## **GENERAL INFORMATION**

**Background.**--On November 24, 2008, the Department of Commerce issued a countervailing duty order on imports of China (73 F.R. 70958) and an antidumping duty order from China and Germany (73 F.R. 70959). On October 1, 2013, the Commission instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time (78 F.R. 60313). If the Commission makes affirmative determinations, the orders will remain in place. If the Commission makes negative determinations, the Department of Commerce will revoke the orders.

Please also retain a copy of any paper original document that you submit.

**Service of questionnaire response(s).**--In the event that your firm is a party to this proceeding, you are required to serve a copy of the questionnaire(s), once completed, on parties to the proceeding that are subject to administrative protective order (see 19 CFR § 207.7). This means that certain lawyers and other authorized individuals may temporarily be given access to the information for use in connection with this review or other import-injury proceedings or reviews conducted by the Commission on the same or similar merchandise; those individuals would be subject to severe penalties if the information were divulged to unauthorized individuals.

## **INSTRUCTIONS**

**Answer all questions.**--Do not leave any question or section blank unless a questionnaire expressly directs you to skip over certain questions or sections. If the answer to any question is zero or "none", enter the number zero or "none". **If information is not readily available from your records in exactly the form requested, furnish carefully prepared estimates.** Answers to questions and any necessary comments or explanations should be entered in the space provided or in a separate MS Word document submitted along with the questionnaire(s). If your firm is completing more than one questionnaire in connection with this proceeding (i.e., a producer, importer, and/or purchaser questionnaire), you need not respond to duplicated questions in the questionnaires.

**Consolidate all U.S. establishments.**--Report the requested data for your establishment(s) located in the United States. **Firms operating more than one establishment should combine the data for all establishments into a single report.**

**Electronic completion.**—Please electronically enter your responses into the Commission provided MS Word document. **Electronic submission.**--Responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with Section 508 of the Rehabilitation Act of 1973. There are three electronic submissions options detailed below.
