

Federal Aviation Administration

Regulatory Consistency Communication Board (RCCB) Feedback Portal

This feedback portal is for individuals who recently had an issue of regulatory inconsistency worked by or through the RCCB.

Please help us understand how well our actions addressed the inconsistency you reported by responding to the questions below. Responses are voluntary and anonymous.

1. Please indicate on a scale of 1-4 if the inconsistency you reported to the RCCB got better or worse after the FAA took action.

1. Got Worse	2. No improvement	3. Some improvement	4. Resolved
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

2. Would you use the RCCB again?

- Yes
- No

3. Any other comments? (Please do not include any personally identifiable information such as name, certificate number, etc. in your response).
