Current Phone: \$N Phone: <PHONE> Access Code: Hello, this is (your name). I'm calling from Washington State University in Pullman, Washington. I am calling you about a research study we are conducting for USDA's Economic Research Service (ERS). May I speak to (Respondent's name)? We had contacted you earlier about completing this interview by phone, is now a good time? (IWR: If asks what is this about, say:" We are studying the challenges businesses are facing in today's tough economy. We want to understand the linkages of what keeps businesses thriving with available resources. The results from this study will be used by USDA to enhance its programs aimed at making U.S. businesses more resilient. The results will also be shared with Congress and other Federal and State agencies that assist businesses and develop programs.")

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0536-XXXX. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. YOUR RESPONSE IS VOLUNTARY. The information you provide will be used for statistical purposes only. In accordance with the Confidential Information Protection provisions in Public Law 107-347, your responses will be kept confidential and will not be disclosed in identifiable form. By law, everyone working on this ERS survey is subject to a jail term, a fine, or both if he/she discloses any information that could identify any confidential survey response. For quality purpose only, this interview may be monitored by my supervisor. If I come to any question you would prefer not to answer, just let me know and I will skip over it. Okay?
