

Grantee Survey Distribution Email

The Veterans Employment and Training Service (VETS) is committed to improving the HVRP grant submission and award process. The goal is to make the process as efficient and effective as possible so applicants can dedicate limited resources to what VETS believes is the most important thing: helping veterans. As an HVRP Competitive Grant applicant or recipient, your feedback is extremely important in the efforts to improve the process. VETS would appreciate your responses to a brief voluntary survey. Your response to this survey is completely anonymous.
