

## HCHS/SOL Questionnaires

## Content Comparison with NHANES and Other Studies

Questionnaire - English	Code	NHANES	HCHS/SOL	Other Studies
Alcohol	ALE	n/a	None	MESA, INTERMAP & ADVANCE
Economic	ECE	n/a	None	Nuestra Salud
Health Care Use	HCE	2001-2002	Health insurance	NHIS, BRFSS, HINTS, MEPS
Medical History	MHE	2005-2006	Information on respondent medical history (modified)	CARDIA
Medication Use	MUE	2005-2006	Medication and supplement use	ARIC
Occupation	OCE	2005-2006	Shift work, noise exposure	
Personal Identifiers	IDE	n/a	None	ARIC
Personal Information	PIE	2005-2006	Marital status, country of origin	
Social Network Index	SNE	n/a	None	ENRICH
Sociocultural	SCE	2005-2006	Language use at home	JHS, HCHS-SCAS, SWAN
Tobacco Use	TBE	2005-2006	Smoking Hx and current smoking status	HCHS
Well-Being	WBE	n/a	CESD-10, GAD-7	Nuestra Salud & ARIC-CAROTID MRI, JHS, ARIC & ARIC-CAROTID
Reproductive	RHE			WHI, CAPP
Pregnancy Complications	PCE			CAPP

Studies referenced: (funded by)

ARIC – Atherosclerosis Risk in Communities Study (NHLBI, NIH)

BRFSS – Behavioral Risk Factor Surveillance System (Centers for Disease Control)

CARDIA – Coronary Artery Risk Development (NHLBI, NIH)

CAPP- Combined Antioxidant and Preeclampsia Prediction Study (National Institute of Child Health and Fetal Development)

ENRICH – Enhancing Recovery in Coronary Heart Disease (NHLBI, NIH)

MESA – Multi-Ethnic Study of Atherosclerosis (NHLBI, NIH)

NHIS – National Health Interview Survey (Centers for Disease Control)

Nuestra Salud – (NHLBI, NIH)

SWAN- Studies of Women’s Health Across the Nation (NIA, NINR, Office of Research on Women’s Health)

Women’s Health Initiative – (NHLBI)

<u>Procedure</u>	<u>Source of Same or Similar Protocols</u>
Sitting Blood Pressure	ARIC, MESA, CHS
Anthropometry	Framingham, ARIC
Venipuncture	ARIC, Framingham, MESA, CARDIA, CHS
Echocardiogram	Visit 5 ARIC

ARIC – Atherosclerosis Risk in Communities (NHLBI, NIH)

CHS – Cardiovascular Health Study (NHLBI, NIH)

CARDIA – Coronary Artery Risk Development in Young Adults (NHLBI, NIH)

Framingham – Framingham Heart Study (NHLBI, NIH)

MESA – Multi-Ethnic Study of Atherosclerosis (NHLBI, NIH)

NHANES – National Health and Nutrition Examination Survey (NHLBI, NIH)
