

Information Collection OMB # 1140-0005

Justification for No Material/Non-Substantive Change

The information collection instrument (ATF Form 6 Part I (5330.3A)) has the following changes: The top right hand section of the form beside – Permit No. changed “12 months” to “2 years”. On the instruction page under Approval, Item #16 first sentence, changed “12 months” to “2 years”. These changes are being made to extend the period of validity from 12 months to 2 years pursuant to Final Rule (79 CFR 7392) published on February 7, 2014 and effective April 8, 2014. Additionally, the address for the ATF Distribution Center on the instruction page Item #24 was changed from “1519 Cabin Branch Drive, Landover, MD 20785” to “13882 Redskin Drive, Herndon, VA 20171” because it relocated. All other information and burden information remains unchanged.
