We are looking for students to take part in a focus group after school. If you are selected and agree to take part, you will receive a \$25 gift card that can be used anywhere.

Please answer the questions on the following pages to see if you qualify. We will let you know during your last period class if you were selected. If so, you will be asked to stay after school for 90 minutes on [DATE].

Only the researchers will know how you answer. We will not share the answers you give with anyone outside of the research study. There are no right or wrong answers to these questions.
