NAME AND ID

* Required Field(s)

Name

Prefix

* First Name

Middle Name or Initial

* Last Name

Suffix

If you have a common name, please include your middle name to help uniquely identify you.

When you submit a grant, enter your name there the same way you do here.

Email Address

* For managing this profile

NIH will use this mail if you need to reset your password or if there is no other way to reach you.

Address for Grants-Related Communication

Use contact information from current job

Select one of your job addresses to receive all grants-related communication (by email or mail)

...or update the address [Edit this job](#)

... or use a new work address [Add a new job](#)

Identification

* Date of Birth

Your birth date helps NIH staff in identifying and managing your system records.

or Do Not Wish to Provide

Social Security Number

NIH asks that you voluntarily provide the last 4 digits of your Social Security Number to accurately identify this account. [Commons Privacy Notice](#)

Citizenship Status

* Required for research training, a fellowship program, or a career development program.

* What country are you a citizen of?

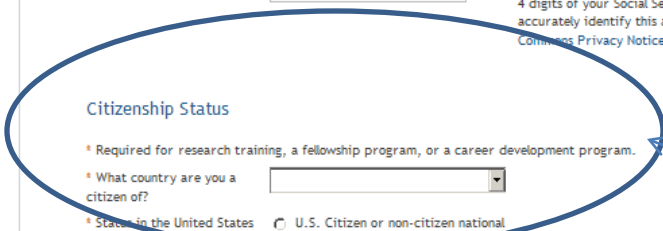

* Status in the United States U.S. Citizen or non-citizen national

Non-U.S. Citizen

With a permanent U.S. Resident visa

With a temporary U.S. Visa

Not residing in the U.S.

On screen text to be modified to also include: “*Required for Undergraduate, Graduate Students, & Postdocs

DEMOGRAPHICS

EDIT CLOSE

The information you give for gender, race, ethnicity, and disadvantaged background is used only for aggregated statistical reporting. Your individual information for these items is confidential and protected by the Privacy Act of 1974.

By filling in these items, you help NIH gather information on participation in NIH programs by people from diverse groups. That, in turn, helps NIH identify inequities in recruitment and retention, and promote diversity in science.

* Required Field(s)

Gender

* Gender

Female

Male

Do not wish to provide

This information is used only for aggregate statistical reporting.

Ethnicity and Race

* Ethnicity

Hispanic/Latino

Non-Hispanic

Do not wish to provide

* Race Check all that apply

American Indian or Alaska Native

Asian

Black or African American

Native Hawaiian or Pacific Islander

White

Do not wish to provide

Disability

* Do you have a disability?

No

Yes (Check all that apply)

Vision

Hearing

Mobility/Orthopedic

Other

Do not wish to provide

This information is used only for aggregate statistical reporting.

On screen text to be modified to read something like:

 - Other
- Do not wish to provide

aggregate statistical reporting.

Questions for Those in Training and Career Development Programs

* Required for anyone appointed to an institutional training grant, research education award, or institutional career development award

Are you delinquent on the repayment of any U.S. Federal debts?

- No
- Yes

A "yes" answer with an explanation will not necessarily keep you from getting an appointment as a trainee. However, you may be contacted to provide more information.

If your answer is "yes" you must explain.

[See examples of debts that would require a "yes" answer](#) »

Are you from a disadvantaged background?

- No
- Yes
- Do not wish to provide
- Not applicable to me - I am not an undergraduate

* Required for Trainees

You may be from a disadvantaged background if you are from one of the following:

A family with below-average income or a Social, cultural,

or

educational environment that kept you from obtaining the knowledge, skills, and abilities you need for a research career.

[See the full definition of "disadvantaged background"](#) »

EMPLOYMENT

You have 3 current jobs and 2 past jobs

Enter all research-related employment in the past 3 years. This is used to determine conflict of interest for reviewers of your grants and for your own work as a reviewer. Enter post-doctoral fellowships on this page as a job
If you have more than one job at the same institution (for example Professor and Dean), you may, but do not have to, add two separate jobs so that you can give different titles, positions, addresses, and start/end dates.

Current Jobs [Add a New Job](#)

Dates	Employment and Contact Details	Status

Reviewer Payments

Reviewer payments are made through the Secure Payment Registration System (SPRS). You must set up your bank account and other payment information there.

[Go to the Secure Payment Registration System](#) »

Eligibility for Continuous Submission

If you participate in at least 6 qualifying meetings in an 18 month period, you are eligible for Continuous Submission for the following government fiscal year. This allows you to submit a grant application as soon as it is complete.

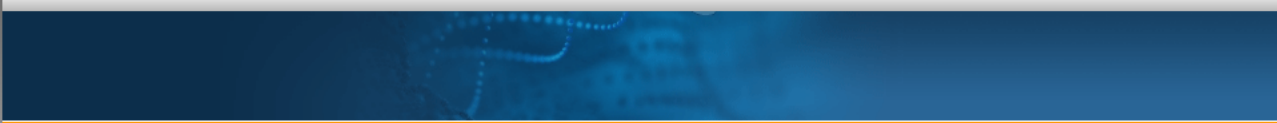

For example, 6 meetings between January 1, 2009 and June 30, 2010 make you eligible for continuous Submission from October 1, 2010 to September 30, 2011.

* Phone	<input type="text"/>	

 EDUCATION CLOSE

You have 4 completed degrees or residences and 1 in progress

Enter all post-high school degrees completed or in progress. It should also include your latest medical residency, if you have one. You may enter degrees in any order.

Your degree information is sometimes checked against grant applications or used to populate other forms. Your highest degree can affect eligibility for awards or appointments.

Trainees: This information is critical. We use it to determine eligibility, and it can affect stipends.

Medical Residency: If you entered at least one completed degree, you can add a medical residency. Commons includes information on only one medical residency at a time. If you already have a medical residency listed and you now want to tell us about a new residency, us Edit Residency to change the information.

Fellowships: Enter post-doctoral fellowships and assistantships on the Employment page.

Early Stage Investigator (ESI) Status

ESI status gives you special consideration and enhanced benefits when applying for certain grants. Young investigators have this status for 10 years after they receive a PhD.

[See more information on ESI](#) »

Your Status No longer an early stage investigator
Your PhD was compiled in 1998, over 10 years ago

 **REFERENCE LETTERS**  CLOSE

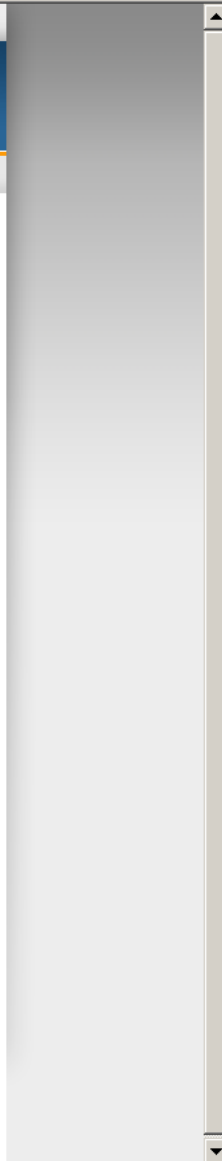

See more Information on ESI

This page lists all electronically submitted reference letters that NIH has received for you. Letters of support from potential collaborators on a grant are not listed here.

Please see your grant documentation to see oif it requires letters of reference.
[More information about reference letters](#) »

These entries will stay on this page beyond the grant for which they were received.

Date Received	Reference Letter From	Supporting Application
August 5,2009	Smith, Josephine L. Department:Cancer Biology University of Name email@university.edu	The long title of grant as listed in the project title. Grant F#@ 000000-00 FOA:XX00-000
August 10,2009	Johnson,Chris Department:Cancer Biology University Name email@university.edu	The long title of grant as listed in the project title. Grant F#@ 000000-00 FOA:XX00-000

Submit Reference Letter ?

Notes and Tips:

- If you are submitting a reference for a fellowship application, please make sure that you are using the [Fellowship Reference Form](#) that has ratings, evaluation, and referee information. Write down and keep the confirmation number you are assigned in case you need to resubmit the reference form. Previously submitted document will be overwritten if you resubmit.
- If your reference letter is not attached to your application, please check the FOA number. If this number is incorrect, the letter must be resubmitted by the referee with the correct FOA number.
