## Phase 2 – Focus Group Participant Screener

### Introduction

Hello, my name is \_\_\_\_\_ and I'm from [name of company]. I'm calling on behalf of RTI International, a non-profit research organization, about a research study. I'm not selling or promoting any product.

The purpose of this study is to learn more about how people and their spouses/partners discuss health issues with one another. We will be conducting several focus groups on this topic. To see if you are eligible, I'd like to ask you some questions. If you are eligible and choose to participate, all of your comments will be kept private and we will reimburse you \$75 at the end of the focus group.

May I continue?

Yes → CONTINUE

No → [Thank respondent and end call.]

**Focus Group Invitation:**

Thank you for answering all of my questions. Based on your responses, you appear eligible to participate in our study and join one of our focus groups.

Each focus group will last about 90 minutes and should be very interesting. No one will try to sell you anything, and no one will call you later because you participated. We will reimburse you \$75 at the end of the discussion for your time and participation. We can invite only a few individuals to take part, and if it's okay, we would like to record the discussion. Can I schedule your participation?

The focus groups will take place on [DATES AND TIMES TBD]. Which date and time would work best for you?

**Patient Groups:** 1 [Male Only] 2 [Female Only] 3 [Mixed Sex]

**Spouse Groups:** 4 [Male Only] 5 [Female Only] 6 [Mixed Sex]

Your participation in this study is very important. If for some reason you will not be able to attend, please let us know right away. You can call us anytime at [INSERT PHONE NUMBER], and if we are not here, please leave a message.

**Closing for Ineligible Participants:**

I'm sorry, but you are not eligible for this study. There are many possible reasons why people are not eligible. These reasons were decided earlier by the researchers. However, thank you for your interest in this study and for taking the time to answer our questions today.
