

U.S. DEPARTMENT OF HOMELAND SECURITY U.S. COAST GUARD	Sewage and Graywater Discharge Records for Certain Cruise Vessels Operating on Alaskan Waters	OMB No. 1625-0092 Exp: 06/30/2014
---	---	--------------------------------------

Who must comply?	Owners, operators and masters of cruise vessels authorized to carry 500 or more passengers that operate on certain Alaskan waters.
What is this collection about?	This information collection requires the owner, operator or master of a vessel to handle the discharge of sewage and greywater following prescribed standards.
Where do I find the requirements for this information?	Title 33 CFR Part 159, Subpart E is available at — http://ecfr.gpoaccess.gov . For 33 CFR, select TITLE 33 – NAVIGATION AND NAVIGABLE WATERS, and follow it to Part 159.
When must information be submitted to the Coast Guard?	Certain information (e.g., Vessel Specific Sampling Plan (VSSP)) must be submitted to the Coast Guard (CG) at least 90-days prior to operating in Alaskan waters. Sewage and Greywater Discharge Record Book entries must be made whenever a discharge is made.
How is the information submitted?	The VSSP information may be provided in writing or electronically via e-mail to the local CG Sector Office (see contact info below). The Discharge Record Book must be maintained onboard the vessel and available for inspection by the CG.
What happens when complete information is received?	Once all required information has been provided and accepted, the CG will notify you in writing.
For additional information, contact--	Your local CG Sector Office. <ul style="list-style-type: none"> A list of Coast Guard sectors, as part of a comprehensive list of Coast Guard units, can be found at— http://www.uscg.mil/top/units/.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number.

The Coast Guard estimates that the average burden per response for this report varies per information collection—about 4 minutes per logbook entry, and up to 1.5 hours for Certificate or Vessel Specific Sampling Plan submission. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commandant (CG-CVC), U.S. Coast Guard Stop 7501, 2703 Martin Luther King Jr Ave SE, Washington, DC 20593-7501 or Office of Management and Budget, Paperwork Reduction Project (1625-0092), Washington, DC 20503.
