and the summary budget. If any inaccuracies occur, the Education Department may choose the lesser of two budget figures and you may lose money that you could have otherwise received.

## **PPOHA Project Activity Budget Detail Form Instructions**

Note: Applicants must submit a detailed budget narrative for each activity using the “PPOHA Project Activity Budget Detail Form,” to be uploaded to the “Other Attachments Form.” Upon completion, upload the PPOHA Project Activity Budget Detail Form in .pdf format.

### **Activity Budgets**

On the PPOHA Project Activity Budget Detail Form, please provide detailed, itemized budgets for each activity for the five years for which grant funds are sought. **If you fail to provide details, we may not be able to determine if the costs of the activities are necessary and reasonable and may disallow such costs.** For all costs, demonstrate that they are reasonable in today’s market and necessary to accomplish activity objectives. In particular, you should justify any single cost exceeding \$25,000 – excluding salaries and fringe benefits.

1. Self-explanatory.
2. Self-identify.
3. Self-identify.
4. 501(c)(3) status is a legal designation provided on application to the Internal Revenue Service by eligible organizations. Some grant programs may require nonprofit applicants to have 501(c)(3) status. Other grant programs do not.
5. Self-explanatory.
6. For example, two part-time employees who each work half-time equal one full-time equivalent employee. If the applicant is a local affiliate of a national organization, the responses to survey questions 2 and 3 should reflect the staff and budget size of the local affiliate.
7. Annual budget means the amount of money your organization spends each year on all of its activities.

## Promoting Postbaccalaureate Opportunities for Hispanic Americans Assurances

### Additional instructions for applicants:

Applicants enter PPOHA assurance data on the “PPOHA Program Profile Form” in Part III of the application. Applicants will upload the “PPOHA Program Profile Form” to the “Other Attachments Form” of the Grants.gov application package.

The statute governing the Hispanic-Serving Institutions Program requires the applicant to provide an assurance to the following:

The applicant has an enrollment of undergraduate full-time equivalent (FTE) students that is at least 25 percent Hispanic students at the end of the award year immediately preceding the date of application.

For the purposes of the calculation, use your institution’s student enrollment count closest to, but not after, September 30, 2013.

Whatever the full-time course load is at your institution, count a full-time undergraduate degree student as one FTE.

To determine the FTE for part-time undergraduate students, total the number of credit hours of all part-time undergraduate students. Include both part-time degree students and part-time unclassified students. Divide the total number of credit hours for the part-time undergraduate students by **twelve (12)**. The result is the FTE for part-time undergraduate students.

*Note: An unclassified undergraduate student is one who is not a candidate for a degree or other formal award, but is taking courses for credit in regular classes with undergraduate degree students. However, both classified and unclassified undergraduate students enrolled must be in a program of at least two years in length that would result in the award of a certificate, associate degree or other educational credential.*

To calculate the total undergraduate FTE Enrollment Count: Add the FTE of full-time undergraduate students and the FTE of part-time undergraduate students.

To calculate the Hispanic Undergraduate FTE Enrollment Count: Add the FTE of full-time undergraduate Hispanic students and the FTE of part-time undergraduate Hispanic students.

To calculate the Undergraduate FTE Hispanic Percent: Divide the Hispanic Undergraduate FTE Enrollment Count by the Total Undergraduate FTE Enrollment Count and multiply by 100.

To calculate the Hispanic Enrollment Count: **(Note: This calculation includes all Hispanic students regardless of enrollment status or graduate/undergraduate status).** Determine the total number of Hispanic students.

## **SUPPLEMENTAL INFORMATION AND INSTRUCTIONS**

**PPOHA Program Profile Form:** All applicants must complete the information requested on this page. Using the profile, the applicant will provide information on Assurances and Eligibility. **Do not modify, amend or delete any of this document.**

Applicants must copy and paste this page into a separate document, or recreate the page exactly as it appears. Then, complete the page, save it to your computer and upload it to the “Other Attachments Form,” in the Application Package downloaded from Grants.gov, as a .pdf document. Do not modify or amend the contents of the form in any way.

**PPOHA Program Assurances:** All applicants must provide assurances regarding the percent of Hispanic students enrolled at their institution. By inserting a check mark in the box or an X in front of the box, for item #11, and by providing the required data for items #8 and #9 on the “PPOHA Program Profile Form,” an applicant certifies that it will fully comply with the requirements.

***Special Note:*** The Department will cross-reference, for verification, documentation reported to the Department’s Integrated Postsecondary Education Data System (IPEDS), the institution’s state reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution’s undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. Please note that a replication or copy of the instructions is not evidence that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.

**Page Limits:** The project narrative is where the applicant addresses the selection criteria that reviewers use to evaluate your application. We have established mandatory page limits for the Individual Development Grant application. **You must limit the section of the narrative that addresses the selection criteria to no more than 50 pages for the Individual Development Grant application.**

The page limit does not apply to the Application for Federal Assistance face sheet (SF 424); the Supplemental Information Form required by the Department of Education; the Budget Information Summary Form (ED Form 524); the PPOHA Project Activity Detail Budget Form and the Assurances, Certifications, and Survey forms. The page limit also does not apply to a table of contents or the project abstract. If you include any attachments or appendices other than those specifically requested, these items will be counted as part of the project narrative for purposes of the page limit requirement. You must include your complete response to the selection criteria in the project narrative.

**Formatting Requirements:** A “page” is 8.5” x 11”, on one side only, with 1 inch margins at the top, bottom, and both sides. Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, captions and all text in charts, tables, and graphs. Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted. Use font size 12.

**Special Note: No special accommodations or reformatting justifications will be given for any applications not meeting page limits and formatting requirements.**

**9. Eligibility Documentation:** Please provide us with the documentation the institution relied upon in determining that at least 25 percent of the institution's undergraduate FTE students are Hispanic.

**NOTE:** The Department will compare the data and documentation the institution relied on in this application with data reported to the Integrated Postsecondary Education Data System (IPEDS), the institution's state reported enrollment data, and the institutional annual report. If different percentages or data are reported in these various sources, the institution must, as part of the eligibility process, explain the reason for the differences. If the IPEDS data show that less than 25 percent of the institution's undergraduate full-time equivalent (FTE) students are Hispanic, the burden is on the institution to show that the IPEDS data are inaccurate. Please note that a replication or copy of the instructions is not evidence that the IPEDS data are inaccurate. If the IPEDS data indicate that the institution has an undergraduate FTE less than 25 percent, and the institution fails to demonstrate that the IPEDS data are inaccurate, the institution will be considered ineligible.
