

U.S. DEPARTMENT OF HOMELAND SECURITY U.S. COAST GUARD	Application and Permit to Handle Hazardous Materials	OMB No. 1625-0005 Exp: 06/30/2011
---	---	--------------------------------------

Who must comply?	Shipping agents and terminal operators (aka applicant) that handle hazardous materials.
What is this collection about?	This information is used by the Coast Guard (CG) to ensure the safe handling of explosives and other hazardous materials around ports and aboard vessels.
Where do I find the requirements for this information?	Title 46 CFR 126.16 and 49 CFR 176.100 & 176.415 are available at— http://ecfr.gpoaccess.gov , select TITLE 46 – SHIPPING, or TITLE 49 – Transportation, and follow to the respective cites.
When must information be submitted to the Coast Guard?	An applicant must submit information on form CG-4260 “Application and Permit to Handle Hazardous Materials” to the CG Captain of the Port (COTP) before a determination can be made about the precautions/carriage requirements to be used during shipment.
How is the information submitted?	By mail, fax or electronically submitted via e-mail to the COTP.
What happens when complete information is received?	The CG will review the information and determine if a hazardous material is eligible for shipment and any precautions/carriage requirements. The CG will advise the applicant in writing if the shipment is approved, approved with conditions, or explain the disapproval.
