The National Agricultural Statistics Service (NASS) of the U.S. Department of Agriculture is conducting a survey of the Vegetable Chemical Usage for the 2013 crop year. The survey will be conducted from October, 2013 through January, 2014.

By signing this Consent Form, the Owner agrees to allow the vegetable caretaking company listed below to provide the necessary information for the completion of the Vegetable Chemical Use Survey for the selected operation to the National Agricultural Statistics Service. Authority for collection of information on the Vegetable Chemical Use Survey is Title 7, Section 2204 of the U.S. Code. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept confidential and used only for statistical purposes. Response is voluntary. Results of the survey, showing State and National level results for the selected vegetables will be available at the end of July, 2014.
