QUESTIONNAIRE ABOUT MILITARY SERVICE

1. WHY WE ARE SENDING YOU THIS FORM: We are unable to locate a record with the information provided in your original inquiry OR the record needed to answer your inquiry was lost in the July 1973 fire that destroyed millions of records at the National Personnel Records Center. The records stored in the area which suffered the most damage in the fire were those of Army veterans discharged or deceased between November 1, 1912, and December 31, 1959, AND Air Force veterans discharged, deceased, or retired before January 1, 1964, whose names come alphabetically after Hubbard, James E.

The information you provide on page 2 of this form may help locate the record, if it is available; or, if the record is not available, it may enable the Center to make use of various alternate sources to reconstruct some of the basic service record data. Please note that if the *only* document you need is the Report of Separation (DD Form 214, WDAGO Form 53-55, etc.), it may be available from a former employer or from the recorder's office of the city or county where the veteran lived just after separation/discharge.

2. WHAT YOU NEED TO DO:

- Fill out page 2 of this form (NA Form 13075) as completely as possible, as well as any other form(s) you may have received with this one, such as Standard Form (SF) 180 and NA Form 13055;
- Attach copies of any papers you have that relate to the requested military service, such as military orders, award citations, and military addresses as shown on letters mailed home; and
- Send the above item(s) to the National Personnel Records Center at the address shown below or fax to (314) 801-9195. If we do not receive this information from you within 30 days, your request will be closed without further reply.
- **3. FEE FOR ARCHIVAL RECORDS:** A fee is often required for copies of documents from an archival record. An archival record is one that was transferred to the legal custody of the National Archives and Records Administration (NARA) 62 years after the subject of the record was discharged or retired, or died in service. Archival records are open to the public. Access to archival records does not require written authorization from the veteran or next-of-kin. You will be notified if there is a charge associated with information from the record you are requesting.
- **4. MEDALS INFORMATION:** Are you requesting military service medals only? If so, do you have a copy of the Report of Separation (DD Form 214, WDAGO Form 53-55, etc.) and other military papers that show which medals were earned? If you send such information about medals, you do not need to fill out this NA Form 13075; however, you must return page 2 (with the barcode) so that we can locate your original request. Finally, if possible, please send a list of the names and locations of all military units or "outfits" to which the veteran was assigned, including dates, while on active duty. This may help determine eligibility for "unit" awards.

Special provisions when a record is archival: Only requests from veterans for replacements of awards will be processed without a fee. All other requesters will be given the opportunity to purchase copies of available archival records in the custody of the National Archives and Records Administration (NARA). We will not verify entitlement to medals, provide specific documents, or extract awards information for anyone other than the veteran when the record is archival.
