WARNING

Inhalation hazard.

Product releases **formaldehyde gas when heated**. Avoid exposure to vapors. Use **ONLY** in well-ventilated areas. Use suitable eye and skin protection when applying and rinsing product to avoid skin and scalp irritation and eye injury. Do not use on hair that is breaking, splitting, shedding, or damaged. If skin contact occurs, wash immediately.

Product **SHOULD NOT** be used on formaldehyde-sensitive individuals or clients with pre-existing medical conditions (e.g. asthma or other respiratory conditions).

If you are nursing or pregnant do not use the product without first consulting your physician.

If ingestion or eye contact occurs, call a physician immediately.

In the event of illness or medical emergency seek medical attention immediately.
