*There are 3 marks per endline.
 **Each mark costs \$0.055.
 ***Each mark requires 5 minutes of time.
 Notes:
 The Year 1 cost burden represents the immediate cost of marking all buoy lines, which is required for all vessels.
 Years 2 and 3 represent the the number of vessels that will be replacing buoy line, and therefore re-marking gear, based on the useful life of the rope used.

	Total Affected Vessels
Annualized number of responses over three years (Column G divided by 3)	393,295
Annualized number of rule-related hours over three years (Column O total divided by 3)	32,775
Annualized number of rule-related recordkeeping costs over three years (Column K total divided by 3)	\$21,631

*There are 3 marks per endline.
 **Each mark costs \$0.055.
 ***Each mark requires 5 minutes of time.
 Notes:
 The Year 1 cost burden represents the immediate cost of marking all buoy lines, which is required for all vessels.
 Years 2 and 3 represent the the number of vessels that will be replacing buoy line, and therefore re-marking gear, based on the useful life of the rope used.

	Total Affected Vessels
Annualized number of responses over three years (Column G divided by 3)	393,298
Annualized number of rule-related hours over three years (Column O total divided by 3)	32,775
Annualized number of rule-related recordkeeping costs over three years (Column K total divided by 3)	\$21,631
