

Enterprise Cybersecurity Awareness and Training Program

End of Course Survey

This is the survey that will be provided in the Learning Management System for learners to complete (optionally) upon completion of each cybersecurity course.

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
1. The cybersecurity concepts taught in this course were relevant to my job.					
2. The cybersecurity concepts taught in this course will help me improve my cybersecurity practices on the job.					
3. This course provided access to pertinent cybersecurity policies and job aids that I will be able to reference as needed on the job.					
4. As a result of this course, I know who my local points of contact are for cybersecurity questions and issues.					
5. I took this course at the right time (i.e. just prior to gaining access to a system or application or as a refresher if you have had continuous access).					

6. OPTIONAL Please provide any suggestions or comments regarding this course that can help us improve our course effectiveness and learner satisfaction.
