PEAT Survey Invitation to Respond
September 4, 2014

The Partnership on Employment & Accessible Technology (PEAT) is a new national resource funded by the U.S. Department of Labor to facilitate and promote the use of accessible technology in the hiring, employment, retention, and career advancement of individuals with disabilities.

PEAT is conducting a survey to gain a better understanding of accessibility needs related to online job seeking, which will help inform future efforts to improve accessibility. If you are interested in contributing your views and experience, please take our brief survey by visiting <https://www.surveymonkey.com/s.aspx?
