

RTI/FDA Tobacco Focus Groups - Adults
Screening Questionnaire
Cigarette Knowledge and Beliefs

Hello, this is _____ from [FACILITY NAME], a local market research firm. May I please speak to_____?

(Hello, this is _____ from [FACILITY NAME], a local market research firm.) We are working with RTI International, a nonprofit research organization, and the Food and Drug Administration (FDA) on a research study about tobacco products, and would like to include your opinions. I want to assure you that we are not from a tobacco company or a company that sells quit-smoking aids.

We are holding a focus group discussion* on [DATE] with approximately 9 other people like you. The discussion group starts at [TIME] and will last no longer than 90 minutes. For study purposes, the group discussion will be audio recorded, and FDA project team members may observe the discussion via video streaming.

* If the respondent doesn't know what a "focus group" is or needs clarification, say "a focus group is just another name for a group discussion. It involves a group of individuals who talk about a particular topic such as tobacco use."

In appreciation for your participation, you will be reimbursed for your time, effort, and travel expenses. Participation in the group is completely voluntary and your responses will be kept private to the fullest extent allowed by law. Would it be OK if I ask you a few questions now in order to see if you are eligible to be in one of the groups?

- Yes – ***Continue.***
- No – ***Thank and end call.***
