**TITLE OF INFORMATION COLLECTION:** Technical Assistance Center Joint Needs Assessment

**PURPOSE:** The purpose of this Technical Assistance Center (TAC) Joint needs Assessment is to provide RSA’s recently funded TACs with information about the needs of state vocational rehabilitation (VR) agencies, the grantees that will be the beneficiaries of the TA being provided. Because of the recent passage of the workforce Innovation and Opportunity Act (WIOA) in July of 2014, state VR agencies require TA to implement the new requirements of the law. Beginning in the fall of 2014, RSA funded a network of TA centers to address these needs. In order to reduce burden on the state VR agencies, the needs assessment is being conducted jointly, that is, collaboratively. The TACs worked together to design the needs assessment and the information gathered will be shared among the centers. Information gathered through this needs assessment will enable the TACs to function more effectively to meet emerging needs of the state VR agencies.

**DESCRIPTION OF RESPONDENTS:** (3) State, local, or tribal governments - There are 80 state VR agencies that will be responding to the needs assessment.
