

Supplementary Document for VA Form 21-601 Application for Accrued Amounts Due a Deceased Beneficiary (2900-0216)

Updates to VA Form 21-601 Application for Accrued Amounts Due a Deceased Beneficiary are considered non-substantive changes because there is no increase in burden to the respondents.

Pension and Fiduciary Service is updating the instructions in the form due to the U.S. Supreme Court's ruling on the Defense of Marriage Act (DOMA).

This change is only to provide claimants with clarification regarding the court's ruling.
