

**Request for Approval under the “Generic Clearance for the Collection of
Routine Customer Feedback” (OMB Control Number: 1910-5160) Expiration
Date 8/31/2017**

TITLE OF INFORMATION COLLECTION: *Internal Controls Program Assessment
Initiative Stakeholder Survey*

PURPOSE: *This data is being collected to obtain the information necessary to assess and improve our current processes and plan for the replacement of our current tools (Financial Management Assurance (FMA) / Utilities Reporting Tool (URT) and the Entity Assessment Tool (EAT)) for internal controls. The revised OMB Circular A-123 is expected to provide new guidance for linking Enterprise Risk Management (ERM) and internal control to provide stronger risk management. As we implement the new GAO Green Book and OMB Circular A-123 guidance, our new tools will need to support the internal controls program within the larger ERM and Governance context envisioned in the guidance. Planning for the future of the DOE Internal Controls Program requires that we obtain an understanding of the current state of the program at all levels. The data you supply will be used to gain a broad understanding of the current environment and needs.*

DESCRIPTION OF RESPONDENTS: *Key stakeholders in DOE’s risk management activities.*
