**Parent Introduction:**

Hello, this is \_\_\_\_\_ from [FACILITY NAME], a local market research firm. May I please speak to Mr. Ms. \_\_\_\_\_?

(Hello, Mr./Ms. \_\_\_\_\_ this is \_\_\_\_\_ from [FACILITY NAME], a local market research firm. We are working with RTI International, a nonprofit research organization, and the Food and Drug Administration (FDA) on a research study about tobacco products. I want to assure you that we are not from a tobacco company or a company that sells quit-smoking aids. I would like to talk to you about a study we plan to conduct for the Food and Drug Administration. We are recruiting for an upcoming group discussion in which participants will be asked to discuss their knowledge and beliefs related to cigarettes. We believe it is particularly important to talk with teens about this issue. Can we speak to \_\_\_\_\_ **[teen's name]** to see if he/she is able to participate in the study? If he/she is able to participate, we will need you to sign a permission form prior to his/her participation in the study. If your child qualifies for the study, I will ask to speak to you again at the end of the call so that I can give you more information. Before I ask to speak with \_\_\_\_\_ **[teen's name]**, I'd like you to ask [him/her] to go sit somewhere that's quiet and private, where no one else can hear [his/her] answers.

IF PARENT QUESTIONS THE NEED FOR PRIVACY, SAY:

We have a rule that everyone who participates in our research is assured privacy to the fullest extent allowable by law, including children.

**Adolescent Introduction:**

Hello \_\_\_\_\_, my name is \_\_\_\_\_. I'm with [FACILITY NAME]. We're working with RTI International, a nonprofit research organization, and the Food and Drug Administration (FDA) on a research study about tobacco products, and we're interested in talking to teens about cigarette smoking.

We are holding a focus group discussion on [DATE] with approximately 9 other teens like you. The discussion group starts at [TIME] and will last no longer than 90 minutes. . For study purposes, the group discussion will be audio recorded, and FDA project team members may observe the discussion via video-streaming. In appreciation for your participation, you will be reimbursed for your time, effort, and travel expenses. Participation in the group is completely voluntary, and your

responses will be kept private to the extent allowable by law. Would it be OK if I ask you a few questions now in order to see if you are eligible to be in one of the groups? Your answers to these questions will also be kept private to the extent allowable by law.

[YES] Continue. Great! Please find a comfortable place where you like to sit, where it is quiet and you can talk by yourself and where you are the only person who can hear my questions and nobody else can hear your answers. Have you found a good place? (Do you want to take a minute to find a place where you can talk by yourself?)
