SEARCH CES-D

Please answer the following questions about how you felt or behaved in the past week. If your answers suggest the need for treatment and you are under 18 years old, this will need to be shared with your parent or guardian.

Public reporting burden of this collection of information is estimated to average 4 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0904).

The following questions ask you about how you felt or behaved in the past week. Please read each question and shade in the best answer in the appropriate circle. Remember, there are no right or wrong answers.

The response categories are:

Rarely or none of the time (less than once per week)

Some or a little of the time (1 - 2 days per week)

Occasionally or a moderate amount of the time (3 - 4 days per week)

Most or all of the time (5 - 7 days per week)
