

Appendix A: Total Estimated Annual Burden on Industry

Total Respondents	15,376
-------------------	--------

1. New Applicants

Total hours for recordkeeping and applications	281
Number of new applicant undergoing check ride reviews per year	84
Total hours per year for check-ride updates:	42
Total hours per year for new applicants	323
Wage rate	\$26
Total cost for new applicants	\$8,398

2. Existing Mariners

Total number of mariners submitting documentation	13,405
Number of mariners undergoing check-rides per year	134
Total hours per year for submitting documentation and seeking endorse	13,405
Total hours per year for check-ride updates	67
Total burden per year for existing mariners	13,472
Wage rate	\$26
Total cost of recordkeeping and reporting	\$350,272

3. Companies

Total number of hours spent by companies	2,074
Wage rate	\$37
Total annual cost to companies for maintaining personnel records	\$76,738

Summary

Total Annual Industry Burden (hours)	15,869
Total Annual Industry Cost	\$435,408

Appendix B: Estimated Annual Federal Government Cost

Total renewal request per year	2,671
Number of mariners seeking endorsements	50
Number of entering mariners	281
Total Number of reviews for Government	3,002
Total hours burden recordkeeping and application review	3,002
Total number of check-ride reviews	218
Total hours burden for check-ride updates	109
Total Information Collection Burden to the Government (hours)	3,111
Hourly wage rate for reviewers	\$46
Total Government Cost	\$143,106
