This Notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. In response to your comments, we may revise this ICR

Information Collection Request

Title: U.S. Coast Guard Non-Appropriated Fund Employment Application.

OMB Control Number: 1625-NEW.

SUMMARY: The USCG Non-Appropriated Employment Application form will be used to collect applicant qualification information associated with vacancy announcements both online and manually. The manual form will allow individuals without resumes, computers and/or those with limited digital literacy equal access to apply for employment opportunities with the Coast Guard Non-appropriated fund (NAF) workforce and will fill the gap created by the cancellation of the Optional Application for Federal Employment, Form OF-612, OMB No. 3206-0219.

Need: The Optional Application for Federal Employment, Form OF-612, was cancelled and the information is now collected in USA Jobs. The NAF personnel system does not utilize USA Jobs because of the high cost and high turnover rate and thus relied heavily on form OF-612 for applicants.

Non-Appropriated Fund (NAF) employment is Federal employment but does not confer civil service status. The funds used to pay the salaries of NAF employees are self-generated by the Coast Guard

Exchange and other Coast Guard Non-Appropriated Fund Instrumentalities (NAFI). Seventy five percent of the 1400 plus NAF positions are low-paid, entry level positions. According to the U.S. Federal Communications Commission, 66 million Americans lack the basic digital skills needed to use a computer and the Internet. This form will allow electronic and paper submission for employment for applicants without resumes.

Forms: CG-1227B.

Respondents: Public applying for positions with the USCG Non-appropriated fund workforce.

Frequency: Per vacancy announcement.

Burden Estimate: The estimated annual burden is 5540 hours.

Dated: April 29, 2013.

R. E. Day,
Rear Admiral, U.S. Coast Guard, Assistant Commandant for Command,
Control, Communications, Computers and Information Technology.
