OMB No: 0910-0674

Expiration Date: 03/31/2016

**Paperwork Reduction Act Statement:** The public reporting burden for this portion of the collection of information has been estimated to average 7 minutes per response (the time estimated to understand the instructions and answer the questions). Send comments regarding this burden estimate or any other aspects of this information collection, including suggestions for reducing burden, to [PRASStaff@fda.hhs.gov](mailto:PRASStaff@fda.hhs.gov).

# Screenener

We are looking for about 20 students to be part of two discussion groups after school. If you are selected and agree to take part in the research activities, you will receive a \$25 VISA gift card that can be used anywhere. Please answer the questions on the following page to see if you qualify. We will let you know if you have been selected to participate in your last period class today. The discussion groups will take approximately 90 minutes on [insert research day and date] after school.

Only the researchers will know what you write. We will not share the answers you give with anyone outside of the research study. Please rest assured that any information you provide about your attitudes, beliefs and behaviors will **not** be shared with your school or your parent(s)/guardian(s).

Please answer the questions based on what you really do, and answer every question you are comfortable with. There are no right or wrong answers to these questions. Read the instructions carefully and let us know if you have any questions.

**Thank you very much for your help.**
