### WIC Nutrition Education Study Survey of Nutrition Educators

#### Nutrition Education Contacts

For all questions, nutrition education includes breastfeeding education.

**3. How do you provide nutrition education to participants who do not speak English?**  
(Select all that apply.)

- Not applicable—all participants that I work with speak English.
- I speak the same language as most of our non-English speaking participants.
- I ask a bilingual WIC staff member to interpret or translate.
- I use an interpreter or translator available at the site.
- I use a language line/phone interpreter service.
- I use a translation program on the computer.
- Participants bring family member or friend to interpret.
- Other (describe):
