

Is work pursuant to a federal contract for services or concessions? ⓘ

Yes No

Total number of employees at this establishment/worksite ⓘ

Employee(s) at this location

Name Date hired

Was the worker 24...? Yes No

Was the worker provided accommodations? Yes No

How many jobs?

Average hours worked per week Average earnings \$ per hour

Type of work

Primary disability ⓘ

Prevailing wage rate \$ per hour

Alternate could be in simple table form that if completed or uploaded spreadsheet (not unlike EDC prototype IBFC explored early 2015)

User research would reveal if many employees are listed and if most of the information repeats. If so, these inputs should be optimized for that.
