No liability shall attach to the United States Department of Agric	culture or t	to any off	icer or representative of	the Department with resp	pect to this certificate.	

L'inspecteur de Service de la Protection des végétaux dont la signature figure au recto, certifie que les végétaux, produits végétaux ou autres articles réglementés décrits ci-dessus ont été inspectés et/ou testés suivant des procédures officielles appropriées et estimés exempts d'organismes de quarantaine comme spécifié par la partie contractante importatrice; et qu'ils sont jugés conformes aux exigences phytosanitaires en vigueur de la partie contractante importatrice, y compris à celle concernant les organismes réglementés non de quarantaine. Note: Le Départment de l'Agriculture des États-Unis, ses agents ou reprèsentants ne peuvent encourir aucune responsabilité quant à la teneur de ce certificat.

El Inspector de Cuarentena Agrícola cuya firma aparece al reverso, certifica que las plantas, productos vegetales o otros artículos reglamentados descritos aquí se han inspeccionado y/o sometido a ensayo de acuerdo con los procedimientos oficiales adecuados y se considera que están libres de las plagas cuarentenarias especificadas por la parte contratante importadora y que cumplen los requisitos fitosanitarios vigentes de la parte contratante importadora, incluidos los relativos a las plagas no cuarentenarias reglamentadas. Nota: El Ministerio de Agricultura de los Estados Unidos, ni ningún funcionario ni representante de dicho Ministerio asume responsabilidad alguna con respecto a este certificado.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0052. The time required to complete this information collection is estimated to average 1.20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
