

"Community-based Organization (CBO) Monitoring and Evaluation
Project of WILLOW (CMEP-WILLOW)"

Attachment 5a

Baseline Survey

“Community-based Organization (CBO) Monitoring and Evaluation Project of WILLOW (CMEP-WILLOW)”

Baseline Survey

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

CMEP-WILLOW BASELINE DATA COLLECTION: General Information
(to be completed by staff)

The following section will be completed by CMEP-WILLOW staff.

G1. Client ID: _____ [QDS QA Check: This number cannot be longer than 4 digits]

G2. Staff ID: _____

G3. Data collection date: ____/____/____ [QDS Instructions: drop-down menu]
(MM/DD/YYYY)

G4. Data collection site: _____

G5. Data administered by: (Choose one)

- Client
- Provider (in-person)
- Provider (on phone)

G6. Data collection method: (Choose one)

- Laptop
- Handheld device
- Hard copy

G7. In the past 3 months, have you... (Choose all that apply)

- Participated in a face-to-face group discussion about HIV prevention, HIV testing or safer sex practices
- Participated in an on-line discussion about HIV prevention, HIV testing, or safer sex practices
- Received condoms or a safe sex kit
- Received HIV Case Management services
- Received Partner Services
- Received written information about HIV/AIDS or STDs
- Received other HIV prevention services (if yes, specify _____)
- Has not participated in discussions or received materials related HIV/AIDS or STDs
- Decline to answer

G8. In the past 3 months, has the client participated in any HIV prevention interventions (e.g., CDC effective behavioral interventions [EBIs])? (Choose one)

- Yes
- No [QDS Skip: Skip to G10]
- Decline to answer

G9. If yes, which one(s)? (Choose all that apply) (Note: These interventions may be called a different name at each agency)

**CMEP-WILLOW DATA COLLECTION: Client-level Data
(to be completed by client)**

Thank you for agreeing to participate in this survey. This survey is about your attitudes and behaviors regarding sex and sexually transmitted diseases (STDs). Many of the questions are very personal. Your answers will be kept private. Please answer as honestly and openly as you can. Do not hesitate to ask if you don't understand a question or need help figuring out dates. There are no right or wrong answers. Let's get started.

Demographics

The first set of questions asks you to provide some general information about yourself.

1. ***(G112) What year were you born?** ____ ____ ____ ____ [QDS Instructions: drop down menu]
2. **How old are you?** _____ [QDS QA Check: Respondents cannot be younger than 18 at time of data collection] [QDS QA Check: Q2 = current year minus Q1 OR current year minus (Q1-1)]
3. ***(G120) In which state do you currently live?** (Choose one)
 - Florida
 - Massachusetts
 - New York
 - New Jersey
 - Connecticut
 - Other (Specify) _____
4. ***(G114) Are you:** (Choose one)
 - Hispanic or Latino
 - Not Hispanic or Latino
 - Don't know
 - Decline to answer
5. ***(G116) What is your race?** (Choose all that apply)
 - American Indian or Alaska Native
 - Asian
 - Black or African American
 - Native Hawaiian or Pacific Islander
 - White
 - Don't know [QDS QA Check: If any of the first 5 are checked, 'Don't know' should not be enabled]
 - Decline to answer [QDS QA Check: If any of the first 5 are checked, 'Decline to Answer' should not be enabled]

6. ***(G123) What was your sex at birth?** (This is the biological sex on your birth certificate.) (Choose one)

- Male
- Female
- Decline to answer

7. ***(G124) How do you currently identify yourself?** (Choose one)

- Male
- Female
- Transgender – Male to female [QDS QA Check: If selected, include section about female partners]
- Transgender – Female to male
- Other (Specify if your gender is not one of the choices above): _____
- Decline to answer

8. **Where were you born?** (Choose one)

- U.S. [QDS QA Check: If selected, then skip to Q10]
- Other, specify: _____
- Decline to answer

9. **What year did you come to live in the U.S?** _____

[QDS QA Check: Year must be greater than or equal to Q1 and less than or equal to current year]

- Decline to answer

10. **What is your first language?**

- English
- Spanish
- Portuguese
- Creole
- Other, specify _____

11. **What is your current marital status?** (Choose one)

- Never married
- Married
- Separated
- Divorced
- Widowed
- Decline to answer

12. **What is the highest level of education that you have completed?** (Choose one)

- No schooling completed
- 8th grade or less
- Some high school
- High school graduate/GED
- Some college (including technical school or training)
- Bachelor's degree
- Post-graduate (Master's-level degree)
- Post-graduate (Doctoral-level degree)
- Decline to answer

13. Are you currently ...? (Choose all that apply)

- Employed for wages
- Self-employed
- Unemployed
- Receiving unemployment benefits
- Receiving public financial assistance (e.g., food stamps)
- Receiving social security and/or disability
- A homemaker
- A student
- Retired
- Unable to work
- Decline to answer

HIV & STD Testing, Medical Care, and Other HIV Services

The next set of questions is about your history with HIV and STD testing, medical care, and other HIV services.

14. *(G204) Have you ever been tested for HIV? (Choose one)

- Yes
- No
- Decline to answer

15. *(G205) What was the result of your last HIV test? (Choose one)

- Positive
- Negative
- Don't know
- Decline to answer

16. When did you first test positive for HIV? ____/____/____

(If you do not remember the month or year, please provide your best estimate.)

(QDS Instructions: drop down boxes for month and year; QDS QA Check: year must be after 1985 and month and year cannot be greater than current month and year. Options are available if client does not remember the month and/or year, and these options are "grayed.")

- Don't remember which month
- Don't remember which year
- Decline to answer

17. *(G208) Have you seen a primary health care provider (doctor, nurse, etc.) for HIV-related care in the last 6 months? (Choose one)

- Yes
- No
- Decline to answer

18. Have you been prescribed (anti-retroviral) medication for your HIV? (Choose one)

- Yes
- No [QDS Skip: If no, then skip to Q20]
- Decline to answer

19. Have you been taking these HIV medications as directed over the last 6 months? (Choose one)

- Yes
- No
- Decline to answer

20. In the last 12 months (1 year), has a health care provider told you that you have/had any of the following? (Choose all that apply)

- Gonorrhea (clap or drip)
- Syphilis (“syphpox” or “bad blood”)
- Chlamydia
- No, I have not been diagnosed with a STD in the last 12 months [QDS Skip: Skip to Q22; QDS QA Check: If any of the first 3 are checked, this response should not be enabled]
- Decline to answer [QDS QA Check: If any of the first 4 are checked, ‘Decline to Answer’ should not be enabled]

21. In the last 3 months (90 days), has a health care provider told you that you have/had any of the following? (Choose all that apply)

- Gonorrhea
- Syphilis
- Chlamydia
- No, I have not been diagnosed with a STD in the last 3 months [QDS QA Check: If any of the first 3 are checked, this response should not be enabled]
- Decline to answer [QDS QA Check: If any of the first 4 are checked, ‘Decline to Answer’ should not be enabled]

22. Are you pregnant? (Choose one) [QDS QA Check: Do not ask if transgender male to female]

- Yes
- No [QDS Skip: Skip to Q24]
- Don’t know [QDS Skip: Skip to Q24]
- Decline to answer

23. Are you in prenatal care? (Choose one) [QDS QA Check: Do not ask if transgender male to female]

- Yes
- No
- Decline to answer

Drug Use and Living Situation

The next of set questions are about your experience with drugs and your living situation.

24. *(G211) In the last 12 months (1 year), have you injected drugs? (This includes illegal drugs and other substances such as silicone, botox, hormones, etc.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q29]
- Decline to answer

25. *(G214) In the last 12 months (1 year), which drugs have you injected?

- Heroin and cocaine together
- Heroin alone
- Crack
- Other narcotic drugs, specify: _____
- Steroids
- Botox
- Decline to answer [QDS QA Check: If any of the first 11 are checked, 'Decline to Answer' should not be enabled]
- Cocaine alone
- Amphetamines, speed, crystal, meth, ice
- Hormones
- Silicone
- Other medical substance: specify: _____

26. In the last 12 months (1 year), have you shared needles, syringes or works? (That is, you let someone else use your needles, syringes or works, or you borrowed someone else's needles, syringes or works to inject drugs.) (Choose one)

- Yes
- No [QDS Skip: If no, go to Q27 but skip Q28]
- Decline to answer

27. In the last 3 months (90 days), have you injected drugs? (This includes illegal drugs and other substances such as silicone, botox, hormones, etc.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q29]
- Decline to answer

28. In the last 3 months (90 days), how often did you share needles, syringes, or works? (That is, you let someone else use your needles, syringes or works, or you borrowed someone else's needles, syringes or works to inject drugs.) (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

29. In the last 3 months (90 days), were you homeless at any time? (That is, you slept in a shelter for homeless people, on the streets, in a car, or another place not intended for sleeping. In other words, you didn't have a permanent address.) (Choose one)

- Yes
- No
- Decline to answer

30. In the last 3 months (90 days), were you in jail or prison for more than 24 hours? (Choose one)

- Yes
- No
- Decline to answer

Sexual Risk Behaviors with Male Partners

The next series of questions will ask about sex you have had with a man. These questions are only asking about vaginal or anal sex you have had with a man. They are **NOT** asking about oral sex (giving/getting blow jobs or head).

Vaginal sex is when **a man puts his penis in your vagina (hole in front)**. **Anal sex** is when **a man puts his penis into your anus (butt, hole in back)**. **Condom use** refers to the use of a **male condom**, unless a female condom is mentioned.

Sex with Men in the Last 12 Months (1 year)

The next few questions ask about anal sex you've had with men over the last 12 months (1 year).

31. *(G211) In the last 12 months (1 year), have you had vaginal or anal sex with a man? (Choose one)

- Yes
- No [QDS Skip: If no, then only ask Q41-Q45, Q107-Q109, Q111-177]
- Decline to answer

32. *(G212) In the last 12 months (1 year), did you have vaginal or anal sex with a man... (Choose all that apply)

- Without a condom
- While you were drunk or high on drugs
- So you could get drugs, money, a place to stay, clothing, or something else you needed
- None of the above [QDS QA Check: If first 3 are checked, 'None of the above' not be allowed]
- Decline to answer [QDS QA Check: If first 4 are checked, 'Decline to Answer' not be enabled]

33. *(G212) In the last 12 months (1 year), did you have sex with a man... (Choose all that apply)

- Who has sex with another man
- Who has sex with others so he could get drugs, money, a place to stay, clothing, or something else he needed
- Who was an injection drug user (Someone who injected illegal drugs or other substances such as silicone, botox, hormones, etc.)
- Whose was HIV-negative
- Who was HIV-positive
- Whose HIV status you don't know
- Who was a stranger (You do not know the person's name and have no way to contact the person again in the future)
- Who was a hemophiliac, recipient of a blood transfusion, or a transplant recipient

- None of the above [QDS QA Check: If any of the first 7 are checked 'Decline to Answer' should not be enabled]
- Decline to answer [QDS QA Check: If any of the first 8 are checked 'Decline to Answer' should not be enabled]

Sex with Men in the Last 3 months (90 days)

The next questions ask about vaginal or anal sex you've had with men over the last 3 months (90 days). Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero).

34. In the last 3 months (90 days), have you had vaginal or anal sex with a man? (Choose one)

- Yes
- No [QDS Skip: If no, then only ask Q41-Q45, Q107-109, Q111-177]
- Decline to answer

35. In the last 3 months (90 days), how many men have you had vaginal or anal sex with? (Choose one)

- _____ # partners [QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q34 to having vaginal or anal sex with a male in the last 3 months; QDS QA Check: If Q35 ≥ 46 ask the respondent to confirm]
- Decline to answer

36. In the last 3 months (90 days), how many times have you had vaginal or anal sex with a man?

- (Choose one)
- _____ # times [QDS QA Check: Q36 ≥ Q35. If no, then tell respondent that the number of times must be greater than or equal to the number of partners and have them verify Q35 and Q36; QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q34 to having anal sex with a male in the last 3 months]
 - Decline to answer

37. Of the (#) [QDS Instructions: Populate with Q36 # response] times you had vaginal or anal sex with a man during the last 3 months, how many times did you use a condom? (Choose one)

- _____ # times -[QDS QA Check: Q37 ≤ Q36. If no, then tell respondent that the number of times they used a condom must be less than or equal to the number of times they had sex and have them verify Q36 and Q37; QDS QA Skip: If Q37 = Q36 or Q37 = 0, skip (do not ask) Qs 40,47,49,51,53,55,57,59,61,63,65,67,105, or 106]
- Decline to answer

38. In the last 3 months (90 days), when you had vaginal or anal sex with a man, how often were you drunk or high on drugs? (Choose one)

- Never [QDS Skip: Skip to Q41]
- Less than half the time
- Half the time
- More than half the time
- All the time
- Decline to answer

39. In the last 3 months (90 days), when you had vaginal or anal sex with a man while high or drunk, which were you using? (Choose all that apply)

- | | |
|--|---|
| <input type="checkbox"/> Amphetamines, meth, speed, crystal, ice or crank | <input type="checkbox"/> Crack |
| <input type="checkbox"/> Heroin (injected, smoked, or snorted) | <input type="checkbox"/> Poppers (Amyl nitrate) |
| <input type="checkbox"/> Painkillers (including Oxycontin, Percocet) | <input type="checkbox"/> Downers (Valium, Ativan, Xanax) |
| <input type="checkbox"/> Club drugs such as GHB (G), Ketamine (K) | <input type="checkbox"/> Ecstasy (E) |
| <input type="checkbox"/> Marijuana (pot) | <input type="checkbox"/> Hallucinogens such as LSD (acid) |
| <input type="checkbox"/> Cocaine (smoked, snorted, or injected) | <input type="checkbox"/> Alcohol |
| <input type="checkbox"/> Other: _____ | |
| <input type="checkbox"/> Decline to answer [QDS QA Check: If any of the first 13 are checked, 'Decline to Answer' should not be enabled] | |

40. In the last 3 months (90 days), when you had vaginal or anal sex with a man while high or drunk, how often did you use condoms? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next questions ask about vaginal and anal sex with your **MALE** primary/main and casual sexual partners.

A primary/main partner is someone you have a special emotional connection with, live with, love, and/or call your boyfriend/husband.

A casual partner is someone you have had sex with but do not consider to be a primary/main partner. A casual partner may be someone you have had sex with one time or many times.

Some of the questions in this section will ask you to report numbers. If your answer is 0 (zero), please enter 0 in the space provided.

41. Do you currently have a primary or main male partner? (Choose one)

- Yes
- No [QDS QA Skip: Skip to Q46]
- Decline to answer

42. How long have you been with your current primary or main male partner? (Choose one)

- Less than 6 months
- 6 months to 1 year
- 1 to 5 years
- Longer than 5 years
- Decline to answer

43. Are you living with your primary or main male partner? (Choose one)

- Yes
- No
- Decline to answer

44. Are you financially dependent on your primary or main male partner? (Choose one)

- Yes
- No
- Decline to answer

45. Is your current primary or main male partner HIV-positive? (Choose one)

- Yes
- No
- Don't know
- Decline to answer

46. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q35 # response] men that you have had vaginal or anal sex with were primary/main partners? (Choose one)

- _____ # primary/main partners -[QDS QA Check: Q46 must be less than or equal to Q35. If not, then tell client that the number of primary/main male partners must be less or equal to the total number of male and ask them to confirm their answers to Q35 and Q46; QDS QA check If $Q46 \geq 10$, refer respondent to the definition of primary/main partner and ask them to confirm the number of primary/main partners; QDS QA Check: If response = 0 skip to Q48]
- Decline to answer

47. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your male primary/main partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

48. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q #35 response] men that you have had vaginal or anal sex with were casual partners? (Choose one)

- _____ # casual partners (If 0, enter 0) [QDS QA Check: $Q46 + Q48 = Q35$. If no, tell client that the number of primary/main partners plus the number of casual partners must equal the total number of male partners. Ask client to confirm Q35, 46, and 48; QDS QA Check: If response = 0 skip to Q50]
- Decline to answer

49. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your male casual partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next set of questions is about the characteristics of the male partners you've had vaginal or anal sex with. Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero) in the space provided.

50. In the last 3 months (90 days), did you have vaginal or anal sex with a male who had an HIV status that was unknown to you? (Choose one)

- Yes
- No [QDS Skip: Skip to Q52]
- Decline to answer

51. In the last 3 months (90 days), how often did you use condoms when you had a vaginal or anal sex with your male partner(s) whose HIV status you didn't or don't know? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

52. In the last 3 months (90 days), did you have vaginal or anal sex with a male who was HIV-negative? (Choose one)

- Yes
- No [QDS Skip: Skip to Q54]
- Decline to answer

53. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who was HIV-negative? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

54. In the last 3 months (90 days), did you have vaginal or anal sex with a male only one time? (That is, a one-night stand.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q56]
- Decline to answer

55. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who you had vaginal or anal sex with only one time? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

56. In the last 3 months (90 days), did you have vaginal or anal sex with a male who was a stranger or anonymous? (That is, you do not know their name and you have no way of contacting them.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q58]
- Decline to answer

57. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your anonymous male partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

58. In the last 3 months (90 days), did a male sex partner give you money, drugs, a place to stay, clothing, or something else you needed in exchange for vaginal or anal sex? (Choose one)

- Yes
- No [QDS Skip: Skip to Q60]
- Decline to answer

59. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with a man who gave you money, drugs, a place to stay, clothing, or something else you needed in exchange for vaginal or anal sex? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

60. In the last 3 months (90 days), did you give a male sex partner money, drugs, a place to stay, clothing, or something else they needed in exchange for vaginal or anal sex? (Choose one)

- Yes
- No [QDS Skip: Skip to Q62]
- Decline to answer

61. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who you gave money, drugs, a place to stay, clothing, or something else they needed in exchange for vaginal or anal sex? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

62. In the last 3 months (90 days), did you have vaginal or anal sex with a male who you knew was an injection drug user? (That is, they injected illegal drugs or other substances such as silicone, botox, hormones, etc.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q64]
- Decline to answer

63. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who injected drugs? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

64. In the last 3 months (90 days), did you have vaginal or anal sex with a male who you knew had spent more than 24 hours in jail?

- Yes
- No [QDS Skip: Skip to Q66]
- Decline to answer

65. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who had spent more than 24 hours in jail? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

66. In the last 3 months (90 days), did you have vaginal or anal sex with a male who had a STD like syphilis (syphpox), Chlamydia, or gonorrhea (clap)? (Choose one)

- Yes
- No [QDS Skip: Skip to Q105 unless Male to Female Transgender, then skip to Q68]
- Decline to answer

67. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who had syphilis, Chlamydia, or gonorrhea? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

Sexual Risk Behaviors with Female Partners

[QDS Check: This section is only for Male to Female Transgender]

The next series of questions will ask about sex you have had with a woman. These questions are only asking about vaginal or anal sex you have had with a woman. They are **NOT** asking about oral sex (giving/getting blow jobs or head).

Vaginal sex is when **you put a penis in a vagina (hole in front)**. **Anal sex** is when **you puts a penis into an anus (butt, hole in back)**. **Condom use** refers to the use of a **male condom**, unless a female condom is mentioned.

Sex with Women in the Last 12 Months (1 year)

The next few questions ask about anal sex you've had with women over the last 12 months (1 year).

68. *(G211) In the last **12 months** (1 year), have you had vaginal or anal sex with a woman? (Choose one)

- Yes
- No [QDS Skip: If no, then only ask Q78-Q82, Q107-109, Q111-177]
- Decline to answer

69. *(G212) In the last **12 months** (1 year), did you have vaginal or anal sex with a woman... (Choose all that apply)

- Without a condom
- While you were drunk or high on drugs
- So you could get drugs, money, a place to stay, clothing, or something else you needed
- None of the above [QDS QA Check: If first 3 are checked, 'None of the above' not be allowed]
- Decline to answer [QDS QA Check: If first 4 are checked, 'Decline to Answer' not be enabled]

70. *(G212) In the last **12 months** (1 year), did you have sex with a woman... (Choose all that apply)

- Who has sex with others so she could get drugs, money, a place to stay, clothing, or something else he needed
- Who was an injection drug user (Someone who injected illegal drugs or other substances such as silicone, botox, hormones, etc.)
- Whose was HIV-negative
- Who was HIV-positive
- Whose HIV status you don't know
- Who was a stranger (You do not know the person's name and have no way to contact the person again in the future)
- Who was a hemophiliac, recipient of a blood transfusion, or a transplant recipient
- None of the above [QDS QA Check: If any of the first 7 are checked 'None of the above' should not be enabled]
- Decline to answer [QDS QA Check: If any of the first 8 are checked 'Decline to Answer' should not be enabled]

Sex with Women in the Last 3 months (90 days)

The next questions ask about vaginal or anal sex you've had with women over the last 3 months (90 days). Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero).

71. In the last 3 months (90 days), have you had vaginal or anal sex with a woman? (Choose one)

- Yes
- No [QDS Skip: If no, then only ask Q78-Q82, Q107-109, Q111-177]
- Decline to answer

72. In the last 3 months (90 days), how many women have you had vaginal or anal sex with? (Choose one)

- _____ # partners [QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q71 to having vaginal or anal sex with a female in the last 3 months; QDS QA Check: If $Q72 \geq Q83$ ask the respondent to confirm]
- Decline to answer

73. In the last 3 months (90 days), how many times have you had vaginal or anal sex with a woman? (Choose one)

- _____ # times [QDS QA Check: $Q73 \geq Q72$. If no, then tell respondent that the number of times must be greater than or equal to the number of partners and have them verify Q72 and Q73; QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q71 to having anal sex with a female in the last 3 months]
- Decline to answer

74. Of the (#) [QDS Instructions: Populate with Q73 # response] times you had vaginal or anal sex with a woman during the last 3 months, how many times did you use a condom? (Choose one)

- _____ # times- [QDS QA Check: $Q74 \leq Q73$. If no, then tell respondent that the number of times they used a condom must be less than or equal to the number of times they had sex and have them verify Q73 and Q74; QDS QA Skip: If $Q74 = Q73$ or $Q74 = 0$, skip (do not ask) Qs 77, 84, 86, 88, 90, 92, 94, 96, 98, 100, 102, 104, 105, or 106]
- Decline to answer

75. In the last 3 months (90 days), when you had vaginal or anal sex with a woman, how often were you drunk or high on drugs? (Choose one)

- Never [QDS Skip: Skip to Q78]
- Less than half the time
- Half the time
- More than half the time
- All the time
- Decline to answer

76. In the last 3 months (90 days), when you had vaginal or anal sex with a woman while high or drunk, which were you using? (Choose all that apply)

- | | |
|--|---|
| <input type="checkbox"/> Amphetamines, meth, speed, crystal, ice or crack | <input type="checkbox"/> Crack |
| <input type="checkbox"/> Heroin (injected, smoked, or snorted) | <input type="checkbox"/> Poppers (Amyl nitrate) |
| <input type="checkbox"/> Painkillers (including Oxycontin, Percocet) | <input type="checkbox"/> Downers (Valium, Ativan, Xanax) |

| <input type="checkbox"/> Marijuana (pot) | <input type="checkbox"/> Hallucinogens such as LSD (acid) |
| <input type="checkbox"/> Cocaine (smoked, snorted, or injected) | <input type="checkbox"/> Alcohol |
| <input type="checkbox"/> Other: _____ | |
| <input type="checkbox"/> Decline to answer [QDS QA Check: If any of the first 13 are checked, 'Decline to Answer' should not be enabled] | |

77. In the last 3 months (90 days), when you had vaginal or anal sex with a woman while high or drunk, how often did you use condoms? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next questions ask about vaginal and anal sex with your **FEMALE** primary/main and casual sexual partners.

A primary/main partner is someone you have a special emotional connection with, live with, love, and/or call your girlfriend/wife.

A casual partner is someone you have had sex with but do not consider to be a primary/main partner. A casual partner may be someone you have had sex with one time or many times.

Some of the questions in this section will ask you to report numbers. If your answer is 0 (zero), please enter 0 in the space provided.

78. Do you currently have a primary or main female partner? (Choose one)

- Yes
- No [QDS QA Skip: Skip to Q83]
- Decline to answer

79. How long have you been with your current primary or main female partner? (Choose one)

- Less than 6 months
- 6 months to 1 year
- 1 to 5 years
- Longer than 5 years
- Decline to answer

80. Are you living with your primary or main female partner? (Choose one)

- Yes
- No
- Decline to answer

81. Are you financially dependent on your primary or main female partner? (Choose one)

- Yes
- No
- Decline to answer

82. Is your current primary or main female partner HIV-positive? (Choose one)

- Yes
- No
- Don't know
- Decline to answer

83. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q72 # response] women that you have had vaginal or anal sex with were primary/main partners? (Choose one)

- _____ # primary/main partners [QDS QA Check: Q83 must be less than or equal to Q72. If not, then tell client that the number of primary/main female partners must be less or equal to the total number of females and ask them to confirm their answers to Q72 and Q83; QDS QA check If $Q83 \geq 10$, refer respondent to the definition of primary/main partner and ask them to confirm the number of primary/main partners; QDS QA Check: If response = 0 skip to Q85]
- Decline to answer

84. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your female primary/main partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

85. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q2 #72 response] women that you have had vaginal or anal sex with were casual partners? (Choose one)

- _____ # casual partners (If 0, enter 0) [QDS QA Check: $Q83 + Q85 = Q72$. If no, tell client that the number of primary/main partners plus the number of casual partners must equal the total number of female partners. Ask client to confirm Q72, Q83, and Q85; QDS QA Check: If response = 0 skip to Q87]
- Decline to answer

86. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your female casual partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next set of questions is about the characteristics of the female partners you've had vaginal or anal sex with. Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero) in the space provided.

87. In the last 3 months (90 days), did you have vaginal or anal sex with a female who had an HIV status that was unknown to you? (Choose one)

- Yes
- No [QDS Skip: Skip to Q89]
- Decline to answer

88. In the last 3 months (90 days), how often did you use condoms when you had a vaginal or anal sex with your female partner(s) whose HIV status you didn't or don't know? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

89. In the last 3 months (90 days), did you have vaginal or anal sex with a female who was HIV-negative? (Choose one)

- Yes
- No [QDS Skip: Skip to Q91]
- Decline to answer

90. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your female partner(s) who was HIV-negative? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

91. In the last 3 months (90 days), did you have vaginal or anal sex with a female only one time? (That is, a one-night stand.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q93]
- Decline to answer

92. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your female partner(s) who you had vaginal or anal sex with only one time? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

93. In the last 3 months (90 days), did you have vaginal or anal sex with a female who was a stranger or anonymous? (That is, you do not know their name and you have no way of contacting them.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q95]
- Decline to answer

- Yes
- No
- Decline to Answer

Self-Efficacy about Negotiation and Condom Use

The next questions ask about which kinds of situations are more difficult for you to use condoms when you have sex with your partner. Even if the situation has not happened to you, try to imagine how you would handle it if it ever happened.

119. Can you discuss condom use with your partner? (Choose one)

- Yes
- Maybe
- No
- Decline to answer

120. Can you insist on condom use if your partner does not want to use one? (Choose one)

- Yes
- Maybe
- No
- Decline to answer

121. Can you stop and look for condoms when you are sexually aroused? (Choose one)

- Yes
- Maybe
- No
- Decline to answer

122. Can you insist on condom use every time you have sex even when you are under the influence of drugs or alcohol? (Choose one)

- Yes
- Maybe
- No
- Decline to answer

123. Can you insist on condom use every time you have sex even when your partner is under the influence of drugs? (Choose one)

- Yes
- Maybe
- No
- Decline to answer

124. Can you insist on condom use every time you have sex even if you or your partner uses another method to prevent pregnancy? (Choose one)

- Yes
- Maybe
- No
- Decline to answer

125. Can you put a condom on your partner without spoiling the mood? (Choose one)

- Yes
- Maybe
- No
- Decline to answer

Self-Efficacy about Using Condoms

The next questions are about your confidence in using condoms. Even if you've never used condoms before, think about how confident you would be if you were to use them in the future.

HOW CONFIDENT (SURE) ARE YOU THAT YOU COULD...

126. Put a condom on a hard penis. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

127. Unroll a condom down correctly on the first try. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

128. Start over with a new condom if you placed it on the wrong way. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

129. Unroll a condom fully to the base of the penis. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

130. Squeeze air from the tip of a condom. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

131. Take a male condom off without spilling the semen or cum. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

132. Take a male condom off before partner loses their hard on. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

133. Dispose of a used condom properly. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

134. Use lubricant with a condom. (Choose one)

- Not at all
- Somewhat
- Very sure
- Decline to answer

Knowledge about HIV

The next questions are about your knowledge of HIV. Select "True" or "False."

135. You have to take a test to know if you have HIV. (Choose one)

- True
- False
- Decline to answer

136. A positive HIV test means that you have AIDS. (Choose one)

- True
- False
- Decline to answer

137. Condoms can help protect you from transmitting or becoming infected with HIV. (Choose one)

- True
- False
- Decline to answer

138. Having sex with someone who has HIV is the only way to get HIV. (Choose one)

- True
- False
- Decline to answer

139. It is important to use a condom if both you and your partner have HIV. (Choose one)

- True
- False
- Decline to answer

140. There are different types of HIV infections. (Choose one)

- True
- False
- Decline to answer

141. Female condoms can stop you from getting HIV. (Choose one)

- True
- False
- Decline to answer

142. Having anal sex without a condom makes it easier to get HIV. (Choose one)

- True
- False
- Decline to answer

143. Having a STD can make it easier to get HIV. (Choose one)

- True
- False
- Decline to answer

144. Having a STD can make it harder to manage your HIV. (Choose one)

- True
- False
- Decline to answer

Coping Style

There are a lot of things people can do when they have problems. These questions are about ways you've dealt with your problems recently. Tell me how often you have done each of the below in the last three months.

IN THE LAST 3 MONTHS, HAVE YOU...
