Thank you for completing the Local Agency Survey for the WIC Nutrition Education Study (NEST). This survey is being conducted for the USDA, Food and Nutrition Service (FNS) to collect information that will provide a description of how WIC agencies provide nutrition education to participants. Your local agency/program was randomly selected as part of a group of about 1,000 agencies to represent all local WIC agencies in the nation. Your responses to the survey questions will be combined with responses from the other agencies to develop a comprehensive picture of the methods, staffing, resources, and facilities used to deliver nutrition education in local WIC sites. Your input is critical in achieving the study's goal of providing a comprehensive description of WIC nutrition education. The information you provide will help strengthen and enhance WIC nutrition education efforts and highlight the efforts across the country to promote healthy eating and physical activity practices among WIC participants.

Local agencies, sites, and individual respondent names will not be identified in any study reports or publications. Although survey responses will be identifiable to FNS, the responses will not be used for compliance or monitoring activities.

Please complete the survey by MM/DD/YYYY.

Most questions include a "button" or a box to select the response. Some questions require that you enter numbers or text responses. We recommend that you review the questions before beginning the survey so that you can obtain any information needed to respond. [\[Click here\]](#) to download and print a copy of the survey.
