FORM FGIS-930 (10-01) Previous Editions Obsolete

## Instructions for Form FGIS-930

- 1. City and State where field office is located.
- 2. Management code number assigned to the field office.
- 3. Current fiscal year.
- 4. Month reported.
- 5. Number of submitted samples inspected.
- 6. Services performed when Federal employees issue certificates.
- 7. Services performed when State cooperators issue certificates.
- 8. Number of official samples inspected.
- 9. Total number of hundredweights for inspections, when applicable. This does not include submitted sample inspections.
- 10. Number of appeal inspections.
- 11. Enter total inspections for each category. Note: DSCP means Defense Supply Center Philadelphia and is used for military contracts.
- 12. Enter total numbers of tests performed plus cwt if applicable. For export, each sublot is a test. The field office or cooperator performing the test should enter the data.
- 13. Enter total of bulk weighing services performed.
- 14. Enter the number of times that **only** a condition inspection was performed.
- 15. Enter the number of falling number tests performed.
- 16. Enter the number of protein certificates issued. For export, record each sublot.
- 17. Enter the number of sanitation plant inspections performed.
- 18. Enter the number of sedimentation certificates issued.
- 19. Enter the number of AMA stowage examinations performed on export carriers, not railcars, trucks, containers, or lash barges.
- 20. Enter the number of AMA stowage examinations performed on all others (railcars, trucks, containers, or lash barges).
- 21. Enter the number of TCK tests performed.
- 22. Enter the number of Starlink inspections performed. The field office or cooperator that performed the inspection enters the information.
- 23. Enter any other type of inspection performed but not described elsewhere on the form.
- 24. Any remarks necessary, please place here.
