Public Reporting Burden for this collection of information is estimated to average 1.00 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The information requested on this form is required by 24 CFR Part 202. The information collected assists FHA in determining which lenders should be approved to participate in the FHA single and multifamily insurance programs. It is used to help FHA minimize its risk in insuring single family and multifamily mortgages to minimize its risk. Applicants are not required to respond to this collection of information unless a currently valid approved OMB control number is displayed. While no assurances of confidentiality are pledged to respondents, HUD generally discloses this data only in response to a Freedom of Information Act request.
