2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Download Portable Data button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.

10. You will receive an e-mail acknowledgement of your submission, which will repeat the assigned serial number and provide a summary of your submission.

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a

registration after our substantive review.

Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- **Help:** For instructions on how to *use* the electronic forms, or help in resolving *technical* glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. Also, include the relevant serial number or registration number, if existing.
NOTE: The TEAS Support Team focuses on problems related to the process of completing the electronic forms, **not** on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.
- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click [Bug Report](#).
- **Status Information:** For an application with an assigned serial number, check [Trademark Applications and Registrations Retrieval](#) to view current status information, as well as the complete prosecution history. Do **not** attempt to check status until at least 7-10 days after submission of a filing, to allow sufficient time for all USPTO databases to be updated. You can view **all** items listed in the prosecution history section online at [Trademark Document Retrieval](#), including all office actions sent by the USPTO.

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

1. Is an [attorney](#) filing this application?

Yes No

2. [OPTIONAL] To access **previously-saved data**, use the "Browse/Choose File" button below to access the file from your local drive. **NOTE: For specific instructions, please click [here](#). FAILURE TO FOLLOW THESE NEW INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN AN XML FORMAT THAT CANNOT BE EDITED.** **NOTE: Do NOT attempt to use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose *within the proper section of the actual form*.**

TEAS Plus Application (Version 4.8)

Mark Information

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your [mark](#) either as: (1) [standard characters](#), if not claiming a particular font, style, size, and/or color; or (2) [special form](#), if the mark includes a design or word(s) combined with a design, or is displayed in a particular font, style, size, and/or color. In this section, do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement. This will be required in a different part of the form, if appropriate for your filing basis.) **WARNING:** You may submit only **one** mark per application, and any application that includes multiple marks may be denied a filing date or refused registration.

When you click on one of the two circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately identifies your mark. You may not be able to [change or correct your mark](#) after filing this application. While minor changes in the mark are *sometimes* permitted, any [material alteration](#) will not be permitted and will result in the USPTO issuing a refusal on that ground.

WARNING: AFTER [SEARCHING](#) THE USPTO DATABASE, EVEN IF YOU THINK THE RESULTS ARE "O.K.," DO NOT ASSUME THAT YOUR MARK CAN BE REGISTERED. AFTER YOU FILE AN APPLICATION, THE USPTO WILL PERFORM ITS OWN SEARCH AND OTHER REVIEW, AND MIGHT [REFUSE TO REGISTER](#) YOUR MARK.

* Click the appropriate circle to indicate the Mark type:

[Standard Characters](#) [Special Form](#)
(*Stylized and/or Design*)

Enter the mark here: (**Note:** The entry can be in capital letters, lower case letters, or a combination thereof. Do **not** include the ™, ·, ®, or © symbols after the mark entry, because they are **not** part of the actual mark. If using Internet Explorer, the entry cannot exceed **2036** characters; otherwise, you must switch to another browser.)

NOTE: For how the USPTO determines what the display of the entered mark will be, click [here](#).

The "Additional Statement" section of this form is to enter various statement(s) that may pertain to the mark, for example, a disclaimer or translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application:** (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. You are not required to enter any other statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, besides those specifically identified above, the examining attorney assigned to your application will issue a requirement, if appropriate.

Check here to display the full listing of additional statements from which you may make your selection.

[Additional Statement](#)

- To select a statement, enter any required information specific to your mark (or, for some statements, check the box in front of the statement). If you now realize that no statement is needed, you must click on the box that produced this section of the form to "uncheck" it, and the entire "Additional Statement" section below will be removed.

WARNING: Additional statements are not commonly used and are for special circumstances that only exist in certain applications. Selecting items that do not apply may delay the processing of your application. **HOWEVER**, for any field below designated with an asterisk (*), you must make an entry to maintain TEAS Plus status, if applicable within the facts of the application. Failure to do so will result in the examining attorney requiring the payment of an additional \$50 fee per class, because the application will lose its TEAS Plus status.

DISCLAIMER: "No claim is made to the exclusive right to use apart from the mark as shown."

* **PRIOR REGISTRATION(S):** " The applicant claims ownership of U.S. Registration Number(s) , , ."

Goods and/or Services Information

Instructions:

Step 1: Click on the "Add Goods/Services by Searching IDManual" button below to select goods and/or services from the *Manual of Trademark Acceptable Identifications of Goods & Services (IDManual)*.

Step 2: After creating the complete list of goods and/or services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

NOTE:

1. Your selection of goods/services must be precise and accurate. Do NOT simply select a listing that is "close" to your goods/services. If you do not find a listing that accurately identifies your goods/services, you may e-mail TMIDSUGGEST@uspto.gov to request that your identification be added to the IDManual, and then wait for the addition before filing using TEAS Plus. For more information on this process, click [here](#). If your request is not approved or you wish to file immediately, you must use the regular TEAS form.
2. The TEAS Plus version of the IDManual intentionally does not include the following: (1) items classified in Classes A, B, or 200, because those marks are not eligible for filing under TEAS Plus; (2) any listings that appear in the "regular" manual under "000," because correct classification is required under TEAS Plus, and classification for these listings varies according to the additional information provided within the listing; and (3) the Class 25 listing of "Clothing, namely, ...", because this entry is too open-ended, and could result in items being listed that do not truly fall within this class. Since specific clothing items must be listed anyway, the TEAS Plus version of the form requires the *initial* selection of those specific

items.

3. Some entries include instructional language beneath the actual entry, within < > symbols. This language is only to assist in the proper selection of an entry, and will NOT be included as part of the actual identification after the checked entry is inserted into the form. *New*
4. If you cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, please contact TEAS@uspto.gov.

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed the initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, extend the time limit. You should always try to have all information required to complete the form prior to starting any session.

Trademark/Service Mark Application, Principal Register TEAS Plus Application (Version 4.8)

Basis for Filing

Applicant requests registration of the trademark/service mark identified previously with the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. §1051 *et seq.*) for the Class(es) and Goods and/or Services displayed below, and asserts herein the specific basis(es) that covers the listed Goods and/or Services.

Instructions for assigning filing basis(es):

For each of the items listed in the chart below, you can assign a specific filing basis, or if appropriate, multiple bases. If the list is incorrect, you can either add or delete items, using the appropriate buttons, *below*. For an explanation of the possible filing basis(es), as identified by the 4 buttons beneath the listing of goods/services, click [here](#).

For complete step-by-step instructions on how correctly to assign the filing basis(es), click on the heading that corresponds to the factual scenario for this specific filing, *below*. For examples of filings corresponding to each of the heading descriptions, click on the link "*Examples*."

- [One class or multiple classes, with ONE filing basis for ALL listed items *Examples*](#)
NOTE: This is the most common correct choice for any filing. The following are other options, but are much less likely to be appropriate:
- [One class or multiple classes, with same multiple filing bases for ALL listed items in class\(es\) *Examples*](#)
- [One class or multiple classes, with different filing basis\(es\) for different goods/services within the same class, and/or for different overall classes *Examples*](#)

Add Goods/Services

For instructions on how to add item(s) to the list displayed below, click [here](#).

Section 1(a), Use in Commerce: The applicant is using the mark in commerce, or the applicant's related company or licensee is using the mark in commerce, or the applicant's predecessor in interest used the mark in commerce, on or in connection with the identified goods and/or services. 15 U.S.C. §1051(a), as amended. Applicant attaches, or will later submit, one specimen as a JPG/PDF image file showing the mark as used in commerce on or in connection with any item in the class of listed goods and/or services, regardless of whether the mark itself is in the standard character format or is a stylized or design mark. The specimen image file may be in color, and the image must be in color if color is being claimed as a feature of the mark.

NOTE: For an instructional video on what is an appropriate specimen for a good or service, [click here](#). (To view video, you must have Windows Media Player installed. For information about downloading Windows Media Player, [click here](#).) **NOTE: For attachment, the JPG/PDF image file(s) showing the specimen(s) must be on your local drive. The specimen image file must show the overall context of how the mark is used, e.g., on the packaging for the goods or in an advertisement for services, with the mark clearly displayed thereon or within. This image file should NOT be either (1) the same file used in the mark section; or (2) a newly-created image that nonetheless shows only the mark by itself. (Reminder: Within the earlier mark section, if you attached an image file for a stylized/design mark, you must ensure that it only shows the mark by itself, and does not display anything that would not truly be considered part of the actual mark, e.g., a scan of a complete business card would not be an acceptable mark image, although it may be an acceptable specimen).**

The USPTO does not determine or pre-approve what the entry should be, but simply presumes that this specific entry has been adopted to serve the function of the signature. Most signatories simply enter their names between the two forward slashes, although acceptable "signatures" could include /john doe/; /jd/; or /123-4567/. The application may still be validated to check for missing information or errors even if the **signature** and **date signed** fields are left blank; however, you must specifically click the button for "Submit application unsigned," above.
