NPSAS/NCES Student Records Focus Groups Moderator's Guide

The guide below lists the topics to be discussed in each focus group session, as well as sample probes whenever applicable. The moderator will use these probes to guide the group through its discussion of each topic.

PROJECT: NPSAS:16

DATES: June 2015

LOCATION: Online Video

TOPIC: Postsecondary Institution Student Records Collection

Introduction (1 minute)

Who am I

What I do

Topic - Talk about student records collection terminology, forms, and procedures for the NPSAS and other National Center for Education Statistics (NCES) studies

Ground Rules (4 minutes)

Articulate loudly enough to be heard

Talk one at a time

Observers (via video streaming)

Audio/video recording

Avoid peer pressure

Be candid

No right or wrong answers

Need to hear from everyone

Gift for your time and opinions

Respondent Introduction (10 minutes)

First name

Name of educational institution

Title and job responsibilities

How long working at current job/in this field

[ALL GROUPS] Discuss proposed enrollment list eligibility items (10 minutes)

Review proposed new eligibility items for the student enrollment list:

Yes/No indicators

- *enrolled in an academic program*
- *taking at least one course for credit that could be applied toward fulfilling the requirements for an academic degree*
- *taking noncredit remedial coursework but eligible for Title IV aid*
- *enrolled in an occupational or vocational program that required at least 3 months or 300 clock hours of instruction to receive a degree, certificate, or other formal award*
- *paid tuition to the NPSAS institution*
- *received a full tuition refund*
- *high school/completion program enrollment*
- *high school/completion program completion date*

Probe for institutions' reactions to these new items:

- Discuss feasibility of providing this information for all students
- Discuss additional burden required
- Would additional offices/departments need to be involved?
- Any problems with clarity?

[ALL GROUPS] Discuss collection of term information (10 minutes)

Review current Terms section from Institution Information Page (IIP):

Enter the name, start date, and end date of each of the terms/enrollment periods (sometimes referred to as payment periods) occurring at your institution between **July 1, 2014** and **June 30, 2015**.

Please include:

- Summer sessions.
- Short sessions longer than one month.
- Terms for special types of students (e.g. medical students).

If your institution offers continuous enrollment, rather than terms with explicit start and end dates, leave this section blank.

NOTE: Terms may start prior to July 1, 2014 or end after June 30, 2015, but some portion of the term must occur between July 1, 2014 and June 30, 2015.

Later, you will be asked to indicate each sampled student's enrollment status (e.g. full-time, half-time) during each of the terms you provide. If you do not provide term information on this page, you will later be asked to indicate each sampled student's enrollment status during the twelve months occurring between July 1, 2014 and June 30, 2015.

Probe how institutions' calendar systems fit within these categories:

- Discuss feasibility of providing sampled student list on this page, and only requesting terms for which sampled students were enrolled (to reduce burden)
- Probe for types of terms that wouldn't meet these requirements.
- Identify ways to improve clarity.

[ALL GROUPS] Reactions to revised definitions (10 minutes)

The following terms were revised for the field test instrument based on feedback from the first round of focus groups.

| Data element or Topic | Definition | Discussion Points |
|-----------------------|--|---|
| Degree Program | <p>Help text for this item:</p> <p>“In what degree program was this student enrolled during his or her last term at UNC Chapel Hill between July 1, 2014 and June 30, 2015? If the student was enrolled in more than one program during the academic year selected, enter the highest degree program.”</p> | <p>Discuss plans to add item for second program/degree.</p> <p>How would institutions report primary and secondary program?</p> |
| Class Level | <p>Help text for this item:</p> <p>“Enter the student's class level during his or her last term at UNC Chapel Hill between July 1, 2014 and June 30, 2015. If class level was used to determine financial aid eligibility, report that class level for this item. Otherwise, report the class level as defined by your institution. Institutions typically define class level based on the number of earned credits. An example of a commonly used classification:</p> <ul style="list-style-type: none"> • 0-29 earned credit hours for first-year/freshman • 30-59 earned credit hours for sophomore • 60-89 earned credit hours for junior • 90+ earned credit hours for senior.” | <p>Discuss revisions made to help text for field test collection based on round 1 focus group feedback.</p> <p>Does the revised definition clarify this item?</p> <p>Would the institution have trouble reporting class level based on this guidance?</p> <p>How would institutions determine class level for students enrolled in multiple programs?</p> |

Probe understanding of these items/categories:

- Determine if respondents feel they were able to accurately provide the requested data using these items/categories
- Probe for clarity of the definitions provided
- Identify ways to improve clarity of the items/categories and definitions, if necessary

[WEB MODE GROUP ONLY] (30 minutes)

Discuss which individuals at the institution were involved in providing student records data

- Did one person complete all sections, or were some sections completed by staff from other departments? Which departments were involved?

- How easy or difficult was it to coordinate with other staff to enter the data? If it was difficult, are there any changes that would make it easier?

Discuss usability of the web mode grid

- Did the grid provide enough information for identifying the sampled students?
- How easy or difficult was it to navigate the page using the links in the grid?
- Are there any changes that would make the grid easier for you to use?

Discuss process for entering data

- How easy or difficult was it to navigate through the page?
- Did you complete all sections for a student at once, complete one section at a time, or something else?
- How easy or difficult was it to use the [text boxes, drop-downs, date pickers]?
- How easy or difficult was it to provide data in the format we requested (such as rounding dollar amounts to whole numbers)?
- Did you have any problems entering data? If so, what were they?
- Are there any changes that would make this page easier to use?

Discuss saving & finalizing data (including validation and error messages)

- Did you ever have a need to save your progress and come back to the student at a later time?
- If you received error messages, were they easy or difficult to understand? Were you able to resolve the errors?
- Would you change anything about the way that error messages are displayed?
- Identify any other ways to improve clarity.

[EXCEL TEMPLATE MODE GROUP ONLY] (30 minutes)

Discuss which individuals at the institution were involved in providing student records data

- Did one person complete all sections, or were some sections completed by staff from other departments? Which departments were involved?
- How easy or difficult was it to coordinate with other staff to enter the data? If it was difficult, are there any changes that would make it easier?

Probe for feedback about usability of the template

- Did you hand key data, copy/paste, or select from drop-downs?
- Did you reference the help text provided in the template? If so, was it easy or difficult to use?
- Some Excel features were disabled in the template. Would it be less burdensome if these features were enabled? If so, which ones?
- Would you change anything else about the template?

Discuss uploading & finalizing data (including validation and error messages)

- Did you encounter any problems when uploading your completed template? If so, what were they?
- If you received error messages when uploading, were they easy or difficult to understand? Were you able to resolve the errors?
- Would you change anything about the way that error messages are displayed?
- Identify any other ways to improve clarity.

Discuss the Review Your Data page

- Did you use the Review Your Data page to check the data you uploaded? If so, how did you use it/what did you look for?
- Did you edit your data based on what appeared on the Review Your Data page? If so, did you upload a revised file, or edit the data in Web Mode?
- Is there anything you would change about the Review Your Data page to make it more useful?

[CSV MODE GROUP ONLY] (30 minutes)

Discuss which individuals at the institution were involved in providing student records data

- Did one person complete all sections, or were some sections completed by staff from other departments? Which departments were involved?
- How easy or difficult was it to coordinate with other staff to provide the data? If it was difficult, are there any changes that would make it easier?

Probe for feedback about usability of the file specifications

- How easy or difficult was it to provide the requested data?
- Did you have any problems with data formats (such as decimal places or field lengths)?
- Would you change anything about the specs to make them easier to use?

Discuss uploading & finalizing data (including validation and error messages)

- Did you encounter any problems when uploading your CSV files? If so, what were they?
- If you received error messages when uploading, were they easy or difficult to understand? Were you able to resolve the errors?
- Would you change anything about the way that error messages are displayed?
- Identify any other ways to improve clarity.

Discuss Review Your Data page

- Did you use the Review Your Data page to check the data you uploaded? If so, how did you use it/what did you look for?
- Did you edit your data based on what appeared on the Review Your Data page? If so, did you upload a revised file, or edit the data in Web Mode?
- Is there anything you would change about the Review Your Data page to make it more useful?

[ALL GROUPS, IF TIME PERMITS] The Postsecondary Data Portal (10 minutes)

- What other NCES studies have you participated in recently (such as NPSAS:12, ELS FAFS, PETS:09)?
- How easy or difficult was it to find information you needed (such as contact information or study materials) on the PDP?
- How easy or difficult was it to use the Task Menu?
- What would you change about the PDP to make it easier to use?

[ALL GROUPS, IF TIME PERMITS] NCES Data Lab (10 minutes)

- What do you know about the NCES Data Lab tools?
- Have you ever used the Data Lab tools (such as making tables from NPSAS data)? If no, how do you think the data lab tools could be useful to you?

- Would you be interested in learning more about how to use the Data Lab?

Final Comments:

THANK RESPONDENTS FOR PARTICPATION

NPSAS:16 Student Records Instrument Facsimile

This appendix provides a summary of the items that were administered as part of the 2015-16 National Postsecondary Student Aid Study (NPSAS:16) field-test student records instrument.

As part of the qualitative evaluation, focus group participants will be asked about their prior experiences using the instrument during the field-test collection, but the instrument will not be directly administered during the focus group sessions. The instrument facsimile is provided as reference material for topics that may be discussed by focus group participants.

Enter the student's class level during his or her last term at [NPSAS school] between July 1, 2014 and June 30, 2015.

If class level was used to determine financial aid eligibility, report that class level for this item. Otherwise, report the class level as defined by your institution.

Institutions typically define class level based on the number of earned credits. An example of a commonly used classification:

- 0-29 earned credit hours for first-year/freshman
- 30-59 earned credit hours for sophomore
- 60-89 earned credit hours for junior
- 90+ earned credit hours for senior
